Senator Antonio Leon reported that he and Mayra Beltran attended the Admissions and Petitions Committee meeting this past Friday for an appeal.

Senator Holloway reported that he and Senator Tylenda attended the Student Senate for California Community Colleges (SSCCC) this past weekend in San Diego and stated that he learned a lot. There are some things that he personally found insightful and there are some things that the ASG can work on and other things that they are doing well. He hopes it is something that they can attend again.

Mr. Lopez suggested that the information that was received this past weekend should be scanned and put on the ASG website.

Senator Tylenda stated that she learned a lot at the conference and feels motivated by seeing how engaged other students are with their Student Government at their college. She also added that Region X currently does not have a representative on the SSCC and would be like become one. She would also like to have IVC host a Region X meeting so other colleges can see the campus. She recommends those interested in politics should start to attend the SSCCC meetings.

Senator Gallegos stated that last Wednesday, he attended the Budget and Fiscal Planning Committee meeting and a resolution was presented of a draft of the budget and a special meeting will be held on Wednesday at 4:30 pm for clarification between all documents presented. Senator Gallegos will be attending the special meeting.

Senator Beltran would like to hold a meeting with the finance committee in regards to purchasing more supplies for the publicity committee.

Senator Torres suggested that the publicity co-chairs should make a list of what they need so supplies can be purchased.

## **ASG President**

President Trejo reported that Trustee Hart was happy to see so many students participate in the Measure J Walk and Dr. Gould recognized and thanked all the students that participated in the events.

President Trejo also announced that a Region X meeting had been held at Imperial Valley College in the past and perhaps it

would be a good idea to host another one to exhibit the college's facilities.

Mr. Lopez stated that it is difficult to meet quorum for the meetings in Imperial Valley and hotel rooms have been booked for the members in the region and it is difficult to have a meeting here and it is cheaper for us to send a student.

President Trejo will be talking to all club advisors in regards to the food handling gloves (pertaining to the Pumpkin Patch incident). He will be holding a meeting with all the club presidents in regards to sales.

President Trejo also shared that he was really proud of his Senate. IVC's ASG is ahead of other colleges as far as team work goes. President Trejo stated that we have a great team and really work well together. President Trejo feels that attending the CCCSAA conference brought the team closer together and is pleased with everyone's work and dedication.
