ARTICLE 5 ACADEMIC FREEDOM

Academic freedom is essential to the education of students and the District acknowledges the fundamental need to protect unit members from any censorship or restraint which might interfere with the unit member's obligation to pursue truth in performance of their work functions.

ARTICLE 6 LEAVES

6.1 Sick Leave

All unit members shall be granted paid sick leave equal to one (1) hour for each lecture or lab hour assigned for each term (Fall, Winter, Spring, or Summer) where each hour consists of sixty (60) minutes, so that the total number of working hours per week is equal to the total number of sick leave hours granted for the semester.

Sick leave unused in one term will be accumulated indefinitely, and be made available to unit members in subsequent terms of employment. Sick leave shall be accumulated during any term the unit member works.

On the first service day of each term the District shall provide every unit member that member's total number of sick leave hours accumulated and the total number of sick leave days and hours available for the ensuing term.

Available sick leave may be used as of the first day of the term.

6.1.1 Transfer of Accumulated Sick Leave

Should the unit member leave the District and attain employment in any other California school or college district, all unused accumulated sick leave will be transferred to the other California school or college district upon the written request of the unit member. Should the unit member be hired full time by the District, all unused accumulated sick leave shall be transferred to the new position.

Unit members who have accumulated sick leave in another California school or college district may request the district of previous employment to send an official verification of the accumulated sick leave to the CHRO Imperial Valley College who shall, in turn, credit such leave to the unit member's sick leave balance.

6.1.2 Use of Sick Leave

An absence is defined as eligible for sick leave if the unit member is ill and unable to attend to duties, has an appointment with a medical or health care provider, must care for a close family member who is ill and unable to care for him/herself, or must take a close family member to an appointment with a medical or health care provider.

A unit member will notify by telephone and/or email the Department Chairperson, Area Dean or District designee of absence due to illness as early as possible on the day the member knows s/he will be absent. For short-term absences due to illness that are anticipated to last less than one week, the unit member will notify by telephone and/or email the appropriate individual(s) each day of absence. In cases where the unit member knows that s/he shall be absent in advance due to a medical appointment, s/he shall notify the appropriate individuals as far in advance of the absence as is practical.

Unit members using sick leave shall return a Weekly Absence Report to the department or division no later than ten (10) calendar days after return from the absence.

6.1.3 Traditionally Delivered Classes

In cases where the absence of the unit member will lead to the cancellation of more than one week, or the equivalent, of consecutive class meetings, the Dean in the instruction area will make every effort to obtain a substitute instructor for the course during the duration of the unit member's illness.

6.1.4 Non-teaching Assignments

For non-teaching assignments, a unit member's sick leave will be charged for missed contract work hours, rounded to the nearest quarter (.25) hour in fifteen (15) minute increments. The hours shall be calculated by determining the exact number of minutes missed, deducting the full hours and then using the chart below to round to the nearest quarter hour.

MINUTES	HOURS
1 – 7	0
8 – 22	.25
23 – 37	.5
38 – 52	.75
53 – 60	1

6.1.5 Verification of Illness

Employees shall verify any absence due to illness or injury that extends for a period of more than six (6) consecutive calendar days by providing a written statement from the employee's attending eligible medical or health care provider certifying illness or injury.

If the period of absence is anticipated to extend beyond two (2) weeks, the written statement by the eligible medical or health care provider shall include an expected return to work date. Upon the member's return to work, the District shall be provided a written statement containing a release from the eligible medical or health care provider stating that the employee is able to return to work with or without work restrictions. If work restrictions are specified as a condition of the employee's return to work, written verification from the attending eligible medical or health care provider will be provided stating the extent and duration of the restrictions.

6.2 Bereavement Leave

Bereavement leave, with pay, of three (3) days per occurrence will be allowed to members of the bargaining unit for the death of anyone in the unit member's immediate family as defined below.

The District shall extend bereavement leave by an additional two (2) days if the unit member must travel out of state or more than five hundred (500) miles to attend a funeral of a member of the immediate family.

In individual cases and at his/her discretion, the Superintendent/President may enlarge the benefits of this section by granting additional days of bereavement leave, and may expand the class of relatives listed below as members of the immediate family.

Member of the immediate family, for the purpose of this section, shall mean the mother, father, child, grandmother, grandfather, or grandchild of the unit member or of the spouse or domestic partner of the unit member; and/or the spouse or domestic partner of the unit member; and/or the son-in-law, daughter-in-law, brother, brother-in-law, sister, or sister-in-law, of the unit member; or any relative living in the immediate household of the unit member.

6.3 Personal Necessity/Personal Leave

A member of the bargaining unit may, at his/her election, designate up to a maximum of 60% of granted sick leave for personal necessity.

6.4 Jury Duty or Witness Leave

A unit member shall be granted a leave of absence with pay to appear as a witness in court, other than as a litigant, or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the employee, or when regularly called for jury duty, upon presentation of the subpoena or official court summons to the Dean in the appropriate service area. The unit member should notify the appropriate Dean of the need for such leave as soon as possible after receiving such a summons or subpoena.

The unit member will receive compensation for such leave up to the amount of the difference between the unit member's regular earnings and any amount the unit member receives for jury or witness fees (Ed. Code §87035).

