

## AP 5020 Non Resident Tuition

Reference:

***Education Code Sections 76140 et seq.; (Board Resolution No. 13177)***

***(New Procedure)***

Imperial Valley College has established the following procedures in determining Non-Resident Tuition:

Exemptions, if any;

That the nonresident tuition fee be set not later than January 1 of each year;

That the calculation reflect the current expense of education calculated according to the Budget and Accounting Manual;

Exemptions, if any, due to reciprocity with bordering states.

One of the following three will be used to determine Non-Resident Tuition:

That the calculation include the expense of education in the preceding fiscal year;

That the calculation reflect fees in contiguous Districts;

That the calculation provide for students enrolled in more or less than 15 units per term.
