Dear President ~~Gould~~, Ed

On behalf of the Board of Governors of the California Community Colleges, I want to extend my congratulations on your college having been awarded a Green Innovation Challenge Grant from the state Labor & Workforce Development Agency. The grant you have been awarded is a recognition by our state government of the tremendous talent your college possesses. It is also a sign of confidence in the promise to deliver a quality workforce development training program that will put our state's community college students on a rewarding career path in the emerging Green Economy.

My best wishes for a successful workforce education project.

Sincerely,

Jack
