IVC Committed to Sustainability

The 50-yearold Imperial Valley College campus is in the midst of dramatic transformation, adding facilities as it redefines itself as an institution committed to both sustainability and mobility for future generations.

The mobility and 10-year campus expansion plan is drastically changing the footprint of this 8,000

student college. Xeriscape landscaping and people scaled features have not only altered the aesthetics of this campus, but have redefined the pivotal role integrated uses can play with the incorporation of expanded public transit facilities.

Funding has come through a variety of sources including the \$58.6 million Measure L passed in 2004 and the \$80 million Measure J approved in 2010. Transportation improvements have been funded in partnership with the U.S. Department of Transportation and the Imperial County Transportation Commission (ICTC), formerly known as the Imperial Valley Associ-Clearly, the ation of Governments. Imperial Valley, recognizes the regional significance of its only community college. IVC, for many years, has fostered the development of mass transit. One third of the ridership of Imperial County's public transit system is IVC students traveling to classes. Of the 32,000 monthly passenger trips on Imperial Valley Transit, there are 10,000 which embark and debark from IVC.

IVC and the ICTC have partnered to develop new transit centers on campus which have improved the safety and security of transit riders by separating the college's bus drop off from passenger vehicle areas. Other circulation improvements have included two new entrances to the campus.

The first new building in this expansion, a 70,000 square foot two-story science building, opened to students in January 2010. IVC has integrated a number of key sustainable green building features that utilize the Imperial Valley's finite resources in the most efficient manner. This building became the first LEED certified science building (silver) in Southern California and the first publicly-owned LEED certified building in Imperial County. Construction is currently underway on new Career-Technical buildings, funded by Measure J. These buildings are also being built to LEED standards.

For additional telephone numbers and directory information, visit our website at https://www.imperial.edu/faculty-and-staff

IVC is positioning itself as an educational facility that promotes balanced growth with an eye toward greater diversification of the regional economy.

Professor Rick Castrapel: An IVC Story

For computer science and mathematics professor, Rick Castrapel, a successful career in the programming industry still left him wanting more.

"At some point, the goal to be better than Microsoft wasn't enough for me..." lamented the former Sun Microsystems software engineer, turned IVC professor. "I wanted more! Not more money, but more fulfillment." "To see the figurative light come on when a student learns a new concept – that's what I was missing, and now I get it every day!" said Castrapel who has been teaching at IVC for the past six years.

A popular instructor, Professor Castrapel started the Robotics Club at IVC and often stays late after class to work with students on their projects. Some of those projects look like they're straight out of science fiction with robots programmed to move on command - just another day in the office for Rick Castrapel.

The quality of IVC's faculty continues to be a strong asset for the college. Alumni often comment that of all their college instructors, it was an IVC professor that inspired them to accomplish their goal or complete their degree. One likely factor is that IVC typically has smaller class sizes when compared to four year universities. This gives students more access to professors, instead of the typical graduate assistant from a large university.

It's this direct access to students that inspires IVC's faculty and staff as well.

Message to the Community **From IVC President Victor Jaime**

Welcome to Imperial Valley College.

This is a very exciting and challenging time at your college and it's hard to believe that 50 years have passed since the first class was held on this campus in September 1962.

We are continuing to work through one of the most serious budget crises that has ever impacted our state and unfortunately student access has been hurt. At the same time, our state's community college system has been reevaluating its role in California's education master plan to focus more on core areas such as transfer, career training and basic skills.

As our campus celebrates this 50th Anniversary, it comes at a time when IVC's mission is evolving away from its historical contributions of providing continuing "lifelong" education for adults into more of a traditional higher education role.

But even with all of the changes—as well as those yet to come—we pledge to the community that we will do everything possible to make Imperial Valley College a fulfilling educational experience.

This 50th year also marks major facility changes as well. Our college is in the midst of one of the most historic transformations in its history, perhaps second only to the actual construction of this beautiful campus on Aten Road in 1962.

All of this expansion has been funded by two major bond measures that have been passed since 2004: the \$58.6 million Measure L bond adopted in November 2004 and the \$80 million Measure J approved by the voters in 2010. These amounts have been augmented by state matching funds that have allowed us to leverage the bond allocations into even more campus improvements.

