#### I. Welcome

#### II. Review of Course Materials CDEV 100

Scott, Fonda and Becky reviewed the videos

Scott presented a couple of the activities. Becky did not think one of the activities was appropriate for an introduction course. Fonda agreed. Scott asked if it would be better to use in Child Development? They all agreed.

Becky Transferred their notes to giant post-it sheet and placed on conference room wall.

The decided to keep post it up until complete.

All decided they did not like the text book and agreed to review several and bring back what they thought it should be changed to.

#### III. Alignment

Becky would put together the information from the meeting and create the alignment for CDEV 100