6.5 Industrial Accident and Illness Leave

A member of the bargaining unit who has an accident or develops an illness which arises out of, and in the course and scope of, his or her employment by the District, and whose application for benefits is accepted by the District's compensation insurance carrier, shall be eligible for industrial accident and illness leave under these provisions.

Allowable leave for an industrial accident or illness shall be for the number of work days of temporary disability or shall be for not fewer than sixty (60) work days in a fiscal year during which the College is in session or when the unit member would otherwise have been performing work for the District.

Such leave shall commence on the first day of absence and shall not be accumulated from year to year. When the leave overlaps into the next fiscal year, the unit member shall be entitled to only the remaining amount of unused leave originally granted for any one illness or injury.

During such leave the unit member shall endorse over to the District the temporary disability indemnity checks received as a result of the industrial accident or illness. The District, in turn, will issue to the unit member salary warrants for his/her full salary. Upon the termination of such a leave, the unit member will be entitled to sick leave in accordance with such provisions in this Agreement. The first day of sick leave shall be the workday immediately after the termination of the industrial accident or illness leave.

The parties agree to comply and act in accordance with appropriate statutory provisions relative to industrial accidents and illnesses (Ed. Code §87042, §87043, §87787).

6.6 District Authorized Leave

The Superintendent/President, or his designee, may grant unit members leave from their regular contract assignments to attend to business, or participate in events, deemed to be of interest and value to the District. Such leave may be granted for activities taking place on campus, or for activities away from campus that take a member away from his/her regular duties. A unit member participating in such an event does not incur any deductions to his/her accumulated personal necessity leave; neither is there any reduction in pay, even if a substitute instructor is acquired for the duration of the leave. District Authorized Leave may be granted for any length of time, though it is designed for participation in non-recurring short-term events or activities.

A unit member shall submit a request in writing for District authorized leave, to the Superintendent/President or his designee, at least one month or as soon as practical in advance of the leave, whenever possible. The request should fully explain the nature of the event or activity being attended and why it should be designated as District Authorized Leave. If there are any costs associated with the event or activity, a separate request for reimbursement of costs must be submitted in advance.

6.7 Extended Illness Leave

A unit member who is absent from his or her duties on account of illness or accident for a period of 5 months or less whether or not the absence arises out of or in the course of the employment of the employee shall receive 50% of his or her salary after all regular sick leave has been exhausted. (Ed. Code Section 87786)

Unit members who are unable to return at the beginning of a semester due to illness or injury will not be provided an assignment for that semester. Unit members will maintain seniority rights and reemployment preference for two consecutive semesters. If the unit member is unable to return to work after two full semesters due to illness or injury, the unit member will be removed from the reemployment preference list.

6.8 Part-Time Faculty Catastrophic Leave Program

A member of the bargaining unit may donate accumulated sick leave to another unit member, or to any other eligible employee of the Imperial Valley Community College District in the case of catastrophic illness or injury, according to the following regulations.

For the purpose of this section, catastrophic illness or injury means an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee's family which incapacity requires the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off.

Eligible sick leave credits may be donated to another employee for a catastrophic illness or injury if all of the following requirements are met:

1. the employee who is, or whose family member is, suffering from a catastrophic illness or injury requests in writing that eligible leave credits be donated and indicates to the District the approximate number of leave credits needed;
2. the employee provides verification of catastrophic injury or illness to the District by providing written documentation from the attending medical/health care provider and the District verifies that the employee is unable to work due to the employee's or his or her family member's catastrophic illness or injury;
3. the employee has exhausted all accrued paid leave credits.

If these conditions are met, and the District approves the transfer of eligible leave credits, any unit member may, upon giving written notice to the District, donate accumulated contract sick leave credits at a minimum of three (3) hours and in one (1) hour increments thereafter.

The maximum amount of time for which donated leave credits may be used by the receiving unit member is not to exceed the remainder of the current college term.

The employee who receives paid leave pursuant to this section shall use any leave credits that he or she continues to accrue prior to receiving donated leave credits.

All transfers of eligible leave credit are irrevocable.

The District shall establish such policies and create such forms to implement this program; such forms shall explain the full terms of the program and the irrevocable nature of the transfer, and require the signature(s) of the participating unit member(s) (Ed. Code §87045).

6.9 Parental Leave

Parental leave is leave for reason of the birth of a child of the unit member, or the placement of a child with a unit member in connection with the adoption or foster care of the child by the unit member.

If a unit member has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent because of parental leave, the amount deducted from the salary due him or her for any of the remaining portion of the 12-week period in which the absence occurs will be paid at no less than 50% of the employee's regular salary per Article 6.7 above.

If a unit member has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent because of parental leave, the amount deducted from the salary due him or her for any of the remaining portion of the 12-week period in which the absence occurs will be paid at no less than 50% of the employee's regular salary District counterproposal 11-6-17

Note: parental leave pay must be the same method as extended illness leave, per Ed Code 87780.1.

Parental leave must be taken within 12 months of the date of birth/placement of the child. The 12 work weeks do not have to be taken consecutively. The 12 weeks are workweeks, so if a unit member is scheduled to work four days a week, they are entitled to 12 four-day weeks off.

Unit members must have been employed by the District for a period of 12 months prior to taking the leave. The requirement of 12 months of employment is satisfied by completing two consecutive semesters. A unit member shall not be provided more than one 12-workweek period for parental leave during any 12-month period.

