## STATE UPDATE

### **Baccalaureate Degrees & University Partnerships**

- SB 577 (Dodd): California Community College Teacher Credentialing Partnership Pilot Program.
- Summary: This bill establishes the CCC Teacher Credentialing Partnership Pilot Program, which will award up to three grants (\$500,000 each) to partnerships that consist of an accredited teacher-credentialing and degree-granting California institution of higher education and at least one community college, for the purpose of offering teacher credential coursework remotely at participating community college(s).
- SB 1406 (Hill): Community College Districts: Baccalaureate Degree Pilot Program.
- Summary: This bill requires that a student participating in a baccalaureate degree pilot program commence his or her degree program by the beginning of the 2022-23 academic year. The bill also extends the inoperative and repeal dates for the authorization to establish pilot baccalaureate degree programs by three years and requires the Legislative Analyst's Office to report the results of the final evaluation of the pilot program on or before July 1, 2021.

### **Protections for California's Immigrants**

- SB 183 (Lara): Educational Equity Immigration Status - Summary: Prohibits colleges from discriminating against students based on their immigration status.

### **Access/Assessment**

- AB 1805 (Irwin): Student Equity and Achievement Program
- Summary: This bill states that in order to receive funding pursuant to the Student Equity and Achievement Program, a community college is required to inform students of their rights to access transfer-level coursework and academic credit English as a second language coursework, and of the multiple measures placement policies developed by the community college; and annually report and publicly post its placement policies and results
- AB 3101 (Carrillo): Community Colleges Application: CCCApply
- Summary: This bill would require the Chancellor of the California Community Colleges, on or before July 31, 2019, to revise the California community college online application process so that only data that is required by the federal government, state law, or that is otherwise necessary is collected during the process. The bill would authorize the chancellor, to the extent that data can be collected from the student at a later time, to delay the collection of that data until after the student has applied to a community college. The bill would exempt a student seeking to enroll exclusively in career development and college preparation courses, and other courses for which no credit is given, at a community college from community college residency classification requirements.

## STATE UPDATES CONT.

### Affordability/Basic Needs

- AB 1858 (Calderon): Student Financial Aid, Financial Aid Shopping Sheet - Summary: requires all public and private colleges to use the financial aid shopping sheet as developed by the United States Department Of Education or a successor document identified by the student aid commission to inform students or potential students about financial aid award packages by 2020.
- AB 2248 (McCarty): Student Financial Aid, Cal Grant Program - Summary: this bill requires the California Student Aid Commission and all Cal Grant qualifying institutions to notify recipients of Cal Grants that students must take at least 15 units a semester in order to graduate in four years. Each college is required to notify the student in writing at their orientation, when they receive financial aid and in the class registration portal.
- Implications: requires colleges to notify students in writing at their orientation and in their online registration portal that students must take 15 units a semester to graduate in four years.
