

DID YOU KNOW?

Important IVC Student Information for the **Summer 2015** Semester

- Effective Fall 2014 all **new students** who wish to earn priority registration must complete math and English assessments (or provide approved alternative), complete college orientation and must have an education plan.
- New students that do not meet the above criteria will enroll after the students who have earned priority.
- For priority registration continuing students must be in good academic standing (2.0 GPA) and **have not exceeded 90 degree applicable units** (not including units in basic English, basic math or English as a Second Language). We encourage students on probation to seek help to improve their academic standing. Student nearing 90 degree applicable units should carefully plan their remaining courses.
- Active-duty military and veterans, current and former foster youth, CalWORKS eligible students, followed by students in Extended Opportunity Programs and Services and Disabled Students Programs and Services will continue to have first priority for registration if they meet the same criteria listed above.
- Your priority registration date and time for Summer 2015 will be noted in the Student Portal in late May.
- California Community College regulations require that concurrently enrolled high school students receive a low enrollment date so as not to displace adult students.
- **Beginning Fall 2016 two consecutive semesters of probation will lead to loss of the BOG Fee Waiver** until the student is no longer on probation. We encourage student on probation to seek help to improve their academic standing.
- **Students can now access DegreeWorks from any computer.** DegreeWorks will provide you with an educational plan that determines which classes you may still need to take in order to graduate and/or transfer. Visit the Student Services Computer lab today to learn more about this very useful tool for students.
- **Apply for Financial Aid ASAP** – fee waivers are available for Winter session, but other types of financial aid are not available until Spring semester. Any units completed in the Winter will count toward your Spring enrollment status for financial aid purposes. You must complete your FAFSA and submit ALL required documents 3 weeks prior to the beginning of the term to determine fee waiver and payment eligibility. Check WEBSTAR to determine the status of your financial aid file.
- **Need an official copy of your transcript?** Go to www.parchment.com, this site now processes all official transcript requests for IVC.

Summer 2015 Important Dates

May 18, 2015
Priority registration begins for
continuing and former IVC students.

June 24, 2015
Summer 2015 term classes begin.

August 17, 2015
Fall 2015 classes begin.

Imperial Valley College

380 East Aten Road,
Imperial, CA 92251