If both parents are unit members, both shall be entitled to take this leave.

ARTICLE 7 SAFETY

7.1 General

The District agrees to provide safe conditions under which unit members are required to work. The District agrees to comply with standards prescribed by applicable federal, state, and local laws, regulations, and ordinances affecting the safety of unit members.

The District shall communicate in writing the health and safety procedures of the District to unit members once each fiscal year during the Faculty and Staff Orientation in August or whenever substantial changes are made to said procedures during the fiscal year. Unit members agree to follow all health and safety procedures of the District.

Members of the bargaining unit agree to report any unsafe conditions, in writing, as soon as practical after they become aware of said conditions, to the CHRO and to give recommendations for remediation where appropriate.

The District agrees to respond in writing within five (5) working days to any unit member who makes such a written report of an unsafe working condition. Such response shall explain the District's evaluation of the working condition, the intent and plan for remedy of the unsafe working condition if the District has deemed that such remedy is appropriate, and a general timetable for such remedy. In determining said timetable the severity and potential bodily harm of the unsafe condition shall be of paramount importance. There shall be no reprisals by the District on unit members who report safety concerns.

7.2 Emergency Procedures

The District shall develop policies and procedures for emergency situations. The appropriate procedures for notification and response during emergency conditions shall be communicated to the unit members in written form once each fiscal year during the Faculty and Staff Orientation in August or whenever substantial changes are made to these procedures during the fiscal year.

Members of the bargaining unit agree that in the case of a declared natural disaster emergency which results in the modification of the academic calendar, service days will be adjusted to meet the required student contact hour requirements without additional compensation.

ARTICLE 8 EVALUATION OF UNIT MEMBERS

8.1 General

- 8.1.1** All information is confidential.
- 8.1.2** A pre-evaluation meeting is encouraged but not required.
- 8.1.3** The substance of the evaluation is not subject to grievance, but the evaluation process is.
- 8.1.4** The evaluation team shall consist of two of the three following classifications of employee: appropriate area Vice President, the appropriate Dean, or designated full-time tenured faculty member from the same or a related discipline as the unit member.
- 8.1.5** Each semester the area Dean will forward a list of names of the unit members to be evaluated and the names of the evaluators for each unit member to the office of the area Vice President. Unit members to be evaluated shall be notified at the same time. If one of the evaluators is a full-time faculty member, the unit member shall have one opportunity to reject the selected full timer on the evaluation team.
- 8.1.6** Unit members shall be evaluated during the initial semester of employment and at least once every three years thereafter.
- 8.1.7** If there is a break in service of two academic years, the unit member will be evaluated within the first year of re-employment.

8.2 Evaluation Procedure

- 8.2.1** The content of the forms to be used in the classroom observations shall be appended to this agreement as Exhibit C. Additional ingredients and objectives of the evaluation and the time for the post-evaluation conference may be set at a pre-evaluation conference.
- 8.2.2** If the pre-evaluation conference is requested, the unit member and evaluator must fill out a pre-evaluation form (Exhibit C).
- 8.2.3** The classroom observation will take place within 25 days of the pre-evaluation conference or of the mutual agreement referred to in 8.2.1 above.
- 8.2.4** The length of the classroom observation is to be no less than one 50-minute period but may be lengthened at the discretion of the evaluator. Each evaluator shall conduct one classroom observation in the semester of evaluation. There may be two classroom observations in a semester if an additional observation is mutually agreed to by the unit member and the evaluator(s)

- 8.2.5** The evaluator must complete all forms during or immediately following the classroom observation; notes may be taken during the visit.
- 8.2.6** The evaluator must discuss the evaluation results with the unit member at a post-evaluation conference, which must be held within twenty (20) workdays of the classroom observation.
- 8.2.7** The purpose of the post-evaluation conference shall be for the evaluators and the unit member to review the results of the observation visit(s), to identify and communicate the strengths and weaknesses of the unit member, and to identify and communicate any areas that may be in need of improvement.
- 8.2.8** A copy of the final, signed evaluation forms shall be given to the (part-time teaching) unit member and the original evaluation form will be placed in the unit member's personnel file by 2 weeks prior to the end of the term. The deadline may be extended by mutual consent of the unit member and the evaluator.
- 8.2.9** The District shall supply the student evaluation forms (the same forms used for full-time faculty) which are available on the District website (Attachment C).
- 8.2.10** Student evaluation procedures shall mirror the full-time faculty collective bargaining agreement.
- 8.2.11** In the event the evaluation recommends improvement, no later than 10 days after the post-evaluation conference, the evaluated unit member shall respond in writing to the recommendations. The response shall be filed with the appropriate administrator and also attached to the evaluation paperwork.
- 8.2.12** The evaluators and the unit member shall develop a written plan specifying the requirements for improvement of performance and follow-up. A follow-up evaluation shall be conducted by the same evaluator(s) in the subsequent semester and the unit member drops to the bottom of the seniority list and can only select one (1) class during the semester.
- 8.2.13** If a follow-up evaluation is conducted per 8.1.12 which results in a performance evaluation (Appendix E or F) which is 75% or more rated "less than competent" the unit member will lose their seniority date for scheduling purposes.

