Computer Science Careers in Law Enforcement

Imperial Valley College
Title V 2+2 Cooperative Project of
IVC and SDSU-IV Campus
Please join us!

What: Forum on CS Careers available in Law Enforcement Agencies
When: Friday, May 16, 6:00 pm to 8:00 pm
Where: College Center at Imperial Valley College
Who: Speakers from the Federal Bureau of Investigation and Calipatria State Prison

The purpose of this forum is to inform students, community members, and those currently working in various law enforcement agencies about potential computer science careers within law enforcement. Imperial Valley College and San Diego State University – Imperial Valley Campus, through funding provided by a Title V Cooperative Grant, have developed a seamless 2 plus 2 degree program in Computer Science. Students may take the first two years of coursework leading towards an associate's degree in Computer Science at Imperial Valley College, and then transfer to San Diego State University – Imperial Valley Campus to complete the final two years of coursework leading towards a bachelor's degree in computer science.

For more information on the program, please contact:
