## **ARTICLE 5      DISTRICT RIGHTS**

### **5.1      General**

It is understood and agreed that the District retains all of its powers and authority to direct, manage, and control to the full extent of the law. Included but not limited to those duties and powers are the exclusive right to do the following: to determine its organization; to direct the work of its employees; to determine the times and business hours of operation; to determine the kinds and levels of service to be provided and the methods and means of providing them; to establish its educational policies, goals and objectives; to ensure the rights and educational opportunities of students; to determine staffing patterns; to determine the number and kinds of personnel required; to maintain the efficiency of District operations; to determine the curriculum; to build, move or modify facilities; to establish budget procedures and to determine budgetary allocations; to determine the methods of raising revenue; and to take action on any matter in the event of an emergency.

In addition, the Board retains the right to hire, classify, assign, transfer, evaluate, terminate, and discipline employees. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, and regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

Nothing in this article shall be construed as limiting the rights of either party otherwise retained under the provisions of the Educational Employment Relations Act (EERA).

### **5.2      Exceptions**

In the event of a natural or man-made disaster, the District retains its rights to amend or modify policies and practices referred to in this Agreement for the duration of the emergency. Emergency is defined as a natural or man-made disaster or other dire interruption of the District's programs. The determination of whether or not an emergency exists is solely within the discretion of the District.

### **5.3      Officers and Committee Chairs**

CSEA shall provide to the District every year no later than the end of August, a roster of all CSEA members who are designated to serve on shared governance committees.

## **ARTICLE 6      EMPLOYMENT**

The Board of Trustees shall employ persons for positions that are not academic positions. The Board shall classify all such employees and positions. The employees and positions shall be known as the classified service.

### **6.1      Pre-employment Reclassification**

Prior to commencing the employment process for a position whose classification specification changes, and prior to declaring a classification as "vacant and not open", a committee composed of two (2) classified employees, appointed by CSEA, and two (2) administrators, or one (1) administrator and one (1) department head, will meet to review the classification specification and salary range placement of the classification, and to recommend whether the position will be "vacant and open" or "vacant and not open" for recruitment.

### **6.2      Employment Activities**

After a vacant position has been opened for recruitment, a "Notice of Vacant Position" will be emailed to the campus identifying the position that is vacant, the salary and number of work hours, and a web link to the job description which includes the minimum qualifications for the position. The "Notice of Vacant Position" shall be posted and remain posted for at least five (5) work days. **(Also see Article 16, Transfer and Reassignment.)**

When the recruitment process to fill a CSEA represented position has been completed, a formal screening committee shall meet to screen applications and identify and interview applicants. This committee, inasmuch as possible, should have a diverse composition and be structured as follows.

1. Four (4) or six (6) members.
2. At least one of the members of the committee must be a classified employee from the specific work area, or with similar job classifications, as the vacant position.
3. Either the direct supervisor or administrator from the specific work area.
4. At least one of the members of the committee must be of an ethnic minority.
5. At least one of the members of the committee must be of the female gender.

The screening committee may be a mixture, when appropriate, of administrative, academic, classified, student, and community members. The screening committee will recommend a slate of final candidate(s) which shall be submitted to the Human Resources Office.

### **6.3      Probationary Period**

Newly appointed employees, or permanent employees who change classifications through the employment process, shall serve a probationary period of six (6) calendar months but can be extended with mutual agreement not to exceed 12 months. In the case of an extension, the employee would be allotted an additional evaluation. Probationary employees shall be evaluated at least once during their probationary period.

If at any time during the period of probation a probationary employee resigns, abandons the position, or is terminated, a replacement shall be selected from among those who originally

applied for the position and had been interviewed if in the opinion of the supervisor there were other qualified candidates.

#### **6.4 Permanent Employee**

A person who has completed a probationary period is termed a permanent employee of the classified service.