The unit member will be reevaluated in each semester they work. Once the Unit Member achieves an evaluation which is more than 75% "less than competent" the original seniority date will be reinstated. If the Unit Member receives two (2) consecutive semesters of 75% "less than competent" evaluations the District will not rehire the Unit Member.

ARTICLE 9 GRIEVANCE PROCEDURES

9.1 Purpose

The purpose of this procedure is to provide an orderly method of resolving grievances, as promptly as possible, that arise under this Agreement.

9.2 Definitions

A "grievance" is a formal, written allegation by a grievant that he or she has been adversely affected by a violation, misapplication, or misinterpretation of a specific provision of this Agreement.

A "grievant" is (1) a member of the bargaining unit, (2) a group of members, or (3) the Association, any one of which alleges a violation, misapplication, or misinterpretation of this Agreement.

A "workday" is any day during which the administrative offices of the District are open for business.

9.3 Rights

9.3.1 Informal Resolution

At any time during this procedure, the parties through mutual agreement may meet informally in an attempt to resolve the grievance.

9.3.2 Representation

At any and all times throughout the grievance process the grievant shall have the right to representation by the Association or by any other representatives of the grievant's choice. A grievant may choose self-representation or representation by the Association.

9.3.3 Timeliness

It is mutually agreed that grievances should be processed as rapidly as possible. Time limits shall begin the day following the filing of the grievance. If a grievance is not processed by the grievant in accordance with the time limits set forth herein, the grievance shall be considered settled on the basis of the last decision rendered. Time limits specified herein may be altered by the mutual, written consent of the parties.

9.3.4 Notification

The Association has the right of notification and participation in all grievances, whether the grievant requests representation by the Association or not, and whether the Association intends to take a stated position with regard to the grievance or not.

When a supervising administrator is notified of the intent by a unit member to resolve a grievable situation at level one, the administrator will contact the

Association president and/or grievance officer with information about the grievance and the Association shall be given the opportunity to attend the level one informal meeting.

The Association has the right to participate in all grievance hearings and will be forwarded copies of all documentation generated through the grievance process levels two through four.

9.3.5 Grievant Release Time

The grievant must be present at all times in conferences held for the purpose of resolving the grievance. Efforts shall be made by all parties to schedule grievance conferences at times that do not conflict with teaching faculty members' teaching schedules. However, upon request the grievant and his/her representative(s) shall be granted District Authorized Leave to present his/her grievance during his/her regularly scheduled hours of work without loss of pay if this is the only time mutually available for grievance processes. Association members serving as representatives or participants in a grievance shall also be granted District Authorized Leave upon request.

9.3.6 Grievance Witnesses

The District shall make available for testimony in connection with the grievance procedure any District employees whose appearance is requested by the grievant. Any employee witnesses required to appear in connection with this article shall be granted District Authorized Leave to present their testimony and shall suffer no loss of pay during the time required for testimony.

9.3.7 Documentation

Forms for grievance proceedings shall be those attached to this document as Exhibit A.

Decisions rendered in writing shall set forth the decision and the reason(s), and the decision will be transmitted promptly.

Any records pertaining to a grievance shall be kept in a District file separate from the grievant's official personnel file. The grievant may examine his/her file at any off-duty time.

9.3.8 No Reprisals

No reprisals of any kind will be taken by the District or by any member or representative of the administration or the Board against any grievant, any party in interest, any bargaining unit member, the Association, or any other participant in the grievance procedure by reason of such participation.

9.4 General Provisions

9.4.1 Group Grievance/Policy Grievance

If the grievance involves employees with different immediate supervisors, or involves District-wide policy, practice misinterpretation of this agreement the grievance may be filed at Level Two.

9.5 Procedure

9.5.1 Level One-Informal

Within thirty (30) workdays after the grievant knew or could reasonably have known of the event or condition upon which the alleged grievance is based, the grievant shall meet with the appropriate supervising administrator to attempt to resolve the alleged grievance. There will be no meetings during school recess periods unless mutually agreed upon by the grievant and the District.

9.5.2 Level Two-Formal

If the alleged grievance is not resolved at the informal level, the grievant may within ten (10) workdays of the informal meeting submit a formal, written grievance to the CHRO.

The written grievance shall set forth in a clear and concise manner the contract provision(s) alleged to have been violated, the circumstances involved, and the specific remedy sought.

Within ten (10) workdays of the filing of the formal, written grievance, the grievant and the CHRO shall meet in an attempt to resolve the alleged grievance. There will be no meetings during school recess periods unless mutually agreed upon by the grievant and the District. The CHRO shall have ten (10) workdays after the formal meeting in which to render a written decision to the grievant.

If the grievance is not resolved at this level, or if the CHRO has not rendered a decision within the ten (10) workday time limit, the grievant may appeal the decision in writing to the Superintendent/President within ten (10) work days of receipt of the written decision or within ten (10) work days of the expiration of the Level Two time limit if no decision has been rendered.

The written appeal to Level Three shall include a copy of the original alleged grievance, the decision rendered at Level Two, if any, and the reasons for the appeal.

9.5.3 Level Three – Superintendent/President

Within ten (10) workdays of the filing of the appeal to Level Three, the grievant and the Superintendent/President shall meet in an attempt to resolve the alleged grievance. There will be no meetings during school recess periods unless mutually agreed upon by the grievant and the District.

