Dear Board Members:

I am excited to announce my retirement as of August 31, 2007 from Imperial Valley College. When I started in July of 1975 we had no grass, no trees and very few plants on this campus. In the 32 years of service I have helped to make this campus as beautiful as I could. The athletic fields have been a challenge to keep green for the events during the years.

During my 32 years here I have been blessed by the employees of Imperial Valley College. Many friends have I made while here, both students and staff, and I will miss everyone.

I would like to thank Rick Webster for being a fine and fair Maintenance Director. Also Mickey Crosby, my immediate supervisor for being there and a wonderful friend. Thank you for the opportunity of working for such a wonderful college and all my co-workers.

Sincerely,

Dear Board Members:

After 36 years at Imperial Valley College, I announce my retirement on August 30, 2007. I have enjoyed working all these years at Imperial Valley College. The changes to the buildings have been interesting over the years, carpet on the floors, white boards in the classrooms and cables all over the place.

I will truly miss the staff at this wonderful school but not the messes.

SUBJECT: Letter of Resignation

I regret to inform you that I will be resigning my tenure track faculty position at Imperial Valley College effective August 17, 2007. Thank you very much for the wonderful opportunity to develop an Environmental Science Program here at IVC. I especially appreciate the support for the Environmental Lecture Series provided by the Imperial Valley College Foundation, Dr. Pai and Dr. Rodgers, as well as the many staff who helped with all the details of public relations, audio-visual set-up, and student services.

It has really surprised me to have the support and encouragement to make IVC a "green campus", moving toward alternative solar energy in the new science buildings, recycling on campus, and landscaping the campus using native plants as well as traditional horticultural plants. I have especially enjoyed working with the students and the Ecology Club while here at IVC. The young people I have met have truly touched my heart and inspired me. I can't think of a better way to have spent two years, and I thank you from the bottom of my heart for this wonderful opportunity. I have loved my job here, and am very grateful to each of you.

I will be moving on to a tenure track position at Sacramento State University of California in the Environmental Studies Department. While in Sacramento, I would like to maintain my support of and relationship with students and faculty at Imperial Valley College. If there is any way to continue the process of the "greening of the campus", both physically and metaphorically, I will be happy to help any way possible.

Once again, thank you for the opportunity to be of service here. I am proud to think that in some small way, I have made a positive impact on the lives of my students and in the community.

Dear Dr. Pai and Board of Trustees Members:

I am writing to let you know that I am resigning from my position as Assistant Librarian at Imperial Valley College, effective May 31, 2007.

Thank you for the opportunities for professional development that you have provided me during the last six years. In particular, I thank you for the leave of absence that has made it possible for me to gain management and budget experience as a library director overseas. In the future, I sincerely hope to offer this experience to IVC once again for the benefit of the campus. At present, I also hope to continue teaching hybrid online courses as an adjunct in the Library Technician Program.

I have deeply enjoyed working for IVC. I must leave because my husband has recently taken a position in Humboldt County, California, and I will join him there.

If I can be of any help during this transition, please let me know.

Sincerely,

Cathy Zazueta

Dear Mr. President and Board Members,

I like to take this opportunity to express my appreciation to the administration for giving me the opportunity to start a new computer science program at IVC. I like to thank the division of Science, Math, and Engineering for helping me in preparing outlines, getting them approved and starting new classes.

With this letter, kindly accept my resignation from my position as a computer science instructor effective end of this semester (June 9, 2007).

I very much like to see the computer science program to continue and flourish in my absence. I will always cherish dear memories for my IVC students and colleagues.

Dear Dr. Pai:

Before ending this year's contract, at the end of summer school, I want to acknowledge with deep thanks the many kindnesses to me during the years that I worked with you in this institution.

During the past three years at Imperial Valley College I have experienced working with cooperative, generous, and understanding individuals, and I feel that I've been blessed. Not only have I enjoyed working with my colleagues within my department; I have learned how this institution has achieved important goals that reflect the emphasis placed in the needs of the community that it serves. It's really because of the opportunities to grow that I received here that I feel qualified to undertake my new assignment at Fresno Community College.

My best wishes to you always.
