Train-the-Trainers Showcase

May 20, 2011
Lunch: 1-2pm in Faculty Lounge
Showcase: 2-5pm in Room 2725

In February, sixteen faculty members came together to learn about three specific areas:

- **Culturally-responsive teaching and learning**
- **Collaborative teaching and learning**
- **Technology and social media**

The trainers have spent the past few months exploring their topics and developing their plans for the first **ATLAS Conference in August 2011**. However, we wanted to give everyone a sneak peek into what we have been up to and what you can expect from the August conference, which we have subtitled **IVC 2020**.

We invite all faculty to the **ATLAS Train-the-Trainers Showcase**. Come to find out more about these three training areas, what **IVC 2020** means, and how you can get involved. Lunch will be provided prior to the showcase.