The Superintendent/President shall have ten (10) workdays after this meeting in which to render a decision to the grievant. If the grievance is not resolved at this level, or if the Superintendent/President has not rendered a decision within the ten (10) workday time limit, the Association may request advisory arbitration in writing to the Superintendent/President within ten (10) workdays of receipt of the decision or of the expiration of the Level Three time limit if no decision has been rendered.

9.5.4 Advisory Arbitration

Within ten (10) days of such notification, representatives of the District and the Association shall attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator within the specified period, the Association shall request a list of Arbitrators from the State Mediation & Conciliation Service (SMCS). The selection of the arbitrator and the arbitration proceedings shall be conducted under the Voluntary Labor Arbitration Rules of the American Arbitration Association. The Association and District shall each pay one-half (1/2) of any charges required by the SMCS for services rendered.

The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions of the issues submitted. The arbitrator shall be without power or authority to make any decision that requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. However, it is agreed that the arbitrator is empowered to recommend any award, financial reimbursement or other remedies as she/he judges to be proper. The decision of the arbitrator shall be submitted to the Association and the District and will be advisory only. If any question arises as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator only after she/he has had an opportunity to hear the merits of the grievance.

All costs for the services of the arbitrator, including but not limited to, per diem expenses, travel and subsistence expenses, and the cost, if any, of a hearing room and court reporter, shall be borne equally by the District and the Association. All other costs, except for released-time for the grievant(s), Association representative(s), and witnesses, shall be borne by the party incurring them.

9.5.5 Level Four – Board of Trustees

After receipt of the appeal, the matter will be set for hearing at the next regularly scheduled Board of Trustees meeting for which it can be properly placed on the agenda. There will be no meetings during school recess periods unless mutually agreed upon by the grievant and the District. At the discretion of the grievant, the hearing on the appeal may be held either in public or in closed session. The grievant and any representatives shall have the opportunity to testify and present evidence and witnesses at the hearing.

Within ten (10) workdays of this hearing, the Board of Trustees will deliver to the grievant its written decision in regard to the grievance. The decision of the Board shall be final.

ARTICLE 10 WORKLOAD

10.1 Load

The maximum load for unit members in fall and spring semesters is 67% of a full-time faculty member's annual load. There is no maximum load for unit members in winter or summer intersessions.

10.2 General Assignment Procedure

Seniority is determined by original date of hire as part-time faculty, not prior service with the District as full-time faculty, administrators, or classified personnel. If two or more unit members have the same hire date, their seniority placement will be determined by the drawing of lots. If a unit member is not employed for twenty-four (24) months, they shall lose their seniority hire date, and if rehired, their new hire date will be their seniority date.

All unit members in a given discipline will be ranked according to seniority, with the most senior person being granted rank 1, the second most senior person being granted rank 2, and so on. If a unit member possesses qualifications to work in multiple disciplines, the unit member shall notify the Human Resources Department of said qualifications and upon verification be added to the seniority list of the additional disciplines.

Unit members shall be entitled to select classes once class(es) and/or hours have been assigned to Full-Time Faculty for the fall, and/or spring semester, winter intersession and summer session, including load and overload. Unit members will select their assignment prior to full-time faculty receiving assignments above their contractual limits for overload.

The "assignment" date for full-time faculty shall normally be 8 weeks prior the beginning of the fall or spring semester and winter and summer session respectively. If the District makes modifications to the course schedule in a discipline after unit members have selected courses but at least eight (8) weeks before the first day of the semester or session, which results in changes to a unit member's previously selected class schedule, all classes assigned to part-time faculty in that discipline for the semester or session will be re-selected.

If the District adds new classes to the schedule in the period between the eight (8) weeks and one (1) week prior to the start of the semester or session, any new classes will be offered to all qualified faculty in the discipline. All Faculty will be notified via email of the availability of the new class and will have 48 hours to respond via email stating that they are interested in teaching the class. The class will be assigned first to a full-time faculty who responded and then to part-time faculty members in seniority order.

If a class becomes available during the last week prior to the start of any semester or session, the District will contact all faculty, full-time or part-time, who are potentially eligible to teach the class, through email and by phone as soon as the District is aware of

the open course. Unit members who wish to teach the course must respond via email within six (6) hours of the notification, or no later than by 4 p.m. of the same day if notification of the opening was made prior to 10 a.m. The class will be assigned to full-time faculty who responded first and then to part-time faculty members in seniority order.

However, in the event a District initiated action creates the need for a full-time faculty, including new hires, to bump part-time faculty to maintain full-time contract load, the part-time faculty member bumped shall be entitled to bump the least senior part-time unit member. Also, in the event a full-time unit member bumps a part-time to maintain a previously assigned overload due to a District initiated action, the part-time unit member bumped can elect to receive compensation equivalent to that he/she would have received if the unit member had taught the class or bump the least senior part-time unit member who shall, in turn, receive the equivalent compensation for the class from which he/she was bumped.

10.2.1 Course Assignment Procedure

For each fall and spring semester and for the winter intersession and the summer session, the Deans and Department Chairpersons, under the direction of the Vice President for Academic Services and with consultation from Student Services, shall develop the list of projected course offerings, including dates, times, locations, and patterns, in each subject area that best fit the needs of the students.

