The 1st S.T.E.P. Program is an early access program for first-time IVC students. The required services are designed to help them understand the college culture and introduce them to some of the services necessary to succeed in college. Students who complete **all four** components of the 1st STEP Program will receive advanced enrollment priority for Spring and Summer terms. **Incomplete applications will not be processed.**

STEP 1: COMPLETE PLACEMENT TESTS

Take the IVC Assessments in reading, writing and math. It is **strongly** recommended that you complete your placement tests prior to seeing a counselor.

Verified by Assessment/Counseling Staff

STEP 2: IVC COUNSELING APPOINTMENT

See an IVC Counselor for course recommendations
