

APPLIED SCIENCES EXPO ATTRACT HUNDREDS

Anyone on the north side of the campus between 10 a.m. and 1 p.m. April 18 couldn't help but notice the hundreds of K-12 students who flooded into the area between the 2700 building and Health Technologies building during our Annual Applied Sciences Expo.

A big thanks to Patty Robles, Joe Espinoza, Dean Efrain Silva and all staff members who helped coordinate and develop displays for the Expo.

Participants received information regarding careers and jobs in certain businesses, industry, and government career clusters and discussed careers with representatives from business, industry, labor unions, public safety and government.

AROUND CAMPUS

Our CTE video that stars ASG President Lisa Tylenda has won an award from the California Community College Public Relations Organization. The video took a third place in competition that was judged by several Emmy award winning producers/editors. Congratulations to Bill Gay for the concept, scripting and production coordination, Spectrum Advertising for the shooting and editing and of course, Lisa who really made the video the success it is! In case you haven't seen it yet click on the image at the left.

- As we wrap up our K12 tours Friday (April 26), we will have given tours to 1,254 elementary age students. This foundation effort has been an excellent program for IVC.
