I. Welcome Back

II. Courses for the Semester

Fonda was concerned about some of the courses. Becky told her she would pull them up and look but not to worry yet. Becky also told her she had student requests for a course and it would provide a back up if they needed it.

II. SLO assessments

They all agreed to wait until into the semester before starting on this again.

II. Any Other Info.

Becky had them look at the state draft on the frameworks
