Restroom Shelves

After some discussion on the restroom shelves' item, the ASG would like to know approximately how many shelves need to be purchased and what would the total cost be. Some Senators felt this was a not a necessary expense while others expressed their support. Some restroom stalls do not have shelves to place their textbooks, cell phones, keys, etc. and was brought up to the ASG about a year ago. The college does not have funds to make such purchase. Director of Maintenance, Mr. Rick Webster will be contacted for further clarification.

Recycling on Campus

Recycling on campus is a campus-wide concern. This item was discussed at the last Facilities, Environmental Health & Safety Committee meeting. The FEHS has formed a subcommittee to look further into the issue. Currently ICOE students are the ones who collect the recycle bottles around campus and the funds are kept within their department. Senators asked if there was a possibility to fund the purchase of recycle bins through the local trash company as President Bermudez has contacted several local businesses without success. A list of potential projects should be addressed at the next ASG Planning meeting.