Department Chairpersons will offer to all qualified unit members in their divisions or departments the opportunity to select course assignment(s) according to the following procedure after full time unit members have selected their assignments, utilizing a priority selection system based upon seniority.

1. The Division Chair or designee shall notify all unit members on their seniority list of the date that the course selection shall begin at least five work days prior to the selection process. The list of courses in the discipline to be offered for that semester or session shall be offered first to the rank 1 member. That member will have the opportunity to select up to the maximum amount of load allowed by law (67% of a full-time faculty load). If the unit member doesn't respond within two business days, they may be skipped for that round of scheduling.
2. The list will then be passed on to all the remaining unit members in order, with each selecting courses as outlined above.
3. Once all the unit members have selected their course(s), the list, if any courses are remaining, will return to the member ranked 1, who will then select one additional course if desired.

4. The rounds will continue in order until all courses are selected or unit members have met the 67% of a full time load legal maximum. If any courses remain unselected, then the Department Chairperson will offer the courses to qualified unit members outside the discipline, if any, and/or new hires.
5. Unit members assigned a course may be bumped by another unit member with more seniority if that unit member was bumped because a full time faculty member needed to make load, but not for overload purposes.

10.2.2 Special Program Course Assignment

Certain academic programs including but not limited to POST and Nursing are overseen by outside agencies that require program instructors have qualifications or certifications beyond the minimum qualifications established for the discipline as a whole. In these programs, the Program Director has the right to assign instructors to each course based upon the unique qualifications for instructors of the course and established by these outside agencies. Only in cases where two or more unit members have the exact same qualifications and experience will the Program Director include seniority as a criterion in course assignment. If the unit member(s) who are not selected for the position request a rationale for the non-selection, it will be provided by the District within 10 working days.

At the beginning of each academic year, the Program Director in each of these programs should provide a detailed listing of the qualifications or certifications required to teach each specific course in these programs so that unit members who may be interested in potentially teaching courses in these programs in the future, may seek to acquire the necessary experience or education to be eligible to teach these courses.

10.3 Non-Teaching Faculty Assignment Procedure

Currently employed unit members in non-teaching assignments shall be offered the maximum amount of hours allowable by law in order of seniority prior to hiring additional non-teaching unit members within their program area.

10.4 Class Size

It is the intent of the parties that present class size quotas for all classes offered within the District shall continue for the duration of this Agreement.

The minimum class size quota for traditionally delivered courses shall be thirty (30) students per class except in cases where student safety or government regulations require a smaller class size. The maximum class size quota shall be forty-five (45) students per class. In all cases, class size quotas for individual courses shall be set based upon appropriate academic needs and through the shared governance processes established by and with the consent of the Academic Senate and the Curriculum Committee.

The minimum and maximum class size quota for online courses shall be based upon appropriate academic needs and through the shared governance processes established by and with the consent of the Academic Senate and the Curriculum Committee.

In order to avoid the cancellation of a class during a given semester or session, a class must achieve an enrollment equal to at least 60% of class size quota or 18 students, whichever is less. The Vice President for Academic Services can waive this requirement upon his/her discretion for reasons including, but not limited to, the following:

1. If a small group of students needs a certain course for graduation or program completion and no substitute course is available;
2. If a new course is inaugurated and it is believed that continuing the course with a small number of students will enhance the potential growth of the course;
3. If a course is offered that is an important part of the curriculum (e.g. part of a Program Pathway) and the instructor's class sizes in other assigned courses are above average;
4. If it is deemed wise to offer special studies, individual studies, and honors courses which naturally have a small class size.

Unit members whose classes are below the maximum class size quota shall add any additional students who apply to add or “crash” the course through the end of the late registration process. Individual unit members may choose to exceed the class size quota in any or all of their classes through the process of adding or “crashing” additional students into the class after the start date of a given semester or session, provided all district procedures and deadlines are followed. Only the instructor of the class can initiate such over-quota adds. Under no circumstances should a unit member add additional students to the course so that the course size at census exceeds 25% over class quota as defined in the course outline of record.

10.5 Large Quota Classes

Upon the approval of the Vice President for Academic Services, certain courses may be designated as large quota classes, and the course enrollment limits during the computer pre-registration period shall reflect such large quota designation.

Divisions and departments will determine which, if any, courses within their curriculum are appropriate for potential large quota enrollment based upon academic, practical, and/or legal considerations. They will indicate the appropriateness of a given course for large quota enrollment on the official course outline of record. The approval of this change to the official course outline of record must follow the established practices and procedures of the Curriculum Committee. The Vice President for Academic Services, along with the appropriate Department Chairpersons and Deans, shall be responsible for ensuring that the individual classes designated in any given semester for large quota enrollment are those that have been approved as such on the official course outline of record.

Instructors who agree to teach a large quota class will be entitled to extra financial compensation based upon the following formula:

Quota to 25% over quota	No additional compensation
26% to 50% over quota	Additional compensation equal to one-third of the hourly rate for the course
51% to 75 % over quota	Additional compensation equal to two-thirds of the hourly rate for the course
76% to 100% over quota	Additional compensation equal to the full hourly rate for the course

Without exception, enrollment in a course shall not exceed 100% over course quota. The compensation formula will be based upon the verified total enrollment in the course as per the official census count as determined by the office of Admissions and Records. Any instructor who is found to have intentionally inflated the census count by not eliminating non-attending students will receive no additional compensation.

