DID YOU KNOW?

Important IVC Student Information for the Fall 2012 Semester

- **Drop for non-payment of fees** - once you begin the enrollment process, you have 5 business days to pay all related fees or you will be dropped from your classes. This includes enrollment fees, health fee, and the student representation fee. Please check your IVC student account to make sure all your fees have been paid or you may be dropped. Once all fees have been paid, you will again be eligible to register for any open classes.
- **Students on Academic Probation (less the 2.0 GPA and/or 50% completion rate), will be moved to the final priority group and limited to 8 units during priority registration.** To enroll in over 8 units you must wait until all other students have registered.
- **WaitLists are again in place for Fall 2012 however they are used prior to the start of the semester only.** After the term begins, crashing replaces the waitlist for entry into a course. Remember, the instructor has the option of accepting crashers or not.
- **Your student e-mail account is extremely important** – please check it regularly. All communications regarding waitlists, drop for non-payment, probations status, etc., will be sent to your IVC student e-mail account. Check it regularly and often.
- **Students can now access DegreeWorks from home and/or computer lab.** DegreeWorks will provide you with an educational plan that determines which classes you may still need to take in order to graduate and/or transfer. Visit the Student Services Computer lab today to learn more about this very useful tool for students.
- **Apply for Financial Aid ASAP** – assistance with fee waivers, book vouchers, and other educational expenses is available, but only if you have completed the FAFSA and all related IVC requirements. You must complete your FAFSA and submit ALL required documents 6-8 weeks prior to the beginning of the Fall term to determine Fee waiver and book voucher eligibility.
- **Beginning with the Summer 2012 term, students may only enroll in a class three times, after which any future attempts to enroll will be blocked.** This includes all enrollments with W's or substandard grades (F or D).
- **Need a transcript?** Go to www.imperial.edu/docufide, this site now processes all transcripts requests for IVC.
- **Need enrollment verification?** Go to www.enrollmentverify.org, this site now handles all enrollment verification requests for IVC.

ADMISSION AND REGISTRATION

HELP YOURSELF - READ ALL THESE PAGES BEFORE REGISTERING

Anyone who is a high school graduate, or who is 18 years of age or older and no longer enrolled in high school, is welcome to enroll in Imperial Valley College (IVC). Select high school students who excel in academic areas and are seeking advanced education also may be allowed to enroll.

FOLLOW THESE 7 E-Z STEPS

1. Students who were enrolled past the first 2 weeks of classes in Fall 2011 and Spring 2012 do not need to apply and should skip to Step # 2. **Students who have not attended IVC before or who did not attend one or more of these terms, must first apply for admission.** Go to the IVC homepage at <http://www.imperial.edu> and click on *Apply Now*.

After your online application is received and processed (applications uploaded every hour), an e-mail will be sent to your IVC email address informing you of your admission status or requesting additional information, if needed.

Foreign students who wish to attend on an F-1 student visa also must submit a completed foreign student application packet in addition to the online application. Contact the Admissions and Records Office or go to <http://www.imperial.edu>, click on *For Students and select Admissions & Records*. The application for International Students can be found under *Forms*.

Students who will still be in high school in Fall 2012 also must submit a *Special Student Application for 11-12 Concurrent Enrollment*. A link to the application packet is provided on the IVC web page at www.imperial.edu. Click on *For Students and select Admissions & Records from the drop down menu*. The Application for High School Concurrent Enrollment can be found under *Forms*. You may also obtain a copy from the IVC Admissions and Records Office or the counseling office of your local high school. Requirements for admission and deadlines are included in the application packet.
2. **Apply for financial aid if you wish to do so.** Many programs are available to help with your educational expenses. Visit the Financial Aid Office in Building 100 or call (760)355-6266 for more information. Staff will be happy to assist you.
3. **If you have attended another college or university, have your official transcript(s) sent to IVC:** Office of Admissions and Records, Imperial Valley College, P.O. Box 158, Imperial, CA 92251-0158. To be official, transcripts must be in unopened sealed envelopes from the reporting institution. If you have taken courses at other institutions which might meet prerequisite requirements, it is crucial you have your transcripts sent immediately. For complete information on transfer of credit to IVC from other colleges or universities please refer to the later section entitled *Transfer Credit*.
4. **Take the IVC assessment tests.** If you plan to take English or math courses, and have not completed course work in those subjects at IVC or another college, before registering you should take the assessment tests in reading, writing, and math. Contact the Assessment Center at (760)355-6447 or visit the IVC Web page at www.imperial.edu and select *For Students* on the top menu bar, then *Student Services* on the left, and then *Assessment Center* also on the left.
5. **Meet with a Counselor** for help in selecting classes to reach your goals. To make an appointment call (760)355-6246. If possible, take copies of your high school and other college transcripts with you.
6. **Register (sign up) for classes** – see following sections to determine when and how to register.
7. **Pay Fees** – see section on *Student Fees*.

