

AP 6950 Drug and Alcohol Testing (US Department of Transportation)

Reference:

49 CFR Part 40

1. The Imperial Community College District does not currently have any of the following commercial motor vehicles which are subject to federal regulations:
 - a. a vehicle with a gross combination weight of at least 26,001 pounds inclusive of a towed unit with a gross vehicle weight rating of more than 10,000 pounds;
 - b. a vehicle with a gross vehicle weight of at least 26,001 pounds;
 - c. a vehicle designed to transport 16 or more passengers, including the driver; or
 - d. a vehicle used to transport those hazardous materials found in the Hazardous Materials Transportation Act.

2. If and when the District acquires any commercial motor vehicle which is subject to FHWA and/or FTA regulations the District will comply with the United States Department of Transportation regulations implementing the Federal Omnibus Transportation Employee Testing Act of 1991. Specifically, the District must comply with the regulations of the Federal Highway Administration (FHWA) and, if applicable, the Federal Transit Administration (FTA)..
