Termination of the T-1 Line

The ASG currently pays AT&T a monthly fee of $505.75 for the T-1 line in the College Center's Cyber Lounge. The ASG spends over $6,000 for running the computer lab. The income generated over the last two years has been slightly over $1,000. The expense is way too excessive when compared with the generated income.

M/S/C (Steven Sciaky/Brenda Antunez) to approve to cancel the AT&T T1 line connection in the College Center. The motion carried without further discussion.

ANNOUNCEMENTS

President

President Mendenhall asked the Senators attending the March in March this coming Monday (March 16) to represent IVC well.

President Mendenhall stated that students who need to fax or scan documents often times are turned away from most departments on campus. The services of faxing or scanning are not available for students. Therefore, President Mendenhall will work on drafting a resolution/proposal in regards to this issue.

President Mendenhall will also draft a letter to the Bookstore Manager in regards to not providing receipts when a textbook is sold back to the store.

Advisor

Mr. Lopez attended a CCCSAA Professional Conference this past week. Several items were discussed during the conference such as instituting an activity fee for students. Some colleges as the size of IVC have passed an activity fee and have generated close to $400,000 in a year. Mr. Lopez suggested in researching the possibility of instituting an activity fee for IVC and maybe services such as a fax, copier and scanner will be among services offered to students. More information will be available at a later meeting.