WebSTAR - Student*Teacher*Automated*Resources

Application for admission and registration for classes is done online over the internet. Registration is done through WebSTAR which is available seven days a week. You may use any computer with an internet connection.

Computers are available for student use on main campus in the Enrollment Services Lab room 1601 or the Library Media Center. When possible, computers in labs also will be available. Employees are available to help students in the Enrollment Services Lab.

REGISTRATION (Signing Up for Classes)

Registration is via the internet using WebSTAR except for students who will still be in high school.

Read E-Z Step number 1 on the previous page to determine if you need to complete the online application before signing up for classes.

Refer to the page at the beginning of this booklet entitled *Important Dates and Deadlines* to determine when registration begins and ends. Register as early as possible to have the best chance of getting the classes you want at the times you wish to take them.

CAUTION: **Do not wait until deadline dates to register, add or drop classes.** If you have any problems, you will need time to resolve them. Some deadline dates may fall on days when the College is closed. Staff members are available only during working hours. If you wait until the last minute to attempt to add or drop, you may not be able to get the help you need and will not be able to successfully complete your transaction.

For instructions on when and how to register read the following sections on: *Plan Your Schedule of Classes; Priority Registration Assignments; Register or Add Classes.*

ALWAYS verify you completed the process correctly after doing any registration transactions (initial registration, adding, or dropping) by **reviewing and printing your schedule**. See the later section on *Review and/or Print Your Schedule*. Then review your fees (see later section on *Review Fees*).

PLAN YOUR SCHEDULE OF CLASSES

Pay close attention to when and where the classes meet. When selecting classes using WebSTAR, use the following key for class meeting days:

M = Monday T = Tuesday W = Wednesday R = Thursday F = Friday S = Saturday U = Sunday

Examples: MTWR = class meets on Monday, Tuesday, Wednesday and Thursday
 MW = class meets on Monday and Wednesday
 TR = class meets on Tuesday and Thursday

Some classes are offered off campus. The six-digit building and room number follow the name of the instructor in the printed Class Schedule. The first three digits are the building and the last three are the room number. For example, 200-203 is Building #200, room 203. Refer to the page containing location codes before the listing of classes for off-campus designations. Most off-campus locations will have alphabetical abbreviations before the room number. For instance, SHS-C-10 is Southwest High School, room C-10.

Not all classes are offered for the full semester. In this Class Schedule, start and end dates are indicated below class sections that meet for less than the full term. Each short-term class has an individual set of deadline dates to add, drop, be eligible for a refund, etc. Check with the Admissions and Records Office for deadline dates.

By California State law, **you will not be allowed to register for courses that have any overlap of time, or for two classes with the ending time of one being the starting time of the other.** Exceptions will not be made. Plan your schedule so you have enough time between classes to get to the next one. If it meets on a different campus, you will need to allow travel time. Leaving class early or arriving late is not acceptable.

The **maximum number of units for which students may register** is 19 in Fall and Spring, and 9 in Summer. Exceptions might be made for students who have a cumulative GPA of 2.50 or higher and special circumstances. See the Counseling Center. A normal class load in the Fall and Spring Semesters is considered to be 12-18 units plus a PE activity class. Students working full time are encouraged to carry a reduced load.

Once students have completed a proficiency in a subject area with a C or higher grade, they may not take a lower proficiency level in that subject area. For example: A student may not enroll in English 099 after having successfully completed English 101. (This does not apply to vocational refresher courses.)

Prerequisites are requirements that must be met before courses may be taken. **Corequisites** require that two courses be taken in the same semester. **Recommended preparation** is strongly recommended by the faculty for the student to have a good chance of successfully completing the course. All such requirements are listed under the course title in this Class Schedule and the Catalog. **Prerequisite requirements** must be completed with a C grade or higher. *(Continued on next page.)*

Course Reference Numbers (CRN) are required for each course for which you wish to register. If using the printed Class Schedule, the five-digit number is listed before the time each class section meets. **Use this worksheet to plan your classes:**

CRN <i>Numero de Codigo</i>					Course <i>Curso</i>	Units <i>Unidades</i>	Days <i>Dias</i>	Time <i>Hora</i>	Alternate Section <i>Seccion Alternativa</i>				

PRIORITY REGISTRATION ASSIGNMENTS

Priority registration is available to continuing or former IVC students; assignments are based on the number of total units you have earned at IVC and at any other colleges from which we have received official transcripts and calculated total lower division transfer units (individual course evaluations may not be done yet). Re-enrolling students have the same assignment they would have had if they had not interrupted their enrollment. Students who have not attended IVC previously after leaving high school are considered “new” students and are not eligible for priority registration their first semester. For the date new students may begin registering, please refer to the bottom of the following page entitled *Priority Registration Times*.