#### **6.5 Probationary Period After Classification Change Through Hiring Process**

A permanent classified employee of the classified service who changes classifications through the employment process must complete the probationary period in the new classification. An employee who is unable to successfully complete the probationary period shall be returned to his/her former position, at the same salary range and step as the former position, without a loss in status or benefits.

#### **6.6 Part-Time Employment**

A part-time employee has a work schedule of fewer than eight (8) hours per day or less than forty (40) hours per week. The leave and benefits earned for less than full-time service shall be prorated using the relationship of the number of hours of part-time service to those of full-time service.

#### **6.7 Nine (9) Month Employee**

A nine (9) month employee begins the work period five (5) work days prior to the first day of classes for the fall semester and works through the last service day of the academic year providing that the employee attains at least a minimum service status of nine (9) full months. These employees are paid at the established hourly rate for their classification. Any nine (9) month employee not assigned regular pre-opening day duties will receive temporary assignment through the Human Resources Office.

Any nine (9) month employee not eligible for vacation and without sufficient compensatory time to cover non-service days between the Fall and Spring semesters will receive temporary assignment through the Human Resources Office if the campus is open for a normal work day.

#### **6.8 Ten (10) Month Employee**

A ten (10) month employee serves ten (10) of the twelve (12) calendar months of the year. Beginning and ending service dates are made by special arrangement and total service time shall not exceed ten (10) months. Any ten (10) month employee without accrued vacation or compensatory time to cover non-service between the fall and spring semesters will receive temporary assignment through the Human Resources Office if the campus is open for a normal work day.

#### **6.9 Eleven (11) Month Employee**

An eleven (11) month employee serves eleven (11) of the twelve (12) calendar months of the year. Beginning and ending service dates are made by special arrangement and total service time shall not exceed eleven (11) months. Any eleven (11) month employee without accrued vacation or compensatory time to cover non-service between the fall and spring semesters will receive

temporary assignment through the Human Resources Office if the campus is open for a normal work day.

**6.10 Twelve (12) Month Employee**

Twelve (12) month employees with three or less years of service will be offered temporary assignment through the Human Resources Offices to fulfill their one-year contract when accrued vacation is insufficient to cover non-service days.

**6.11 Assignments at Times Other Than Regular Academic Year**

For the purposes of this section every classified employee shall be deemed to be employed for twelve (12) months during each school year regardless of the number of months in which he/she is normally in paid status. Any community college district which, in any school year, maintains school sessions at times other than during the regular August - June academic year shall assign for service during such times regular classified employees of the district. When it is necessary to assign classified employees not regularly so assigned to serve between the end of one academic year and the commencement of another year, such assignment shall be made on the basis of qualifications for employment in each classification of service which is required. No classified employee whose regular yearly assignment for service excludes all, or any part of, the period between the end of the academic year in June to the beginning of the next academic year in August, shall be required to perform services during such period. A classified employee shall, for service performed as herein provided, receive, on a pro rata basis, not less than the compensation and benefits which are applicable to that classification during the regular academic year. Education Code Section 88002.

During the spring semester, the Human Resources Office will accept requests for summer employment from all less-than-twelve (12) month employees. Eligible employees may submit a written request for summer employment to Human Resources between the first (1st) day of April and the fifteenth (15) day of May of each year. Consideration for available positions will be based upon related job skills and rotation by seniority. The classified employees will have the right of first refusal for summer employment.

Employees wishing to change from one shift to another vacant shift within the same classification and job title shall submit the request in writing. Seniority will be utilized to fill the vacant shift, except when a bona fide occupational qualification exists (i.e., a female Custodian required for the women's locker room).

**6.12 Reinstatement of Permanent Employees After Resignation**

Any permanent classified employee who voluntarily resigns from his/her permanent classified position may be reinstated or re-employed by the governing board of the District, within thirty-nine (39) months after his/her last day of paid service and without further competitive examination, to a position in his/her former classification as a permanent or limited-term employee, or as a permanent or limited-term employee in a related lower class or a lower class in which the employee formerly had permanent status.