In early 2010, we opened our new 70,000 square foot science building, and in a partnership with the county, new transportation facilities. We added the Juanita Lowe Art Gallery in the spring of 2011. This fall, we reopened the 400 building—our old science building—which has been transformed into modern state of the art classrooms. It also is home to our assessment center.

As our Spring 2013 semester begins, work will be underway in earnest on our two new Career Technical Education (CTE) buildings just to the west of the science building. This complex will be home to classrooms that will be training our residents for the careers of the future. There will be separate labs for construction trades, welding, renewable energy, electronics, computer repair as well as labs for the Fire Academy, Police Officers Standards and Training and Emergency Medical Services. Part of this project also will include modernization of our automotive

technician training area.

IVC, though, is more than buildings and high-tech classrooms. IVC is about people. Our college--and its accomplishments--is really the sum of the work of more than 300 employees, 8,000 students and countless parents and other supporters in the community.

Over the past half-century, thousands of students (myself included) have graduated from Imperial Valley College and have transferred to four-year colleges and universities. Many have distinguished themselves in their chosen professions.

I want to thank the community for the trust you have placed in us to provide quality educational programs. IVC is in the business of empowering students and empowering careers.

Victor M. Jaime, Ed.D. Superintendent/President

About Imperial Valley College

500 students to colleges and universities in and outside of California. The faculty at Imperial Valley College is highly qualified with many possessing doctorate degrees. Imperial Valley College is known throughout the region for its outstanding career and occupational programs, excellent programs of study in business, quality allied health, renewable energy and public safety programs and for excellent transfer and general education courses.

In 2010, the college opened its new 70,000 square-foot science building and work is currently underway on new Career Technical buildings. This work is the result of the support of the voting public of the Imperial Valley and is part of an exciting facility growth plan that will serve the students of IVC now and into the future. IVC is also a major economic engine in Imperial County. It is responsible for infusing millions of dollars annually into the local economy through its construction projects, general operations and annual earnings of its current students and graduates.

Imperial Valley College is located along the Highway 111 central corridor of Imperial County. It offers a full range of associate degrees, professional certificates and basic skills courses as well as a comprehensive array of university transfer and

education courses. Classes are offered on the main campus at Highway 111 and Aten Road and other locations throughout Imperial County. IVC has an annual full-time enrollment population of nearly 8,000 students. Every year it transfers over

***SUBJECT TO CHANGE**

Update on Construction

The Imperial Valley College campus has been celebrating its half century mark with an extensive modernization program, thanks to successful passage of two bond issues and partnerships with other agencies. The result has been virtually constant construction on campus.

Between Measures L and J, voters in the college district have authorized a combined \$138 million in capital construction and modernization at IVC.

With the completion of the new 2700 building in 2010, which houses 70,000 square feet of "smart" science laboratories and classrooms, work began in the central part of the campus to modernize the former science building with more than \$2 million in state funding. That 400 building reopened this fall and now houses six renovated "smart" classrooms and the Assessment Center.

Work has also continued on transportation and bus terminals on the campus in partnership with the City of Imperial, Imperial County and the Imperial County Transportation Commission. The parking lot has been totally redesigned, a traffic signal has been installed at the Aten entrance and a parameter road now surrounds the campus.

However the most significant transportation structures are new bus terminal and vehicle drop-off centers that have greatly increased safety and mobility for students.

This fall, a shaded para-transit bus and

vehicular passenger loading and unloading area opened near the gymnasium. This joins the Imperial County Transit terminal that opened in 2010 on the eastern side of the campus, near Highway 111. And major construction work continues. Ground was broken last December for two new Career Technical buildings, funded by Measure J. The 60,000 square feet of labs and classrooms will cost \$19,601,697. The project has received 72 percent local contractor participation, thanks to an extensive outreach program by Nielsen Construction, the project management company. Building construction for these facilities is scheduled to be completed by March 2014. A critical component of the Career Technical facility work also will be modernization of existing 1100, 1200, and 1300 buildings. As IVC President Victor Jaime noted at the groundbreaking ceremony for the future 3100 and 3200 buildings in December, 2011, "The fact that these buildings are going up at a time of fiscal crisis does not diminish the importance of these investments for the present as well as for the future. The construction itself will provide much needed local jobs for contractors and subcontractors over the next several years. When these buildings are complete, these classrooms and labs will be filled by our future law enforcement officers, energy workers, firefighters, paramedics and others who will help bring prosperity to our Valley. "

DID KNOW?

