Presentation: 6.4 Student Success Scorecard Report by Director of Research Jose Carrillo

Director Jose Carrillo presented a PowerPoint titled, 2015 Student Success Scorecard Overview, and provided an overview of the 2015 Student Success Scorecard. He reviewed the college profile, remediation, persistence, 30+ units, degree/transfer, and CTE rates.

He stated the scorecard serves as a commitment to serve students. He noted there was a method of transparency and accountability.

There were questions regarding the data, the plan, trends, and how the data is used.

Director Carrillo stated the scorecard was designed as the Student Success Initiative and it requires that IVC report on different types of students the district has.

Vice President Nick Akinkuoye explained that the data is used by department chairs and instruction and has implications with accreditation.

Trustee Salas stated this presentation and the ESL were great and compelled the Board to look at the model for student success.