**6.13 Union Representatives**

No later than February 15 of each school year, CSEA shall formally notify the District any changes in the identity of the CSEA's negotiation team and Union Stewards and two alternates who shall act on behalf of the Union and employees with reference to matters covered by this contract.

## **ARTICLE 7      PERFORMANCE EVALUATIONS**

### **7.1      Evaluation Period**

Performance evaluations are required for employees as follows:

1. Probationary employees shall be formally evaluated at the end of the third month of employment and thereafter in the discretion of the supervisor.
2. New permanent employees shall be evaluated during the months of February - April of their second year of employment and biennially thereafter.
3. Evaluations for permanent employees shall be conducted during the months of February, March and April. Permanent employees shall review and sign their evaluation forms by April 30 before they are submitted to the Human Resources Office.

### **7.2      Evaluation Criteria**

No performance evaluation shall be made based solely upon hearsay statements. Performance evaluations shall be based on the evaluator's personal observations and knowledge of the employee's job performance. Any negative performance evaluation shall include specific recommendations for improvements and provisions for assisting the employee in implementing any recommendation made. Evaluators will discuss the performance evaluation with the employee being evaluated before it is placed in the employee's personnel record.

### **7.3      Employee Rights**

An employee who has an evaluation mark or comment on the evaluation that is below satisfactory, or that indicates an area of weakness has the right to respond to the evaluation and have it included with the performance evaluation form.

All employees shall be given a copy of their completed and signed performance evaluation by the Human Resources Office before it is placed in their personnel record.

The employee's performance evaluation shall be discussed with the employee. The employee shall be provided an opportunity to make comments on the ratings and recommendations given by the rating supervisor.

### **7.4      Documentation**

Performance appraisals for classified employees shall be documented using the Electronic Classified Employee Performance Appraisal process.

## **ARTICLE 8     SALARY**

### **8.1     General**

1. Appropriate job classification and salary range for all new positions.
2. Reclassification of current positions including recommendation of new job title, salary, and clarifications regarding the content of the classification specification.

Requests for reclassification shall be processed through the Human Resources Office. The Human Resources Office shall develop procedures related to the reclassification process and disseminate new or revised information to all bargaining unit members.

Requests for reclassification may be made by the immediate supervisor or by a permanent employee. If the immediate supervisor denies the reclassification request, the employee has the right to proceed to the next level, i.e. Vice President.

If the appropriate Vice President denies the reclassification request or does not agree with the request, he/she should indicate his/her concerns in writing and forward the request to the (CHRO).

The Classification/Reclassification Committee shall then deliberate on the request and submit a recommendation to the (CHRO) on the following: new job title, new salary range (only for new positions), salary increase, no change in job title, proposed changes of hours and/or months of service, or deny the request.

The employee will receive written notification from the Human Resources Office regarding the District's decision for approval or denial of the reclassification.

If the reclassification is recommended for approval by the Classification/Reclassification Committee and denied by the CHRO, the denial may be appealed to the Superintendent/President by employee or CSEA.

If the Superintendent/President denies the reclassification, he/she shall submit in writing his/her decision of denial to the CHRO, who in turn will advise the Chairperson of the Classification/Reclassification Committee. Reassigned unit members are subject to a probationary period in accordance with the CBA. Reassigned unit members retain retreat rights to their former position.

A "temporary" transfer or reassignment is made when a unit member is transferred or reassigned for a specific period of time.

A "District" transfer or reassignment is made when a unit member is temporarily or permanently transferred or reassigned in accordance with a request initiated by a unit member's immediate supervisor or a supervising administrator to adjust for work coverage, to meet the need for special job skill requirements, or to alleviate special work-related problems.

A "voluntary" transfer or reassignment is made upon the District's approval of a unit member's request for voluntary transfer or reassignment. In a voluntary transfer or reassignment, a unit member is permanently transferred or reassigned to a classification whose salary range and step is equal to or lower than the range and step of the unit member's current classification (i.e., lateral or downward movement on the classified salary schedule).