How to determine your priority registration time:

- You probably already know if you are an official participant in the Disabled Student Programs and Services (DSP&S), Associated Student Government (ASG), Athletic Program, ASPIRE, or Extended Opportunity Programs and Services (EOPS). If you are uncertain, contact:

DSP&S	2100 Building	(760)355-6312 TDD (760)355-4174
ASG, Student Affairs Office	1000 Building	(760)355-6455
Athletic Office	Gym	(760)355-6235
ASPIRE	Transfer Center, 100 Building Student Services Specialist in Admissions and Records, Administration Building	(760)355-6274 <u>or</u> (760)355-6206
EOPS	100 Building	(760)355-6407
- Armed Forces: Current or former members of the Air Force, Army, Coast Guard, Marine Corps, National Guard, or Navy are eligible for the first priority group. A request form must be completed one time only and documentation provided (military ID card for current members, DD214 for former members). Contact the Admissions and Records office on the main campus in the Administration Building #10.
- Foster Youth: Current or former Foster Youth are eligible for the first priority group. A request form must be completed one time only and documentation provided verifying former or current Foster Youth status. Contact the Admissions & Records Office in the Administration Building #10.
- If you are not a member of one of these special programs and are currently attending IVC or have previously attended after leaving high school, you are a “Current or Former” student.
- Determine how many total units you have earned at IVC and other colleges/universities from which official transcripts have been received and evaluated. Transfer units will include lower division course work only that transfers to IVC. Upper division credit units earned at four-year colleges/universities will not transfer to IVC and will not count toward your priority. Former and continuing students may determine their total by going to the Student Portal and after signing in, clicking on the following selections: WebSTAR, Student Services & Financial Aid, Student Records, Academic Transcript. Transcript Level should be *All Levels*; Transcript Type should be *Web Transcript*. Click on “Submit.” Your transcript will be displayed semester by semester. Scroll to the end and under “Earned Hours” review the overall total.
- Find your registration day and time on the following *Priority Registration Times* chart.

PRIORITY REGISTRATION TIMES - FALL 2012

PLEASE NOTE: You may begin the registration process at the time of your priority assignment or later. Students may register for up to 16 units during priority registration except probation students who may only register for 8 units. Additional units may be added up to 19 units during Open Registration (Monday, August 6).

Most Common Error Messages:

DUPL EQUIV WITH SEC-....: You are attempting to register for more than one section of the same course, or for two cross-listed courses such as AG 110 and ENVS 110.

MAXIMUM HOURS EXCEEDED: You are attempting to register for more than the number of maximum units allowed: 19 for Fall or Spring Semester, 9 for Summer term.

PREQ and TEST SCORE ERROR: You are attempting to register for a course for which you have not met the prerequisite through course work completed at IVC, or accepted in transfer from another college or university (to be evaluated, transcripts must be on file in the Admissions and Records Office). Prerequisite requirements are listed under each course in the Class Schedule and catalog. You may not register for a course for which you do not meet the requirement. Grades of C or higher are required for meeting prerequisites unless otherwise noted.

REPEAT COUNT EXCEEDS...: See later section in this Class Schedule on *Repeating Courses*.

TIME CONFLICT WITH...: You are attempting to register for two classes that have an overlap of time or when one ends at the same time as another begins. Registration for both classes is not possible. No exceptions will be made.

FILLED CLASSES

When classes are filled, a “C” will appear in place of the selection box in front of the class under the *Class Search* function of WebSTAR. If you attempt to register for a course and the maximum number of seats are already taken, you will receive a message telling you the class is filled. We suggest the following:

1. Go for the sure thing and try to find another class section of the course that still has seats available. Under the “Class Search” function, input the “Subject” and “Course Number” (for example, Art 160). Click on “Class Search” at the bottom of the page and all class sections of the course offered will be displayed. Note the following headings:

- Cap** – the total capacity of the class; number of total seats possible.
- Act** – number of students actively registered at this time
- Rem** – number of seats remaining

Select a class section with seats remaining. If no section with seats remaining is available and classes have not yet started, continue to check online to see if seats have opened up because students have dropped.

2. As of the Spring 2012 semester students who attempt to register in a class that is closed may now select the option to have his/her name placed on a Wait List. **(Instructions on the next page.)**
3. As a last resort, attend the first class meeting to attempt to receive the instructor’s permission to enroll. If successful, you will be issued an add authorization code by the instructor. Go online immediately and use that code to register.

WAIT LIST PROCEDURES

Students who attempt to register in a class that is closed may select the option to have his/her name placed on a Wait List. **Students cannot be added to a wait list IF:** (1) it is prior to a student's registration appointment; or (2) the student is already enrolled, or on a wait list for another section of the same class; or (3) the wait list is full; or (4) the class has started.

Students are added to the wait list for a class on a first-come, first-served basis. As seats become available, students are given the option via email to add the class in which they are wait-listed.