On or after the first day of the semester, if sufficient student need exists, the Vice President for Academic Services in consultation with the appropriate deans or department chairs and affected unit members, may designate additional courses as large quota classes, and instructors may then initiate over-quota adds to achieve additional compensation.

Under no circumstances will an instructor add students to a course if there is insufficient physical space to accommodate the students, the increased enrollment exceeds the maximum allowable occupancy of the room as established by the appropriate governmental agency, there are insufficient student desks to accommodate all the students, or adding additional students would create an unsafe condition for the students.

All unit members who are qualified to teach a class that has been approved for large quota must be given the opportunity to do so upon their request and if sufficient classroom space is available. Priority for approval of requests to teach large quota courses will be given based upon a revolving seniority system, where the most senior qualified member will have the first priority, but will move to the bottom of the priority list for the subsequent semester and will only come back up to first priority after all other qualified members have had the opportunity, whether they exercised it or not, to teach a large quota class.

10.6 Combined Course Sections

Upon the approval of the Vice President for Academic Services, or designee, multiple sections of the same course may be assigned for lecture purposes in the large lecture halls (aka Combined Course Sections). Unit members teaching these combined sections will receive the same compensation as they would have had the sections been offered in

separate classrooms. If the second or third section does not meet at least the minimum of eighteen (18) students as of census, that additional section will be cancelled and the instructor will receive a stipend using the compensation formula in Article 10.5. Under no circumstance shall an instructor teach in excess of 67% of a full-time faculty load.

10.7 Final Grades

Unit members are required to submit final grades and all accompanying documentation for each semester and session in a timely and accurate manner following the procedures established by the Vice President for Academic Services. Unit members must submit all grades by 5:00 p.m. on the fourth workday excluding weekends and holidays, following the last day of the semester, short-term class, session, or course, whichever occurs sooner, unless the member has been granted an extension by the Vice President for Academic Services or the grade submission deadline is extended by the Vice President for Academic Services.

10.8 Office Hours

Effective Spring 2018, Unit members with teaching assignments in Fall or Spring semesters will be paid for office hours served in order to support student success. Performance of office hours are optional and must be pre-approved by the appropriate Dean or Vice President. Office hours will not be rejected without good cause in writing.

Number of Units Teaching	Number of Paid Office Hours per Week
2.99 or less	.5
3-6	1
6.01 or more	2

Office hours are compensated at half of the current hourly rate. Unit members must submit an office hour service form monthly in order to be paid.

Office hours can be held either online, via social media, or in a traditional face to face meeting on campus which best meet the needs of the students. At least 50% of the approved office hours must be held on campus. If office hours are held online or via social media, unit members are expected to be available to respond to students through email, a discussion board, chat board, or other means of communication, as appropriate. Unit members should respond in a timely manner to all student inquiries during the work week. A unit member will make every effort to meet with a student who requests a meeting by appointment if the student is unable to meet during regular scheduled office hours.

Unit member contact information, preferred method of contact, and scheduled office hours must be included in the course syllabus. In the event it is necessary to make long-term or permanent changes in scheduled office hours at any time during the semester, the unit member shall notify students and make corrections on the submitted schedule and notify in writing the appropriate Department Chairperson, Dean, and the Vice President for Academic Services. The unit member shall notify students of temporary changes of short duration, and the division secretary shall be notified.

10.9 District Committees

There will be a Part-Time Faculty seat on the following District committees, to include any related subcommittees:

1. Academic Senate
2. Professional Development Committee
3. Distance Education

Services on additional committees will be at the discretion of the District. Unit members will be compensated at their hourly rate for participation in these committees.

As office hours were not able to be implemented in Fall 2017, each unit member who was employed during Fall 2017 will receive a one-time off schedule bonus of 2% on base salary earned during Fall 2017.

ARTICLE 11 DISCIPLINE

11.1 General

The parties recognize that unit members do not accrue permanency under California law. Unit members not hired at the start of a semester shall not be considered to have been dismissed.

Unit members may receive disciplinary notice, at various levels, for any reason that the supervisor and District find appropriate. However, dismissal after the start of a semester or session should occur for one of the following causes:

- Immoral or unprofessional conduct.
- Dishonesty.
- Unsatisfactory performance.
- Evident unfitness for service.
- Physical or mental condition that makes him or her unfit to instruct or associate with students.
- Persistent violation of, or refusal to obey, the school laws of the state or reasonable regulations prescribed for the government of the community colleges by the board of governors or by the governing board of the community college district employing him or her.
- Conviction of a felony or of any crime involving moral turpitude.
- Conduct specified in Section 1028 of Government Code.

11.2 Progressive Discipline

Although any of the following may be issued based on the type of issue(s) and determined severity, disciplinary action generally follows the process below:

Step 1: Written Warning

Step 2: Suspension (either with or without pay)

Step 3: Dismissal

At any step during a disciplinary action meeting, the unit member may request that a representative of the Association be present or the unit member may choose to employ legal counsel on his/her behalf, at his/her own cost.

At steps 2 or 3 the unit member may choose to respond in writing to the accusation and have such response attached to the District's paperwork.

