III. Discussion Items

1. Inside-Out Pilot Program – Gaylla Finnell

This program is an opportunity to provide courses to incarcerated students. County jails were not required in the past to provide education as inmates were there for a year or less. New regulations now allow County jails to house longer term inmates and therefore need to provide education (AB109/AB117).

A single course will be offered at the correctional facility with half of the students from inside the facility and half of the students from the public. The pilot program would include ADS courses, with the addition of general education courses if the program continues.

There are strict rules for both groups of students and orientations will be provided for both students and faculty. Inside students will go through a selection process to provide the instruction to only low risk inmates.

IVC is the first community college in California implementing this project. Gaylla will be attending training in Michigan.

2. Distance Education Course Addenda – Michael Heumann

Michael reminded committee members that the distance education addendum has been replaced by the fields located in the CurricUNET system.

James Patterson mentioned that the old addendums are attached in CurricUNET and refer to the old Etudes CMS. Michael requested that the departments work with Dixie to remove those old forms from the system.

IV. Information Items

1. AP Chart Revision – Michael/Veronica

Veronica explained that there were some issues with the accuracy of our current AP Chart. She will be working with departments to provide accurate information and bring back for approval as a subsequent meeting for 2013-2014 catalog addenda.

V. Other Items

1. NAU Presentation – Veronica Soto

Veronica introduced the representatives from NAU (Tara Wells; outreach coordinator) PowerPoint emailed to committee members. Tara would like to provide brief 5-10 classroom presentations about NAU; those interested can contact her at 928.317.6469 or email: tara.wells@nau.edu. NAU advisors are on IVC campus every other week. Contact Veronica Soto for schedule information.

2. **Kathy Berry** – reminded committee members that programs can continue to be developed but since IVC is currently on sanction (Warning status), we will not be able to submit any new proposals to ACCJC. We also will not be able to offer these programs until they have received ACCJC approval.

VI. Next Regular Meeting: MARCH 6, 2014, 3:05pm in the Board Room.

VII. The meeting adjourned at 4:06 p.m.