Important IVC Student Information for the Spring 2013 Semester

- Drop for non-payment of fees once you begin the enrollment process, you have 5 business days to pay all related fees or you may be dropped from your classes. This includes enrollment fees, health fee, and the student representation fee. Please check your IVC student account to make sure all your fees have been paid or you may be dropped. Once all fees have been paid, you will again be eligible to register for any open classes.
- Students on Academic Probation (less the 2.0 GPA and/or 50% completion rate), will be moved to the final priority group during priority registration.
- During priority registration students may register for a maximum of 16 units. To enroll in over 16 you must wait until all other students have registered (December 3).
- WaitLists are again in place for Spring 2013 however they are used prior to the start of the semester only. After the term begins, crashing replaces the waitlist for entry into a course. Remember, the instructor has the option of accepting crashers or not.
- Your student e-mail account is extremely important please check it regularly. All communications regarding waitlists, drop for non-payment, financial aid, probations status, etc., will be sent to your IVC student e-mail account. Check it regularly and often.
- **Students can now access DegreeWorks from home and/or computer lab.** DegreeWorks will provide you with an educational plan that determines which classes you may still need to take in order to graduate and/or transfer. Visit the Student Services Computer lab today to learn more about this very useful tool for students.
- Apply for Financial Aid ASAP assistance with fee waivers, book vouchers, and other educational expenses is available, but only if you have completed the FAFSA and all related IVC requirements.
- Beginning with the Summer 2012 term, students may only enroll in a class three times, after which any future attempts to enroll will be blocked. This includes all enrollments with W's or substandard grades (F or D).
- Need a transcript? Go to www.imperial.edu/docufide, this site now processes all transcripts requests for IVC.
- Need enrollment verification? Go to www.enrollmentverify.org, this site now handles all enrollment verification requests for IVC.

Important Dates

Tuesday, November 13th, 2012 Spring 2013 Priority Registration Begins

Monday, January 14th, 2013 Spring 2013 Classes Begin

Imperial Valley College

380 East Aten Road, Imperial, CA 92251 (760) 352-8320 www.imperial.edu

Imperial Valley College Foundation

IMPERIAL V

COLLEGE

tive for these top students to attend IVC.

The scholarship will be offered to the top two students (commonly named the valedictorian and the salutatorian) from each of Imperial County's public high schools. The scholarship will be offered for the first 4 semesters at IVC.

Fifty years ago, a small group of students gathered for the first day of classes on a 160-acre plot of land at the intersection of Highway 111 and Aten Road. It was the culmination of years of hard work by the citizens of this county to finance and build a freestanding Imperial Valley College.

960

Since that day countless thousands of Imperial Valley residents have furthered their education by attending IVC and then transferring on to a four year university, or they may have obtained valuable training in one of our many certificated programs. Today IVC is a community college governed by a locally elected board of trustees who oversee the education of over 7,000 students.

Annually the college's economic impact to Imperial Valley is measured in the tens of millions with IVC Alumni contributing even more to our Valley's growth. As an institution that receives most of its revenue from the State of California, the past few years have been very volatile fiscally. The college is however committed to physical growth as the second of two bonds was recently passed, with overwhelming support.

The community's support of Imperial Valley College is strong, and IVC has never needed it as much as today.

PRESIDENT'S SCHOLARSHIP

To recruit the top students from Imperial Valley high schools, Dr. Victor M. Jaime will be establishing a President's Scholarship Program that will award a full scholarship for tuition and fees for the top local high school graduates who attend Imperial Valley College.

The President's Scholarship is designed to recognize outstanding academic achievement and help provide an incenWith the current statewide community college tuition set at \$46 per unit, it is estimated that each year the scholarship will be valued at \$1,400 per student.

