Education Code Sections 87408; 87408.6; 88021
[Old BP 3.32]

All newly hired academic employees who have not been previously employed in an academic position in California shall have on file a medical certificate indicating freedom from communicable diseases, including tuberculosis. No academic employee shall commence service until such medical certificate has been provided to the District.

All newly hired employees must show that they have been examined within the past 60 days to determine that they are free from active tuberculosis.

All employees shall be required to undergo an examination within four years of employment and every four years thereafter, to determine if they are free from tuberculosis.
