ANNOUNCEMENTS

Senators

Treasurer Villa stated that the student equity committee will be funding a program based on what the others decide to vote on. One of the programs that interested Treasurer Villa was the peer tutoring program. This program is intended to gather 6-8 students that have completed a past course, for example chemistry. These students will be like an in class tutor. They will be in the class to assist the students.

Senator Caloca thanked everyone who assisted during the Veteran's Celebration event.

President

President Bermudez stated she learned a lot during the fall General Assembly especially pertaining to Parliamentarian procedures.

Advisor

Dean Martinez-Inzunza asked President Bermudez and Senator Lopez Espejo to compare what leadership skills they experienced during GA from other leaders.

Dean Martinez-Inzunza once again would like every commission to form their own committees with student volunteers.

The California Student Senate have asked Community Colleges to increase the Student Rep Fee for an extra \$1. If passed and approved, the extra dollar will then go to the Student Senate. This item needs to be revisited to ensure that the funds are wisely spent. More information will become available at a later meeting.

Dean Martinez-Inzunza would like ASG to sponsor an International Community event on campus instead of the Multi-Cultural event earlier in the semester stated. This item will be placed at the next meeting's agenda for discussion.

Senators are encouraged to provide a brief statement before the beginning of every class to inform the students of what is happening on campus, i.e., ASG events/activities, important shared governance decisions, etc.

ADJOURNMENT

The meeting was adjourned at 1:33 p.m.

The next and last regular fall 2016 meeting is scheduled Monday, November 28, 2016 at 12:50 p.m. in the Administration Board Room.