INSTRUCTIONS:

1. See the earlier sections on *Signing On To WebSTAR and Register*.
2. To determine if there are Wait List slots available for a class go to *Look Up Classes to Add*. Select the term and click Submit, Select the Subject and enter the course number (example: select English and 101 for course number). Look at the Wait List numbers under the WL columns. Scroll down and click register.
3. Input the CRN of the class you wish to Wait List.
4. Click on **Submit Changes**.
5. Click on the *Action Box* and select Wait Listed. (Note under Status it will list how many students are on the Wait List.)
6. Click on **Submit Changes**.
7. You will receive an email through your IVC email address if you clear a Wait List and are able to register for the class. Check your emails **daily** as you will only have **24 hours to register** for the class once you clear the Wait List.
8. To drop a Wait Listed class go to the *Add/Drop Classes* section. Click on the *Action Box* and select *Drop No "W" with a refund*.
9. Click on **Submit Changes**.

Students will not be added to a class IF: (1) the class will cause a time conflict with another class on the student schedule; or (2) the class will cause the student to go over the maximum number of units allowed; or (3) another section of the same course is already on the student schedule; or (4) the student has a HOLD which prohibits registration. The student will be billed immediately once the student has been successfully moved from the wait list into the class and an email notice will be sent to the IVC student email address. Students are responsible for all fees generated from added classes.

The Wait List is only active up to the first day of the semester, after this point an Add Authorization Code from the instructor is required.

ADD AUTHORIZATION CODES

An Add Authorization code is required to register beginning on the first day a class meets whether it is filled or open. Codes may not be input (used) until the first day the class meets.

Add authorization codes are four-digit numerical codes available only from the instructor of the individual class section. Each code may be used by one student only to register for that specific class. Students should attend the first class meeting to request a code. If one is granted, **the student to whom it is assigned must input it in WebSTAR to register. Use of Add Authorization code by any other student will be grounds for disciplinary action.** Use the code as soon as you obtain it; do not wait until the last day to register. If you encounter a problem, you may not be able to resolve it before the deadline. **ABSOLUTE DEADLINE FOR FULL-TERM CLASSES: Saturday, September 1.**

INSTRUCTIONS:

1. See the earlier sections on *Signing On To WebSTAR and Register or Add Classes* for step-by-step instructions for using WebSTAR. **(Continued on next page.)**

2. Input the CRN of the class for which you wish to register or add to your schedule. If this is a class you have Wait Listed click on the Action Box and select **Registered via Web**.
3. Click on *Submit Changes*.
4. You will then receive a message that the course status is *INCOMPLETE* with a box in which you must input the Add Auth Code. Type it in the box provided.
5. **Click on *Validate***. The code will be checked to make sure it is assigned to the class CRN. If okay, *APPROVED* or *VALIDATED* will appear in the space under “Status.” **YOUR REGISTRATION IS NOT COMPLETE.**
6. **Click on *Submit Changes*. If no other errors appear, “Registered via Web” will appear under “Status.”**
7. Verify you completed the process correctly by reviewing your schedule. See the later section on *Review and/or Print Your Schedule*.
8. Review your fees. See later section on *Review Fees*.

DROPPING CLASSES

Maintain control of your own records. As soon as you know you will not be attending a class, DROP IT by using WebSTAR. **You will receive grades of F for courses you are no longer attending and have not dropped and those grades will remain on your transcript forever.**

Give your fellow students a break. Others may be trying to register for a class you know you will not be attending; drop it so they may be able to take it.

DO NOT RELY ON ANYONE ELSE; PROTECT YOUR RECORDS. Instructors MAY drop for nonattendance, but many do not. You are responsible for all classes for which you register. Do not assume you will be dropped for nonattendance. The failing grades you receive will not be changed because you quit attending. **The following deadlines are for full-term classes. Short-term classes have unique deadlines – contact the Admissions and Records Office.**

Deadline to drop without owing fees and/or be eligible for a refund	Saturday, September 1
Deadline to drop course without it appearing on your transcript (without W)	Monday, September 3
Deadline to drop full-term course	Saturday, November 10

CAUTION: **Do Not Wait** until these deadlines to drop. Some fall on days when the College is closed. If you have problems, no one will be available to assist and exceptions will not be made because you did not drop on time.

WebSTAR Instructions:

1. Follow the instructions for “Register or Add Classes” until you reach the *Add/Drop Classes* screen.
2. Click on the arrow in the *Action* box of the class you wish to drop. The drop status possible for the course at the time you are attempting to drop will be displayed. Click on that status.
3. Click on *Submit Changes*.
4. Verify you completed the process correctly by reviewing your schedule. See the later section on *Review and/or Print Your Schedule*.
5. Review your fees. See later section on *Review Fees*.

CHANGE GRADING OPTIONS

If you have registered for a course which allows you to select either the standard letter grading option P/NP, on your current schedule in WebSTAR on the *Add/Drop Classes* screen “Standard Letter” will be underlined in the Grade Mode column. If you wish to change to P/NP grading, click on the underlined word. You will be taken to the *Change Class Options* screen. A drop-down box will appear in the Grade Mode box under the course. Click on the arrow in the drop-down box and select Pass/No Pass. You may also get to this screen by selecting *Student Services & Financial Aid, Registration, Change Class Options*. **(Continued on next page.)**

All changes in grading options for full-term courses must be done no later than **Saturday, September 1**. The deadline for short-term courses is the same deadline as to register for the class. Contact the Admissions and Records Office for a specific course deadline.

