Re: IVC Part-Time Faculty Association CCA/CTA/NEA

Dear IVC Board of Trustees:

The IVC Part-Time Faculty Association CCA/CTA/NEA requests voluntary recognition from you to become the exclusive representative of the part time faculty who work for IVC. We are fully prepared to file a petition with the Public Employment Relations Board (PERB) to gain recognition, but would prefer to save the District the time and expense of traveling to the PERB office in Glendale to discuss this matter when it is in the IVC Board of Trustee's power and authority to voluntarily recognize our Association.

Please do not hesitate to contact me if you should require more information or have any questions.

Sincerely,

Armando J. Méndez
