Education Code Sections 72207, 81459 (New BP)

The District shall develop appropriate administrative procedures to implement the provisions of the Education Code, which authorize the securing of copyrights in the name of the District to all copyrightable works developed by/or for the District.

The administrative procedures shall assure that the District may use, sell, give or exchange published materials and may license materials prepared by the District in connection with its curricular and special services.

In the development of these administrative procedures, the District shall solicit the input of the proper representatives of the college community in accordance with the District's policies regarding shared local decision-making.
