All,

I have confirmed the **IVC Boardroom** for the meeting on **Monday, May 16th from 2:30pm-4:30pm**. I'll send out a campus map and parking pass by tomorrow. The main purpose of this meeting is to finalize the MOU draft between the CDCR and IVC in preparation for the Board of Trustees meeting on June 15th. Our goal is to start providing on-site college courses at CEN and CAL Fall 2016.

We are pleased to have **BJ Snowden** of the State Chancellor's Office and **David Ramirez** of the CDCR Office of Correctional Education joining us on Monday to help facilitate our discussions. 😊
