

## 16-17 STUDENT EQUITY CALL FOR PROPOSALS

The Student Equity Program will be accepting project proposals for implementation and completion during the 16-17 school year.

Student Equity projects should improve outcomes for students who have been historically underrepresented and underserved. Projects should focus on the Disproportionally Impacted (DI) groups identified with in the IVC Equity Plan and address one or more plan goals. Projects will be evaluated on scalability, focus on target groups, impact on student outcomes, link to programs goals, ability to measure success and funding availability. An activity timeline and detailed budget must be attached to the project proposal. Projects should be based on research and best practice models. Only complete project applications will be reviewed by the committee.
