Background

As we have discussed before, the College beginning this year will start pre-funding the OPEB (Other Post Employment Benefits) liability. Until an irrevocable trust is established (estimated to be done in 2017), the method used to pre-fund the liability will be an annual assignment of a portion of the College's General Fund Reserve.

The amount assigned this year will be \$30,000. The remaining reserve balance will still exceed 6%.

Action Required by the Board:

An assignment of a portion of the reserve can be made by the board by delegating the action to be taken to the Superintendent/ President or Vice President for Administrative Services. Staff is requesting the board direct the Vice President for Administrative Services to assign \$30,000 of the current reserve to a fund designated for pre-funding the OPEB liability.

Resolution No. 16240: Board Assigned Reserve for OPEB Liability

Discussion:

Trustee Salas asked where the money was coming from since her concern is that it is not budgeted.

President Jaime stated it was a Corrective measure from ACCJC.

Trustee Wong asked if there has been any saving in the past for this purpose. President Jaime stated this would be done for the future.

Trustee Hart wanted to confirm the the 6% figure in the reserves. VP Lau stated it was at about 6.3%.

Trustee Salas asked the \$30,000 was an amount of how much. VP Lau stated it was a small amount but that it would be a midway point and this is a gesture.