The number of months that a permanent 10-month or 11-month classified employee works does not preclude a voluntary transfer to a lateral or lower transfer from a 10-month to a 12-month assignment.

### **15.2     Criteria**

In all instances, the Superintendent/President, or designee, shall transfer or reassign unit members based on the needs of the District.

Unit members permanently transferred or reassigned under either a District or voluntary transfer or reassignment shall not serve a probationary period, as such term is defined under Article 6.3, and retain retreat rights.

#### **Criteria for District Transfer or Reassignment**

The transfer or reassignment of unit members shall not be used to supplant the classified hiring process or to punish or discipline employees.

Under a District transfer or reassignment, a unit member will suffer no loss of salary, seniority, or benefits and must meet the minimum qualifications of the new classification or position.

In all instances, every effort will be made to transfer or reassign unit members within the same or comparable job classifications and salary ranges.

If it is necessary to reassign unit members into a job classification with a salary range that is lower than their present job classification, the employee will continue to be compensated at the higher salary range and step. The salary of the reassigned employee will be frozen at the higher range and step until the lower salary range increases to an equivalent value.

If it is necessary to reassign unit members into a job classification with a salary range that is higher than their present job classification, the employee will be compensated at the higher salary.

#### Criteria for Voluntary Transfer or Reassignment

Unit members must meet the minimum qualifications of the classification or position requested.

A unit member's seniority will not be affected. His/her salary will be based on the new classification's range and the unit member's current step on the classified salary schedule.

Unit members will receive the benefits available to the classification requested.

### **15.3 Procedure**

#### Procedure for District Transfer or Assignment

A request for permanent or temporary transfer or reassignment may be initiated by a unit member's immediate supervisor or a supervising administrator.

The permanent or temporary transfer or reassignment of unit members shall be made by completing and processing the Transfer or Reassignment form.

In the event of a permanent or temporary transfer or reassignment, the affected unit member and the exclusive representative shall have received written notification of such action from the CHRO at least ten (10) work days prior to the effective date of the transfer or reassignment. A unit member has the right to appeal the transfer or reassignment to the CHRO within the ten (10) work day period prior to the effective date of the transfer or reassignment.

In the event of a temporary transfer, the affected unit member will be provided with transportation or reimbursed at the prevailing District rate for additional mileage incurred as a result of the transfer for the duration of the temporary transfer.

#### Procedure for Voluntary Transfer or Reassignment

Unit members may request a voluntary transfer or reassignment by completing the Request for Voluntary Transfer or Reassignment form.

All requests for voluntary transfer or reassignment will be evaluated based upon unit members' qualifications and the needs of the District. In all instances a unit member will be notified of the disposition of his/her request within forty-eight (48) hours of a final determination.

The affected unit member and exclusive representative shall have received written notification of such action from the CHRO at least ten (10) work days prior to the effective date of the transfer or reassignment.

## **ARTICLE 16    LAYOFFS**

Layoffs of unit members shall take place because of lack of funds or lack of work and shall be in accordance with the provisions of this Article and pertinent Education Code Sections.

### **16.1    Definitions**

"Layoff for lack of funds or layoff for lack of work" includes any reduction in hours of employment or assignment to a class or grade lower than that in which the employee has permanence, voluntarily consented to by the employee, in order to avoid interruption of employment by layoff.

"Classification" shall be as the word is defined in Education Code Section 88001(a).

"Length of service" shall mean all hours in paid status, whether during the school year, a holiday, recess, or during any period that the College was in session or closed commencing or continuing after July 1, 1971, but does not include any hours compensated solely on an overtime basis as provided for in Education Code Section 88027. Any time served by an employee prior to July 1, 1971, shall be computed by crediting two thousand and eighty (2,080) hours for each year of service with the District whether that service was full-time or part-time.

"Hours in paid status" shall mean service with the District by an employee performed while that employee was in probationary or permanent status.