Unit member shall be provided copies of all relevant information/paperwork upon which the decision to suspend or dismiss was reached in order to prepare a response in his/her defense. A unit member may request (in writing) to meet with the CHRO to present their defense (including evidence), who shall arrange for a meeting within fifteen (15) work days of the disciplinary issuance. The CHRO shall make a final written determination based on all evidence provided and notify the unit member of that determination with five (5) work days

The CHRO shall make a final written determination based on all evidence provided and notify the unit member of that determination with five (5) work days of such meeting. If the unit member believes that the process has been violated, they may pursue a grievance.

Disciplinary action may result in a loss of seniority placement or contract non-renewal depending on the severity or pervasiveness of the infraction(s).

Disciplinary action for unsatisfactory performance must include the most recent evaluation or documentation of the unsatisfactory performance. Unit members will have an opportunity to correct the unsatisfactory performance prior to a loss of seniority placement or non-renewal of contract.

Disciplinary action which leads to a loss of seniority placement or non-renewal may be appealed to the appropriate Vice President within 15 work days of the notification of loss of seniority placement or non-renewal of contract. If the unit member believes that the process has been violated, they may pursue a grievance.

ARTICLE 12 COMPLAINTS

Complaints involving charges of harassment, crime (whether misdemeanor or felony), or charges of discrimination are explicitly excluded from consideration under this Article. Such charges shall be pursued under appropriate laws, policies and procedures.

If a unit member has a complaint about another unit member or another employee of the District, they shall use the Employee Conflict Resolution process outlined on the District website. An example of an Employee Conflict Resolution Form is attached as Exhibit B.

If a student files a written complaint against a unit member as outlined in the General Catalog under “Imperial Valley College Student Complaint Policy” the unit member shall be given a copy of the written complaint by the District prior to any interview or discussion about the complaint with the unit member.

3. If office-hours are mandated for unit members, they shall be paid at the hourly rate of \$46.00 per hour.
4. As the procedures at both prisons require the passing through of many check points, handling of keys, and picking up and returning emergency signal devices, as well as the picking up of and returning of the facility's "chit" at a separate location from the classroom, all of which take additional time beyond the normal classroom prep and beyond the normal arrival/departure time for typical teaching duties, the faculty member will be compensated for an amount equal to one half hour of the contract hourly rate regardless of the actual time taken. The unit member shall keep track of this extra time during the semester and submit documentation to the District at the end of each month for an extra duty payment.
5. Prior to beginning their assignments, all unit members who have chosen to provide services at the prisons will be required to participate in training conducted by the CDCR, and will be compensated by the District at the current overload rate for such training.
6. Unit members who provide services are required to comply with established laws, regulations, and rules governing Centinela and Calipatria State Prisons including those set forth by the Department of Corrections. This includes

- fingerprinting, background checks, and limitations on the types of materials that can be brought into the prisons.
7. Evaluations completed or conducted by prison staff of the faculty member are for the use of that specific facility and will not be used for regular District evaluations of the unit member's performance.
 8. Prison officials reserve the right to terminate a unit member's service at any time during a teaching or non-teaching assignment if the unit member is found to be in violation of prison rules and regulations, or if services are not being provided in a manner appropriate to the incarcerated student population. Only in such cases where the cause for termination of services also violates District policies and procedures could such assignment termination be grounds for District employee discipline procedures. The unit member will be paid only for services that were provided prior to the termination.
 9. In the unlikely event of a lockdown or other similar situation requiring the teaching unit member to remain at the prison facility beyond the time allotted to the class session, the unit member will be compensated by the District for the additional time at the relevant hourly rate associated with the activity causing the unit member's presence at the facility. The unit member shall keep track of any such extra time during the semester and submit the documentation to the District at the end of each month for an extra duty payment.
 10. Unit members who provide services, as outlined in the MOU signed by the District and CDCR, and who are required to stay at the prisons for a period of time beyond that required for class room instruction or scheduled office hours due to CDCR security concerns shall be paid at the relevant hourly rate associated with the activity causing the unit member's presence at the facility. The unit member shall keep track of any such extra time during the semester and submit the documentation to the District at the end of each month for an extra duty payment.
 11. Due to the unique requirements of this program and the voluntary participation in this program by unit members, the normal course assignment procedures, including seniority selection of classes will not apply. If there is more than one unit member within a teaching discipline or counseling area who have qualified to provide services at a prison site, then assignment will be based upon seniority. Full time faculty who qualify to provide services at the prison and wish to do so, will have priority over part time faculty for assignments.
 12. Unit members, who are required to travel between Imperial Valley College and either prison to teach class or provide services, will be reimbursed at the current IRS mileage rate for services rendered at Centinela State Prison and/or at Calipatria State Prison. A unit member who travels only between their home and a prison site will not be entitled to reimbursement for their mileage. The unit

member will keep a trip log with dates and mileage, supported by documentation, which will be turned in at the end of each month for mileage reimbursement.

13. All other provisions of the Association contract not modified herein remain in force and are applicable to the unit member's assignment at the prison.

This MOU represents a collectively bargained agreement between representatives from Association and the District, both of whom have the proper authority to enter into a binding agreement subject to ratification by the bargaining unit membership and the Governing Board. This MOU will be attached as an appendix to the parties' collective bargaining agreement.