PRESIDENT'S CIRCLE CAMPAIGN

In an effort to recognize individuals and organizations who contribute towards this cause, the President has established a President's Circle to give special distinction to those who enable Imperial Valley College to recruit these outstanding students.

The President's Circle will be an annual campaign that will include contributors of one thousand dollars or more during the academic year.

Additionally, all President's Circle members will be invited to special hosted events on campus during the year.

ASSOCIATE DEGREES FOR TRANSFER TO CSU

Now Offered in California Community Colleges.

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-

somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing

An IVC Music Story

While not coming from a musical family, IVC sophomore Alexis Villalobos knew early on that he wanted to teach music. Inspired by his elementary school music teacher, Mark Rassmussen, the Music and History double major student spends time volunteering in the Calexico Unified School District helping teach music to young people.

"I remember when I was in 4th grade and was handed my first instrument, a clarinet. I really had a knack for it and it wasn't long after that I began to play other instruments as well." commented Villalobos.

While still in high school, Villalobos enrolled in some IVC music classes includStudents who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

ing the community band class taught by adjunct professor, Brooke Kofford. "Mr. Kofford taught me the principles and philosophies of music which in turn has made me a better musician but also prepared me to teach others."

After his studies at IVC, Villalobos is preparing to transfer to Cal State Long Beach, a school that has a well-respected music education program. "I want to not only be a good musician, but also be trained on how to teach others" explained Villalobos. "Just like I was able to experience music while in school, I want to see that same light go on in young kids as well when they get a chance to play and make music!"

5

(Continued from Front page)

This community consensus is reflected in the fact that construction of the new campus had been approved two years before when community college district residents set an all-time state record, voting by a ratio of thirteen to one in favor of bonds to finance the new buildings.

But even though the 1962 grand opening signaled a new era for higher education in the Imperial Valley, IVC's roots run even deeper into the county's heritage.

Two years after the 1922 opening of Central Junior College, instruction began at the Brawley Junior College, located at Brawley Union High School. Central Junior College first conferred an Associate in Arts degree in 1934. Enrollments increased in both schools until World War II, when attendance dropped sharply.

Brawley Junior College was forced, by lack of attendance, to discontinue classes at the close of the 1947 school year. In the fall of 1951, Central Junior College students, in cooperation with the administration and faculty, petitioned their governing board for a more representative name for the college. It was now serving students from all of the Imperial Valley. That is when the name was officially changed to Imperial Valley College.

The college was under the administration of the Central Union High School District. As the institution grew with the community, this growth was reflected in the steady rise in enrollment and in the diversity of courses and curricula that was offered.

A recommendation that a county wide community college district be established in Imperial County was put before the voters on October 6, 1959. By an overwhelming vote, what is now the Imperial Community College District was established. The next year, the people of Imperial County set a state record in their overwhelming approval of bonds to finance the building of a new campus.

The Imperial Valley College on Aten Road opened in September 1962 and consisted of a library, science laboratories, fine arts rooms, student activities building, academic classrooms, administration and faculty offices, social science rooms, physical education shower and locker rooms, and agricultural education classrooms and shop.

Over the past 50 years, the IVC campus footprint has greatly expanded and today occupies much of the original 160 acres of land at the intersection of Aten Road and Highway 111. With the passage of two recent bond measures, many of those original classrooms have now been modernized. A 70,000 foot, two story classroom and science lab anchors the northern side of the campus. It will soon to be joined by new state of the art career-technical facilities.

IVC today serves 175,000 residents over a large rural area comprised of more than 4,600 square miles. It serves about 8,000 students each semester.

A 2010 analysis shows that IVC's total economic impact on the Imperial Valley will exceed \$5.9 billion by 2020 with an annual economic impact over the same period of \$456.6 million.

A Public Speaking Challenge

By Ivan Mora IVC Transfer student

The most embarrassing moments in my life were high school speeches. Public speaking itself can be terrifying for a lot of people, but public speaking in a new language is even worse! Although by the time I started my first year at IVC, I already knew enough English to have conversations fluently, my accent was still very strong, and my vocabulary was still limited.

