

## BP 4100 Graduation Requirements for Degrees and Certificates

Reference:

*Education Code Section 70902(b)(3);  
Title 5, Sections 55800, et seq. (Old BP 5.40)*

The District shall establish administrative procedures to determine degree and certificate requirements. It will assure that graduation requirements are published in the District's General Catalog and Announcement of Courses and included in other resources that are convenient for students.

These requirements for graduation represent IVC's commitment to the principles of general education. These requirements are designed to develop the potential of every student, broaden their outlook and contribute to the realization of the well-balanced whole person.