CHANGE VARIABLE UNITS

Some courses may be taken for an optional number of units, with a specific number of hours of participation required to earn the number of units for which you are registered. An example is WE 210, General Work Experience. If you have registered for a variable unit course, on your current schedule on the *Add/Drop Classes* screen the number of units under the *Cred* column will be underlined. If you wish to change the number of units, click on the underlined units. You will be taken to the *Change Class Options* screen. A box will appear around the units under the course. Input the number of units you wish to change to in the box. You may also get to this screen by selecting *Student Services & Financial Aid, Registration, Change Class Options*.

If you are uncertain how many units you wish when you register, you should select the smallest number of units. If you register for more units than you are able to complete required hours, you will receive a grade of NP. After meeting with the instructor, you may change the number of units. **The deadline to change is the same deadline as to register for the class.**

VIEW AND UPDATE ADDRESSES AND/OR TELEPHONE NUMBERS

It is used to support student government representatives in stating their positions and viewpoints on behalf of the IVC student body before city, county, and district government, and before offices and agencies of the state and federal government.

The **Health Fee** is not related to health insurance and is required whether or not students choose to use the services. **The Board of Governors (BOG) fee waiver will not cover this fee. FEE PAYMENT AND DROP PROCEDURES FOR NONPAYMENT

Tuition and fees are due when you register. Fees will be charged for all classes not dropped by the deadline to be dropped and be eligible for a refund or fee credit (for full-term classes see *Important Dates and Deadlines* at beginning of this Class Schedule). You should pay as soon as you have registered and have your class schedule set. **STUDENTS WHO ENROLL FOR FALL 2012 CLASSES AND DO NOT PAY WILL BE AUTOMATICALLY DROPPED FROM THOSE CLASSES WITHIN 5 DAYS.**

Payment may be made by cash, credit card, check, or money order. Students may pay by credit card online through WebSTAR. See *Pay by Credit Card* in previous section. Payment also may be made by mail or in person at the Cashier's window in the Administration Building. If paying by check or money order, include your Student ID (User) number (begins with G00) on your check. DO NOT MAIL CASH.

IVC has a partnership with a company called Nelnet Business Solutions (FACTS e-Cashier) that provides monthly payment plans (handling fees apply). For more information on this option, please visit: FACTS (e-Cashier) at <http://www.imperial.edu>, log into the Student Portal and click on WebSTAR then make the following selections: *Student Services Menu, Student Records, Account Summary* and click on *e-Cashier*. **Enrolling in this payment plan will not allow you to have access to you transcripts, enrollment verifications, grades, etc., but it will facilitate paying off your fees.**

Agency payment: Paperwork for fees paid by outside agencies must be submitted to the Business Office.

REFUNDS AND FEES OWED

By California state law, refunds/fee credits can only be given for full-term classes dropped on or before **Saturday, September 1** for the Fall Semester. Tuition and fees will be owed for all full-term classes not dropped by that date, regardless of attendance. Short-term classes must be dropped by the ten percent point of the class. See the Admissions and Records Office for specific deadline dates.

After the late registration period is over, refunds of \$20 or more owed to students will be issued. In order to receive refunds and/or financial aid payments, students must "activate" their IVC debit card and select their preferred mode of payment. Debit cards are automatically mailed to new students and those who have re-enrolled and not been issued a card previously. As soon as you receive your card from HigherOne (the issuing bank), follow the instructions to activate it and select the method of payment preferred. Refunds and/or financial aid funds will not be issued until you have completed the activation process.

Imperial Valley College students receiving federal financial aid (Title IV funds) who do not attend any classes will be required to repay all of the funds they received. Students who withdraw from all classes prior to completing more than 60% of the semester will have their financial aid eligibility recalculated based on the percentage of the semester complete, and will be required to repay any unearned financial aid they received. For additional information, contact the Financial Aid Office in the Counseling Center.

GRADES AND TRANSCRIPTS

You may view and print an unofficial transcript of grades earned at IVC using WebSTAR. Grade reports are not mailed.

Official transcripts must be requested through **Docufide** at www.imperial.edu/docufide. Allow up to five working days for your request to be processed. A link to an informational flyer (which includes steps to creating an account and to request transcripts) is found at www.imperial.edu, click on the home tab and then select *Transcripts*.

