Commissions

Activities

M/S/C (B. Guzman/A. Barrientos) for the approval of the expenditure of \$500 for the Welcome back BBQ/Club Day.

It was discussed that the ASG will be serving 400 hot dogs on a first come, first serve basis.

Additionally, there are approximately 15 club signed up to participate in the club day event.

Publicity

It was discussed by the senate that the poster machine that was purchased by the ASG should be ran by the Publicity Co-Chair. Recently, on campus offices utilize the machine to have posters printed for their offices for a small fee.

As of this fall, due to the high demand of requests from offices for posters, supplies for the poster machine have ran extremely low prior to the beginning of the semester thus limiting the ASG's ability to publicize their events.

The ASG will be looking into prices of supplies and comparing it to poster prices. The Publicity Co-Chairs will be managing the poster machine.

More information will follow at the next meeting.

First was that the senator positions were held at value by the faculty & staff when the senators served on shared governance committees. He asked that the senators become familiar with the agendas and to ask questions and participate in discussions.

Secondly, participation is a commitment, authority & responsibility is a privilege. Dr. Martinez asked that the senate help each other as much as possible. If there is a time when a senator is unable to attend an event or meeting, please let the other senators know.

Thirdly, IVC Student Delegates will begin as a club this year. There are currently eight feeder schools for Imperial Valley College and there are students with dual enrollment. These club members

would serve as the voice of the students that are at the high school level or are in the dual enrollment program.