An "affected reassigned employee" is defined as an employee of the District who has been laid off under this Article but who has been voluntarily reassigned in order to avoid interruption of employment by layoff and thereby becomes subject to the thirty-nine (39) month re-employment provisions of the Education Code and this Article. Such a person is required, in writing, to attest to the fact that she or he voluntarily accepts the reassignment.

An "affected person" is defined as a former employee of the District who has been, or shortly will be, laid off under this Article and thereby becomes subject to the thirty-nine (39) month re-employment provisions of the Education Code and this Article.

"Lower included classifications" are those classifications that have duties and/or minimum qualifications that are included or encompassed in the duties and/or minimum qualifications designated for the senior employee's classification and in accordance with EXHIBIT C.

"PERS" means the California Public Employees' Retirement System.

### **16.2    Notice of Layoffs**

The CHRO shall inform the President of the Association or designee of the impending layoff(s) by certified mail or by hand delivery no fewer than five (5) work days prior to issuance of any layoff notice(s).

An employee who is to be laid off shall be notified of the impending action via certified mail and email sent to the most recent address provided to the District by the employee or in person by the CHRO or designee at least sixty (60) calendar days prior to the effective date of layoff.

The Notification of Layoff shall contain the effective date, the reason, reassignment rights, if any, re-employment rights and an Employee Response Form.

Within five (5) work days of the date the employee signs the certified mail receipt, the employee is required to file with the Human Resources Office the signed, dated, and completed Employee Response Form which indicates whether or not the employee desires to exercise reassignment rights.

A copy of the Employee Response Form shall be forwarded to the President of the Association within one (1) work day after the CHRO receives the completed form.

Failure to provide written notice under the provisions of this section shall invalidate the layoff. In addition, failure to follow proper procedures shall be considered an improper layoff. An employee who is improperly laid off shall be re-employed immediately upon discovery of the error and shall be reimbursed for all loss of salary and benefits.

### **16.3 Order Of Layoffs**

The order of layoffs within a classification shall be determined by length of service with the District. The employee who has been employed the shortest time in the classification, plus higher classifications, shall be laid off first. Re-employment shall be in the reverse order of layoff.

In the event two (2) or more employees who are to be laid off have the same length of service, the order of layoff of such employees shall be determined by lot.

Length of service credit for time spent on military leave of absence, unpaid illness leaves, unpaid industrial accident or illness leave, unpaid medical leave, or any approved unpaid personal leave shall be granted.

When reclassification results either in a merger of two or more classes or the separation of a class into two or more classes, seniority rights of unit employees who are classified within the new class shall be computed from the date of their earliest entrance into regular service in the original class.

### **16.4 Alternatives To Layoff**

Employees who are to be laid off may be able to exercise one (1) of the following options in lieu of layoff:

1. displace the least senior employee in the same classification or in a lower included classification in which case they shall become an affected reassigned employee;
2. retire under provisions of the laws and regulations pertaining to retirement under PERS;  
or

3. apply for any vacant position in the District for which they are qualified; or
4. exercise transfer/reassignment rights under Article 16.

Employees who take voluntary demotions or reclassification in lieu of layoff shall be granted the same rights as persons laid off and shall retain eligibility to be considered for re-employment for an additional period of up to twenty-four (24) months; provided, that the same tests of fitness under which they qualified for appointment to the class shall still apply. The CHRO shall make the determination of the specific period of eligibility for re-employment on a class-by-class basis. Education Code Section 88117.

Employees who take voluntary demotions or reclassifications in lieu of layoff shall be, at the option of the employee, returned to a position in their former classification or to positions with increased assigned time as vacancies become available, and without limitation of time, but if there is a valid re-employment list, they shall be ranked on that list in accordance with their proper seniority. Education Code Section 88117.

#### **16.5 Displacement Procedure**

An employee who is to be laid off has so-called "bumping rights" over another employee in the same classification who has been employed the shortest period of time in accordance with Education Code Section 88127 and the procedure that follows.