REPEATING COURSES

Students who receive a grade of D, F, NC or NP in a course may repeat that course one time to earn a better grade. To repeat a course a second time a student will need to petition to repeat. After the second and/or third grade is earned, the previous grades and credits will no longer be included in the calculation of the GPA. All grades will continue to be shown on the student's transcript. **Also students now will only be allowed to repeat a class two times for a total of three enrollments to include the following evaluative symbols: D, F, NC, NP or W.**

Some courses, such as PE activity courses, are designated as repeatable in the Class Schedule up to a maximum number of times. **Unless designated as repeatable, students are not eligible to repeat courses in which they have earned grades of A, B, C, CR or P except where special circumstances exist.** Justifiable circumstances may include a significant lapse of time since the course was taken (and the renewed knowledge is needed before the student is prepared to progress to a higher level), or the course is needed for professional certification. **(Continued on next page.)**

To petition for an exception based on special circumstances, obtain the necessary form from the Admissions and Records Office or Counseling Center. The forms are also found online at <http://www.imperial.edu>. Click on *Admission, Registration, Student Records* and then *Repeat Petitions or Requests*. **Petitions submitted after the late registration period will not be considered for the current term.** If permission to repeat a course in which a grade of C or higher has been earned is granted, the new grade will appear on the transcript but will not be computed in the GPA, nor will additional credit be granted.

NAME AND SOCIAL SECURITY NUMBER CHANGES

Changes must be requested in writing together with appropriate, required documentation. Contact the Admissions and Records Office for additional information.

PARKING ON MAIN CAMPUS

Parking permits are required for each vehicle parked on the main campus including motorcycles and motor bikes when classes are in session. Between semesters when classes are not being held, parking permits are not required for student spaces.

Tickets are issued for reserved (faculty/staff), disabled, metered, 15-minute, and no-parking spaces year around.

Ticketing for parking violations in student spaces begins **Tuesday, September 4, 2012.**

Vehicle Registration forms are required for parking permits; the forms may be obtained from the Parking Control Office. The license plate number, make, model, year, and color are required. Refer to the section on *Student Fees* for costs of permits.

All vehicles utilizing disabled parking must have a state issued identification placard, i.e., Department of Motor Vehicles issued placard or DV plates. Rules regarding parking in Disabled Zones are governed by the California Vehicle code beginning in Section 22507.8 and 21458. Students who have a current California disabled placard are not required to pay for a semester parking permit (must park in disabled or student parking only).

AUDITING CLASSES

Auditing of classes is not permitted. All students attending a class at Imperial Valley College are required to be properly enrolled in that class for credit. Both auditing and casual attendance are prohibited.

PRIVACY ACT

All educational records of students who enroll at Imperial Valley College are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974. The following are designated as directory information and are available from the Admissions and Records Office: name, address, phone number, class schedule, dates of attendance, major field of study, awards and degrees received, most recent institution attended, participation in official college activities and sports, weight and height of members of athletic teams, part-time or full-time enrollment status, and photographs. Students who want their information kept confidential must file a petition in the Admissions and Records Office. More information is found in the catalog.

CRIME STATISTICS

Crime statistics are available online at www.imperial.edu. Click *For Students*, select *Admissions & Records* and then *Crime Statistics*.

CLASS ATTENDANCE

Students who do not attend the first class meeting **WILL** be dropped by the instructor immediately following that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. Students are expected to attend **ALL** sessions of the classes for which they are registered. It is the student's responsibility to contact instructors regarding any absence.

A student may be excluded from further attendance in a class during any term when absences after the close of registration have exceeded the number of class hours which the class meets per week. However, it is your responsibility to drop yourself, not the instructor's. Dropping after the deadline to drop classes will not be possible. **(Continued on the next page.)**

PROTECT YOUR RECORDS: go online and drop yourself from any course in which you no longer intend to participate. If you do not drop by the deadline to be eligible for a refund or fee credit, you will be required to pay for the class. If you do not drop by the last day to drop that class you will receive a failing grade which will remain on your record forever.

TRANSFER CREDIT

Imperial Valley College (IVC) grants credit for lower-division units earned at institutions of higher education regionally accredited by the Association of Schools and Colleges and/or hold another accreditation recognized by the Council for Higher Education Accreditation (CHEA).

To be considered for transfer credit, students must request that official transcripts be forwarded directly to the Admissions and Records Office from each institution where courses were taken, or present an official transcript in an unopened envelope sealed by the college/university. Transcripts that have been opened by anyone other than an IVC official will not be considered official and will not be evaluated.

Students should arrange for official transcripts to be received as soon as possible after they decide to attend IVC. In addition, an official evaluation to determine applicability of courses to IVC degree or certificate requirements is essential for effective advisement. Official transcripts from all institutions attended must be on file and evaluated by the Admissions and Records Office before students apply to receive a degree, certificate, or general education certification to a California university.

Questions regarding specific courses for which a student is seeking transfer credit should be addressed to the Counseling Center or Transfer Center at IVC.

Credit for Upper Division Course Work

Transfer credit for upper division courses completed at a four-year college or university will not be granted unless an equivalent course is offered at IVC. To be considered, students must complete a petitioning process requiring the recommendation of a counselor and the Division Chair of the appropriate academic subject area.

Credit for Correspondence and Extension Courses

Students may petition to be awarded a maximum of six transfer units for courses completed through correspondence or an extension program. Only lower division courses from regionally accredited institutions will be considered. These units will be applied toward IVC degree or certificate requirements as appropriate.

