Our shipping terms are NET 30 FCA Origin.

Based on your shipping address, The MathWorks is required to collect sales tax. In order to comply with state and local tax laws, we must have in our files a properly executed exemption certificate given to us in good faith from all our customers who claim sales tax exemption. If we do not have this certificate, we are obligated to collect the tax for the state in which the property is delivered and where we are authorized to do so. If you are entitled to sales tax exemption, please complete a tax exemption certificate and include it with your order.

Programs licensed to degree-granting educational institutions at MathWorks' Classroom License discount are restricted to use in connection with on-campus computing facilities that are used solely in support of classroom instruction of students. The right to use the Programs for any other purposes, including research and commercial purposes or by faculty and staff is expressly prohibited.

† **Software Maintenance Service (SMS):** The first year of Software Maintenance Service is included with the purchase of new product licenses. SMS provides a cost-effective way to receive product updates and bug fixes, get technical support, add new products to your license, and manage licenses online. You can continue uninterrupted service in subsequent years by renewing your MathWorks SMS subscription.

Maintain Your Investment: Because The MathWorks ensures compatibility among products in the same release, a subscription to SMS ensures that you have access to the latest release and can add products to your license. Licensed products for which your subscription has lapsed three months (90 days) or more will incur back SMS charges plus a reinstatement fee to receive the latest product versions. Staying
