IVC
PRESIDENT'S OFFICE

Dr. Ed Gould, President

Imperial Valley College

March 29, 2010

Sir:

I have been employed at IVC since January of 2000 at a tenure track faculty in Psychology. Having now spent forty years in the college classroom I have decided to end this part of my career life. I, hereby, tender my resignation as an employee of Imperial Valley College. My last day of employment will be graduation day, June 12, 2010 and my retirement day will the day following our graduation ceremony, June 13, 2010.

I thank Imperial Valley College for allowing me the privilege of ten and a half years of being able to teach a subject I love. I hope in so doing my students have been empowered to make better decisions in their personal and professional lives. If they can do so, then I think my time and efforts have been well and fruitfully spent.

Sincerely,

Ronald Gage-Mosher, Ph.D.