Credit for Military Service

Students who complete at least 180 days of active duty including basic training may receive credit for HE 100 (2 units) and PE 110 (2 units). Instructions for obtaining the credit will be provided by the Veterans Coordinator in the Financial Aid Office. A copy of the DD214 is required.

Up to a maximum of 12 additional units may be awarded for work completed successfully in military service schools beyond basic training as recommended by the American Council on Education in the *Guide to the Evaluation of Educational Experiences in the Armed Services*.

Students must provide a copy of the DD214 or military service school transcript with a petition for evaluation of military service.

A maximum of 16 units will be granted for military service including 2 each for HE 100 and PE 110, and up to 12 additional units for service schools/training completed.

Credit for Advanced Placement (AP) Examinations

Credit will be granted for scores of 3, 4, or 5 on exams of the Advanced Placement Program of the College Entrance Examination Board (CEEB) as listed below. Official transcripts sent directly from the CEEB to the Admissions and Records Office are required. Credit toward an IVC associate's degree (AA or AS) will be granted according to the chart below. Credit will be granted only after students are enrolled in classes at IVC. After credit has been awarded, if students successfully complete the same course(s) for which **(Continued on next page.)**

they were granted AP credit, the AP credit will be removed from their transcript. Credit cannot be earned twice for the same course. Credit for AP Exams differs with each college or university. Although IVC grants credit for AP Exams, there is no guarantee institutions to which students transfer will do the same. Students will need to have their official AP results re-evaluated by the institution to which they transfer.

Credit from Foreign Institutions

Students seeking evaluation of course work completed at a foreign post-secondary institution must provide a transcript and evaluation completed by an approved evaluation and translation service. Information regarding recommended evaluation service companies is available in the Counseling Center and the Admissions and Records Office.

To be considered for possible transfer credit students must complete the following steps:

1. Meet with a Counselor to review the documentation from the evaluation service. The Counselor will make an initial determination regarding whether any of the courses completed may apply to degree requirements at IVC.
2. If the Counselor determines one or more of the courses might apply to a degree at IVC, complete a petition requesting the Division Chair of each academic department involved evaluate the request. The Counselor will assist in the completion of the petition form and referral to the appropriate Division Chairperson(s).
3. Discuss the request for transfer credit with the Division Chair(s). He/she will sign the petition form indicating whether he/she agrees or disagrees with the request.
4. If the Division Chair agrees with the request that credit be granted, submit the petition, transcript and evaluation from the evaluation service to the Admissions and Records Office for the final, official evaluation.

Courses completed at foreign institutions will not meet general education certification requirements for transfer to either of the California university systems, except to validate the foreign language portion of the certification for the University of California.

NONDISCRIMINATION AND SEXUAL HARASSMENT POLICY

Imperial Valley College does not discriminate in the admission nor in the offering of programs and activities because of ethnic group identification, national origin, religion, age, gender, race, color, medical condition, Vietnam era status, ancestry, sexual identification, marital status, or physical or mental disability, or because he or she is perceived to have one or more of those characteristics.

For more information please refer to the California Department of Fair Employment and Housing Website, www.dfeh.ca.gov, or the U.S. Equal Employment Opportunity Commission Website, www.eeoc.gov.

Limit English speaking students, who are otherwise eligible, will not be excluded from any vocational education program.

Do I have to pay for a parking pass? If your class meets at the IVC main campus, you will need to purchase a parking sticker. Day passes are only \$2 per day. Full term stickers are \$25. The passes are available at the Parking Office (main campus). Parking permits are waived on Saturdays and Sundays.

California Nonresident Tuition Exemption For Eligible California High School Graduates

(The law passed by the legislature in 2001 as "AB 540")

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the California State University and the University of California (all public colleges and universities in California).

- Requirements:
- The student must have attended a high school (public or private) in California for three or more years.
- The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
- An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
- Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) Visas, etc.] are not eligible for this exemption
- The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
- Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
- Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will *not* be classified as California residents. They continue to be "nonresidents".
- AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

THE NONRESIDENT TUITION EXEMPTION FORM IS AVAILABLE IN THE ADMISSIONS OFFICE

FINANCIAL AID

Financial aid programs are intended to help eligible students pay for college expenses including books, fees, transportation, and other necessities. Often students assume that they will not qualify for financial aid. The IVC Financial Aid Office encourages students to become informed about the variety of aid programs available to community college students.

Financial aid funds are administered in accordance with federal and state regulations governing financial assistance for education. The basis of the policy is that students and their parents have the primary responsibility for meeting educational costs. The amount of the expected contribution from students and their family is determined by careful analysis of family financial strength, taking into consideration net income, number of dependents, allowable expenses, indebtedness and assets. The US Congress has established procedures which are used in making an evaluation of how much families can be expected to contribute.

Who Qualifies for Financial Aid?

