**President**

President Limon shared how proud he is of each and every Senator who attended the retreat. He learned something about each and every one. His expectations are very high as he now knows how hard working and dedicated every Senator is.

**Advisor**

Dean Torres stated that the ASG became very united this weekend. He would like the ASG to begin to plan and show what “we” got.

The Student Senate for California Community Colleges (SSCCC) is seeking a monetary donation of \$5,000 from all the community colleges towards the General Assemblies. Dean Torres believes that the amount is very high for our college size and budget. Other colleges who have a larger budget might feel it is doable. This item will be discussed and brought forward for the Senate’s vote.

General Assembly is where resolutions are presented and voted upon. Our college sends two students who represent IVC; only one delegate per college is allowed to vote on the resolutions.

Dean Torres reminded Senators to stop by the office to assist with the 9/11 Remembrance event.

**ADJOURNMENT**

The meeting was adjourned at 3:33 p.m.

The next regularly scheduled meeting will take place Wednesday, September 19, 2018 at 2:40 p.m. in the Administration Board Room.