1. An employee who has been notified that he/she will be laid off has the right to displace the least senior employee in his/her classification, or in a like or similar classification.
2. If this cannot be accomplished, an employee who has been notified that he/she will be laid off has the right to displace the most junior employee in an equal or lower classification in which the senior employee has served previously.
3. If neither of the above is possible, an employee who has been notified that he/she will be laid off has the right to displace the most junior employee in lower included classifications.

#### **16.6 Re-employment Rights**

Affected persons and affected reassigned employees who have been laid off under this Article and pertinent Education Code Sections shall be re-employed by the District, if that is possible, in the reverse order of layoff, in accordance with Education Code Sections 88014, 88015, 88017, 88117 and 88127, and shall be subject to the provisions and/or conditions described directly below.

An affected person shall be required, on a continuing basis during the thirty-nine (39) month re-employment period, to notify in writing the Human Resources Office of his/her current address.

If a position in a classification for which the affected person has seniority and is qualified becomes available during the thirty-nine (39) month re-employment period following layoff, the

CHRO will send a written notice by certified mail to that person at the address on file with the District notifying the person of the vacancy.

If the vacancy is a classification previously held or a classification of same or lower range in which the employee is determined qualified, he/she has first right of refusal to the position.

If the vacancy is at a higher range in which the person meets minimum qualifications, he/she will be offered employment preference prior to outside applicants, in the following order:

1. Individuals impacted by a layoff in accordance with this article.
2. Individuals impacted by the Y-Rate in accordance with 16.6.2.
3. Individuals impacted by Transfer in accordance with Article 15.

An affected person who receives such an offer of re-employment from the District has three (3) alternatives:

1. accept the offer in writing;
2. not respond to the offer within ten (10) working days in which case the offer is considered rejected and,
3. reject the offer in writing.

Should the offer be accepted, the affected person shall have up to thirty (30) calendar days from the postmark of the offer of re-employment in which to report to work though he or she may do so earlier than the thirty (30) calendar day maximum.

Should the offer be rejected, such a rejection shall not jeopardize the affected person's re-employment rights during the remainder of the thirty-nine (39) month (or sixty-three (63) month, as applicable) re-employment period unless the rejection is to an offer of previous classification held or higher.

A person who is reemployed into a new classification shall serve a new probationary period in that class.

16.6.1 Salary placement of a reinstated employee off the 39-month rehire list will be at the step closest to the salary at time of layoff or transfer, whichever is higher.

16.6.2 Employees affected by the imposed adjusted salary schedule of 2015 and placed in a y-rated status, will be placed on the 39-month rehire list effective July 1, 2017 and provided employment preference.

## **16.7 Insurance Provisions**

Affected persons shall continue to receive for up to, but for no more than, three (3) months following the date of layoff, the hospital, medical, dental, and vision insurance benefits they

were receiving when they were laid off so long as they comply with the conditions described directly below.

1. Affected persons are required to notify, in writing, the CHRO of their continued eligibility for insurance coverage exactly thirty (30), sixty (60) and ninety (90) calendar days following the date of layoff except in either of the two (2) instances described directly below.
2. If an affected person accepts employment outside of the District, or if that person is covered by hospital, medical (including prescription card), dental, vision, or life insurance not provided by the District, then the insurance coverage provided by the District shall cease immediately.

### **16.8 Accrued Vacation/Compensatory Time**

Affected persons are entitled to earned vacation and/or compensatory time off credit under the conditions described directly below.

1. An affected person may decide to receive monetary compensation for earned vacation and/or compensatory time off credit. Such monetary compensation shall be paid to the affected person on the next regularly scheduled payroll date following the date of layoff of the affected person.
2. If an affected person decides to take earned vacation and/or compensatory time off credit instead of compensation, he or she shall begin using any earned vacation and/or compensatory time off the workday immediately following the date of layoff. The District may not require an affected person to use earned vacation and/or compensatory time off during the sixty (60) calendar day notification period.
3. Previously scheduled vacations of affected persons shall be canceled.