To receive aid, you must:

1. Prove financial need based on federal and state guidelines.
2. Have a high school diploma or GED.
3. Be enrolled as a regular student working toward an eligible degree or certificate.
4. Be a U.S. citizen or eligible non-citizen.
5. Be making satisfactory academic progress.
6. Not be in default on any educational loan or owe a refund on an educational grant.
7. Have a social security number.
8. Register with the Selective Service System (applies to male students only).

Free Application for Federal Student Aid (FAFSA)

To apply for financial aid, students must complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. The FAFSA is used to determine eligibility for all state and federal financial aid.

FINANCIAL AID PROGRAMS AT IVC

STATE PROGRAMS

- **Cal Grant:** A state-funded grant program for California residents. All Cal Grant award offers are subject to the approval of the final state budget. www.csac.ca.gov

FEDERAL PROGRAMS

- **Federal Pell Grant:** A grant program for students who have not earned a bachelor's or professional degree. Students must file a FAFSA and demonstrate financial need.

SCHOLARSHIPS

Imperial Valley College offers scholarships through the college's foundation and generous donors. Students may be awarded scholarships on the basis of academic achievement, financial need, and campus or community service. Each scholarship has different requirements and recipients are generally determined by Scholarship Selection Committee. Visit the IVC Foundation website for a listing of scholarships and application deadline information.

Scholarships are also available from sources beyond Imperial Valley College. The following sites may be helpful:

Satisfactory Academic Progress

Continued eligibility for financial aid at Imperial Valley College is dependent upon academic success. Students must maintain a 2.0 GPA or better and complete at least 67% of all coursework attempted, and complete their program within maximum timeframe standards. Failure to meet these standards will result in the loss of all federal and state aid. The BOG Fee Waiver is currently not subject to this academic progress standard.

Return of Title IV Funds

Federal law requires that all students who receive federal Title IV aid and leave school before completing 60% of the term may be required to pay back some or all of the aid received. Detailed information regarding the return of federal aid is available in the IVC Financial Aid Office or on the college website.

MATRICULATION PROCESS

Matriculation is a process that promotes and sustains the efforts of community college students to achieve their educational goals through a coordinated program of instruction and the use of appropriate college programs and services.

Enrollment at IVC constitutes an agreement in which the college is responsible for:

- * Helping students to succeed in their college careers.
- * Assisting students in making decisions based on accurate information.
- * Offering services and resources for proper course selection.
- * Providing an opportunity to develop a Student Educational Plan.

Students are responsible for:

- * Registering for classes.
- * Attending class regularly.
- * Taking college seriously.
- * Meeting with a counselor to develop a Student Educational Plan.

However, the college may never suspend or terminate any service for which a student is otherwise entitled under any other provision or law. In addition, any student may challenge any matriculation requirement or regulation using the student petition process.

New matriculating students who complete these basic steps of matriculation prior to enrollment will improve their priority for telephone registration, which provides the best opportunity to enroll in preferred classes.

PROCESO DE MATRICULACION

Matriculación es un proceso que promueve y sostiene los esfuerzos de estudiantes de colegios comunitarios para lograr sus metas educacionales mediante un programa coordinado de instrucción y el uso apropiado de programas y servicios.

Inscripción en el colegio constituye un acuerdo en el cual el colegio es responsable de lo siguiente:

- * Ayudar al estudiante a lograr éxito en sus estudios.
- * Ayudar al estudiante a tomar mejores decisiones.
- * Ofrecer servicios y recursos para seleccionar las clases apropiadas que vayan de acuerdo a la carrera del estudiante.
- * Proporcionar al estudiante la oportunidad de desarrollar un plan de estudio.

El estudiante es responsable de lo siguiente:

- * Seleccionar una carrera después del semestre en el cual se cursaron 15 unidades.
- * Inscribirse en clases.
- * Asistir a clases.
- * Tomar en serio sus estudios.
- * Consultar con un consejero académico para desarrollar un plan de estudio.
- * Solicitar servicios adicionales cuando sea necesario.
- * Terminar sus metas académicas.

Si el estudiante no cumple con sus responsabilidades el colegio puede suspender los servicios prestados al estudiante. Sin embargo, el colegio no puede suspender ningún servicio al cual el estudiante tiene derecho bajo cualquier otra provisión de la ley. Además, el estudiante tiene el derecho de disputar cualquier reglamento o requisito de matriculación utilizando el proceso de petición estudiantil.

Estudiantes de nuevo ingreso que terminen estos pasos básicos de matriculación antes de inscribirse mejorarán su prioridad de inscripción telefónica, la cual les dará la mejor oportunidad para inscribirse en sus clases.

- Primer Paso:** Llenar una solicitud de Admisión y remitir una copia oficial de su registro de calificaciones de preparatoria o de otra institución de estudios superiores.
- Segundo Paso:** Tomar las pruebas de ubicación en lectura, escritura y matemáticas.
- Tercer Paso:** Terminar la clase de orientación a IVC.
- Cuarto Paso:** Ver a un consejero académico antes de inscribirse para que le ayude a seleccionar sus clases.

EXENCIONES
