

## AP 3520 Local Law Enforcement

Reference:

*Education Code Section 67381*

**Note: This procedure is required and should be in place whether or not the District includes a police department as part of its structure. Because there have been no amendments to the Kristin Smart Campus Safety Act of 1998, and because the Board of Governors has not enacted regulations, it is recommended that the procedures simply restate the Board Policy, and also incorporate any local practices that have been developed and agreed upon with local law enforcement agencies.**

*[Each campus or center of the District]* has a written agreement with local law enforcement agencies. The agreement clarifies operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, occurring at each location.

The written agreement designates which law enforcement agency has operational responsibility for violent crimes and delineates the specific geographical boundaries of each agency's operational responsibility, including maps as necessary.

The written agreements required by the Board policy are public records and are made available for inspection by members of the public upon request to *[designate office]*.