### **16.9 Seniority**

During the re-employment period, no affected person shall earn seniority credit or accrue vacation, sick leave, or holiday benefits.

No disciplinary action shall be taken for any cause which arose prior to the employee's becoming permanent, nor for any cause which arose more than two years preceding the date of filing of the notice of cause unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the employing district.

An employee receiving a disciplinary action shall have the right to the presence of a representative of his/her choice at all times during these proceedings.

### **18.2    Definitions**

For the purposes of this article, the following definitions apply:

#### **18.2.1    Progressive Discipline**

"Progressive discipline" is the process of changing an employee's behavior through the application of a series of actions that become progressively more severe in nature. However, the sequence and severity of the disciplinary actions may vary depending on the seriousness of the offense and circumstances surrounding it.

#### **18.2.2    Discipline (disciplinary action)**

"Discipline (disciplinary action)" is the action or actions taken to change the behavior of employees who fail to follow established rules and regulations, or to meet job performance standards. It is a form of training designed to correct undesirable conduct and encourage the development of self-control. Excepting an action for dismissal, the paramount objective of discipline is not to punish employees by penalizing them for past violations but to change their behavior by making them responsible for their future actions. Disciplinary actions, for the purposes of hearing rights are defined as suspension, demotion, or dismissal.

#### **18.2.3    Verbal Warning**

A "verbal warning" may be given for a specific behavior that violates District policy, a failure to obey the lawful orders of a supervisor/administrator, any conduct specified under the Dismissal for Cause section of this article, or when circumstances or events occur that makes it necessary for this action to be taken. A verbal warning may be given to an employee by the employee's supervisor, department head/Vice President, or the Chief Human Resource Officer.

Verbal warnings are not punitive in nature. They are notices to an employee that he/she has violated a rule or regulation and must change his/her behavior in such a way that he/she will not violate the rule or regulation again.

Verbal warnings shall be documented on the Verbal Warning/Written Reprimand Documentation Form.

#### **18.2.4 Written Reprimand**

A "**written reprimand**" is given for the same behavior(s) as a verbal warning and is used when a verbal warning has not affected the appropriate behavioral response on the part of the employee within a reasonable period of time. A written reprimand may be given to the employee by the employee's supervisor, department head/Vice President, or the Chief Human Resource Officer.

Additionally, a written reprimand may be issued when an employee commits a specific act that is of a nature that a verbal warning is deemed to be an insufficient or inappropriate action for the seriousness of the act committed.

Written reprimands shall be documented on the Verbal Warning/Written Reprimand Documentation Form.

#### **18.2.5 Suspension**

"Suspension" is an enforced absence, with or without pay, for not more than thirty (30) working days. An employee may be suspended pending the investigation of charges.

#### **18.2.6 Demotion**

"Demotion" is an enforced reduction to a lower classification.

#### **18.2.7 Dismissal**

"Dismissal" is termination from employment for just cause.

Suspension, demotion, or dismissals shall be documented on the Disciplinary Suspension, Demotion, or Dismissal Form.

### **18.3 Progressive Discipline Procedure**

**Progressive discipline shall include the following steps:**

**2. Verbal Warning**

If the inappropriate behavior continues, within ten (10) work days after the repeated occurrence, the supervisor may give the employee a verbal warning. The verbal warning must specify the reasons for the disciplinary action and the corrective actions the employee must take in making an appropriate behavioral change. The supervisor meets with the employee to discuss his/her inappropriate behavior and completes a Verbal Warning Documentation Form.

This document is forwarded to the Chief Human Resource Officer to be placed in a sealed envelope in the employee's personnel file and a copy given to the employee. The employee and his/her supervisor shall develop a written plan describing the specific actions the employee must take to bring his/her job performance up to acceptable standards.

