Dear Board Members:

It is with mixed emotion that I formally submit to you my intent to retire from Imperial Valley College effective July 1<sup>st</sup>, 2006, in conjunction with the Golden Handshake and SERP. Since October 1998, I have been fortunate to serve the College as Workforce Development Director. My tenure in that position has been both challenging and rewarding. During that time, we have served the needs of a multitude of students in the area of workforce development and facilitated numerous partnerships between our business community, local agencies and the College.

This has truly been a wonderful experience and I am grateful for having worked with a great team, particularly in the area of Applied Sciences. I am also thankful for the support that we have received from the Board of Trustees and for the confidence that they have repeatedly expressed on workforce/economic development issues.

Realizing that retirement is not the end, but just the start of yet another chapter, I am hopeful that my association with the college will continue.

Sincerely,

Leonard J. Fabian  
Workforce Development Director

I am requesting a medical leave of absence due to health problems I am currently experiencing. I am requesting that the board grant me a five month medical leave of absence, beginning April 20, 2006 through September 20, 2006. I have submitted my doctor's instructions that require that I do not work at this time. I have applied for state disability and would appreciate your support.

Dear Mr. Acuña:

**The California School Employees Association respectfully requests the Imperial Community College District Board of Trustees to adopt a resolution declaring the week of May 21-27, 2006 as Classified School Employees Week.**

**The California state Legislature adopted the third full week of May of each year as Classified School Employee Week, by passage of SB 1552 (Campbell) in 1986.**

**Classified professionals include secretaries, custodians, Para educators, bus drivers, maintenance technicians, clerks, food services, peace officers and many other workers in K-14 public schools. We provide daily care, transportation and instruction for California's students.**

**The week of May 21-27, 2006 will be celebrated by school districts and school workers across the state in recognition of the many contributions classified professionals make to the education community.**

**On behalf of over 230,000 classified professionals represented by the California School Employees Association, we urge you to join the state Legislature and hundreds of school boards in adopting a resolution declaring the week of May 21-27, 2006 as Classified School Employee Week.**

**Thank you for your consideration of this matter.**

PUBLIC COMMENTS

Kathy Berry invited everyone to the RN Pinning Ceremony on Wednesday, June 7 at 6:00 p.m. in the Gym, and the Fire Academy Graduation on Friday, June 9 at 6:00 p.m. in Room 2131.

John Abarca, CSEA President, thanked the Board for their support in adopting Board Resolution No. 13534 in honor of Classified School Employees Week during May 21-27, 2006.

Carol Hann, English Professor, distributed a letter which she read to the Board. Her comments were in regard to her intent to retirement under the 2+2 Retirement Incentive. She stated that she was very upset with the lack of concern and the apparent disregard of timeliness for forwarding the necessary documentation to the Chancellor's Office.

EMPLOYEE OF THE MONTH RECOGNITION

Dr. Victor Jaime congratulated Gail Parish, Veterans Financial Aid Technician, for being chosen as Employee of the Month for May. The nominator made the following comments:

Gail Parish is involved in almost all aspects of the college community. She has spent hundreds of unpaid hours helping to implement Banner. She is very active in the IVC Friendship Club and plans activities, buys decorations at her own expense, and even makes desserts for their luncheons. She helps facilitate the graduation reception, works tirelessly for the Imperial County Veterans group, IVC CSEA, and the students of Imperial Valley! Her personality may sometimes rub people the wrong way, but her heart is always in the right place. Her actions on behalf of the college at state and national functions for Veterans is always professional. She always strives to put the needs of students and employees first.

OXFORD PRESENTATION

Dr. Jeffcoat introduced Roberta Bemis, Associate Professor of English, and Curt Riesberg, English Instructor, who were invited to be presenters of their research to the Oxford Roundtable. The Oxford Roundtable was established in 1989 as a colloquium of small groups from around the globe to discuss contemporary issues. Professor Bemis was invited to attend the conversations surrounding bilingualism and language learning and asked if Professor Riesberg could be included. The Roundtable agreed that the two could make a joint presentation, focusing on factors in the Imperial Valley that could interfere with the English language learning process. It was a great privilege for Imperial Valley College to be represented at this prestigious

gathering. Ms. Bemis and Mr. Riesberg provided an overview of their presentation titled "Interference to English Language Learning in the Imperial Valley."

#### BOARD MEMBER REPORTS

Trustee Long presented information received from the SDICCCA Board Alliance meeting held on May 1, the CCCT Annual Conference held on May 5-7 as follows:

- AB 3015 (Benoit) asks for an additional \$31 million for equalization and will bring all underfunded districts to the 90<sup>th</sup> percentile
- The May Revise reflected \$130 million for equalization plus \$23.2 million totaling \$153.2 million, which is \$8 million short of the projection.
- The Underfunded Caucus met on May 5, and discussed the new formula for financing community colleges and the Foundation Grant, which would mean \$3 million for IVC. Senator Dede Alpert and Jim Brulte attended this meeting and both are in full support of equalization funding.
- Compromise endeavors to use a modification of the basic mechanism of SB 361 (Scott) for equalization purposes, while focusing on the 90<sup>th</sup> percentile as the goal for the apportionment rates. The base years used in the calculation have advantages for some districts, and disadvantages for others with declining enrollment.
- Growth is soft among California Community Colleges, and COLA is 5.92%. Student fees will remain at \$20.

Trustee Ramirez shared information received from her attendance at the CCCT Annual Convention as follows:

- The Inland Valley Trustees and CEOs Association meeting demonstrated the dedication and perseverance of this group. They are totally committed to the betterment of Inland Valley Community Colleges.
- At the Underfunded Districts Caucus meeting a comprehensive report was given on the action taking place in Sacramento.

- There was interesting discussion and handouts on the following topics: The Good Trustee; Maintaining an Ethical Balance; Upholding Board Ethics; Importance of Trustee Ethics; Individual Trustee Evaluation Form; Group Evaluation Form; a sample agenda for a Board Retreat.
- An informative session covered "Board Accountability for Fiscal Health." There was a presentation regarding "School District Finance Basics: What to look for in an Audit Report (Recommendations and Findings)."
- Dr. Carl Cohn, Superintendent of the San Diego City Schools, was an excellent keynote speaker who was motivational and inspirational topic of not letting our students down.

- The Impact of Facilities on Student Learning Outcomes session shared information on how educational facilities have both a negative and positive impact on student learning outcomes.

Higher standards may be redefining student success, and there was discussion on the implications of the high school exit exam, and the proposal to raise the level of Math and English required for associate degrees.

Whereas, these principles of student learning may be approached differently by different disciplines of study; and

Whereas, the Institutional Student Learning Outcomes need to be broad enough to allow for diversity of interpretation and application within the various disciplines of the general education program; and

Whereas, the IVC Academic Senate feels that the five principles are the most effective way of establishing institutional student learning priorities;

Therefore, the Imperial Valley College Academic Senate hereby recommends to the Board of Trustees that the governing board adopt BP 1210:

***Institutional Student Learning Outcomes – “The graduates of Imperial Valley College will demonstrate communication skills, critical thinking skills, personal responsibility, information literacy, and global awareness as a result of their educational experience at this institution.”***

Furthermore, the Imperial Valley College Academic Senate hereby recommends that the Board of Trustees direct that this statement of institutional student learning be published immediately following the Mission Statement in college publications.
