ANNOUNCEMENTS

Senators

Senator Madrigal informed the senate that she had presented a speech in her class in regards to students not attending their events. Senator Madrigal went on to inform the senate that many students in her class were unaware of the event that the ASG held on campus. Additionally, she did receive an email from a student with many points that she would like to discuss at the planning meeting on Wednesday.

VP Lopez informed the senate that non-traditional students normally do not link the student email with their personal email nor do they attend activities and are typically not as active on social media. The majority of them are focused on their classes.

VP Galeana added that the majority of the ASG events are held during the day and this may be why the students in Senator Madrigal’s class did not attend events.

President Tang-an went on to state that Senator Bermudez does a good job utilizing all the resources available to publicize events on campus.

VP Lopez concluded that the ASG should work on planning their events calendar during the summer and having highly attended events at night such as the hypnotist show for next year.

Senator Bermudez informed the senate that he had been approached by a SPA club member in regards to painting a mural on campus. VP Lopez informed him that such requests need to be forwarded to the Facilities & Environmental committee.

Advisor

VP Lopez reminded the senate that next Wednesday is the senates’ last official meeting of the semester and the new senate would be sworn in at the end of the meeting.

ADJOURNMENT