Forty-five (45) work days after the plan is put into action, the employee and supervisor will meet to discuss the employee's progress toward meeting performance standards. **Subject: PERB Case No. LA-CE-5977-E Settlement Agreement**

---

It has come to the attention of CSEA and the District that unit members are questioning how the longevity payments would be calculated. This communiqué is intended to clarify the mutual understandings of the parties.

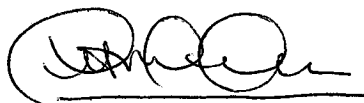

1. The parties have tentatively agreed to a 3% Longevity Stipend. The longevity stipend is based solely on years of service with the district and is not part of the salary schedule; however, it is pensionable income for purposes of CalPERS. The longevity stipend is 3% of the salary members are making as they reach the benchmarks of 15, 20, and 25 years. The stipend pays out on a monthly basis on top of the member's salary schedule placement until the member reaches the next benchmark year. The longevity stipends are compounding in nature, on top of the member's salary schedule placement. Payment of the stipend shall begin on the month immediately following the completion of the required years of service.

Case No. LA-CE-5977-E

**SETTLEMENT AGREEMENT**

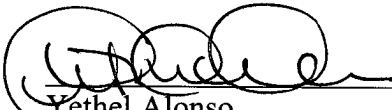

In the interest of promoting harmonious labor relations between the parties and to avoid the uncertainty, inconvenience, and expense of litigation, the California School Employees Association & its Chapter 472 (CSEA) and the Imperial Community College District (District) in settlement of the above-captioned unfair practice charge with the Public Employment Relations Board, agree as follows:

1. A dispute has arisen between the parties concerning an allegation that the District violated EERA by failing to negotiate in good faith with CSEA by proceeding to implement a unilaterally imposed salary schedule, including retroactive salary decreases, without bargaining with CSEA over the methodology of the implementation; by proceeding to implement a last, best, and final offer which contained a requirement for the employees to authorize and consent to a payroll deduction from their paycheck; and by bypassing CSEA, the exclusive representative, and dealing directly with the employees in violation of Government Code section 3543.5(a), (b), and (c).
2. The parties shall continue negotiations regarding the methodology and effects surrounding this agreement including but not limited to issues arising from the implementation of the District's Last Best and Final Offer dated September 5, 2013 (LBFO). The parties shall continue negotiations until they reach agreement or exhaust the impasse procedures.
3. Unit members shall be placed on the salary schedule in effect on October 1, 2014.
4. The parties agree to implement the LBFO with its "District proposed schedule" subject to the following modifications:
  - a. District waives its claim to recover "retroactive" payments as referenced in the LBFO set forth below: *Effective July, 2013, a 3% step increase for those eligible (2% of any 5% increase given on July 1, 2013 to be recovered via payroll deduction agreement up to 6 months).*

- b. District shall pay any retroactively computed amounts for the recoupment period due certain members (those placed at Steps one through three under the previous schedule as of July 1, 2013). This will be paid no later than June 30, 2015.
  - c. Modify the LBFO so that each range contains five additional steps with 3% increases between the steps. Thereafter, each range shall have ten steps each with 3% incremental increases.
  - d. Effective October 1, 2014, the parties agree that longevity stipends of 3% will be paid to bargaining unit members upon achieving 15, 20 and 25 years of service. Payment of the longevity stipend shall commence on the month immediately following the completion of the required years of service with ICCD.
5. The parties shall immediately seek to have the scheduled hearing in PERB Case No. LA-CE-5977-E set to commence May 5, 2015 continued with dismissal of the matter upon approval, ratification and final execution of this agreement.
  6. This Settlement Agreement does not constitute an admission of wrongdoing, contract or statutory violation, or liability on the part of any party to this agreement.
  7. This Settlement Agreement represents a full and complete resolution of the claims and disputes between the parties based upon PERB Case No. LA-CE-5977-E.
  8. The undersigned parties represent that they have read and understand the terms of this settlement and that they are authorized to execute this Settlement Agreement on behalf of their principals.
