

PROGRAM PATHWAY

Alternative Energy – Solar Technology Certificate

Disclaimer

*All students should see a counselor for a customized Student Education Plan (SEP) before enrolling in college courses. The SEP provides students with individually appropriate course recommendations and planning by taking into account each student’s assessment results and course completion history.

Certificate of Achievement

Certificate programs are designed for students with personal or occupational goals who wish early employment.

Certificate Course Sequence

The schedule below is based on a fall semester start and completion of appropriate prerequisites.