In spite of this, I had to take a Speech 100 class at IVC, and I was very enthusiastic about it. I guess because I had a lot of good personal stories that I like sharing with people. When it was time for me to stand up and give my first college speech, memories of my speeches in high school came back at me, and I became very anxious. All those times my hands shook very bad, my voice broke down, and my tongue tangled while my face got red like a tomato and my breathing became shallow. I stood up and began my first speech anyway. I spoke to around 30 students, and the speech went OK. I made a few people laugh and kept them engaged. Wow! Nothing like my high school speeches!

Every speech I gave, I got a little better, and eventually, according to my teacher, Mr. (Bruce) Page, and my

classmates, I became the best speaker in the class. Mr. Page then talked to me and wrote me a recommendation letter for a scholarship. He said, "Over the thousands of students I've taught over the years in public speaking, I would not hesitate to say Ivan ranks in the top ten." I never considered myself that much of a good speaker. Not even when my classmates told me so. But Mr. Page saw in me something I didn't see in myself. He believed in me at a time I didn't believe in myself.

And ever since he acknowledged my capabilities, I've just become stronger in public speaking and other skills. His words of encouragement caused me to put twice as much effort in my next speeches and courses. As a result, I was again considered the best speaker in my other speech classes. I've even given two motivational speeches for personal development classes, and I plan on giving more. Because of Mr. Page's and other people's feedback, I've realized that I would love to become a motivational public speaker and share with people the wonderful things I've learned about the world.

Mr. Page has become my mentor, motivator, and my friend. Even today, two years after I took his speech class, I still look up for him for advice, not only in public speaking, but also about life. Mr. Page has shown me through his example that it doesn't take much to make a major difference in a person's life. All it takes is for you to believe in a person and acknowledge this person's capabilities. That may be all this person needs to start believing in him/herself. "When you acknowledge someone's light, you make that light become brighter!"

(Ivan is currently continuing his education at the California State University, Chico State)

Who May Attend IVC

Anyone who is a high school graduate, or who is 18 years of age or older and no longer enrolled in high school, is welcome to enroll in Imperial Valley College (IVC). Select high school students who excel in academic areas and are seeking advanced education also may be allowed to enroll.

How to Get Started: 7 E-Z STEPS

1. Students who were enrolled past the first 2 weeks of classes in Spring 2012 and Fall 2012 do not need to apply and should skip to Step # 2.

Students who have not attended IVC before or who did not attend one or more of these terms, must first apply for admission. Go to the IVC homepage at http://www.imperial.edu and click on Apply Now. After your online application is received and processed (applications uploaded every hour), an e-mail will be sent to your email address informing you of your admission status or requesting additional information, if needed.

Foreign students who wish to attend on an F-1 student visa also must submit a completed foreign student application packet in addition to the online application. Contact the Admissions and Records Office or go to http://www.imperial.edu, click on For Students and select Admissions & Records. The application for International Students can be found under Forms.

Students who will still be in high school in Spring 2013 also must submit a Special Student Application for 11-12 Concurrent Enrollment. A link to the application packet is provided on the IVC web page at www.imperial.edu. Click on For Students and select Admissions & Records from the drop down menu. The Application for High School Concurrent Enrollment can be found under Forms. You may also obtain a copy from the IVC Admissions and Records Office or the counseling office of your local high school. Requirements for admission and deadlines are included in the application packet.

- 2. Apply for financial aid if you wish to do so. Many programs are available to help with your educational expenses. Visit the Financial Aid Office in Building 100 or call (760)355-6266 for more information. Staff will be happy to assist you.
- If you have attended another college or university, have your official transcript(s) sent to: IVC, Office of Admissions and Records, Imperial Valley College, P.O. Box 158, Imperial, CA 92251-0158. To be official, transcripts must be in unopened sealed envelopes from the reporting institution. If you have taken courses at other institutions which might meet prerequisite requirements, it is crucial you have your transcripts sent immediately. For complete information on transfer of credit to IVC from other colleges or universities please refer to the later section en titled Transfer Credit.
- 4. Take the IVC assessment tests. If you plan to take English or math courses, and have not completed course work in those subjects at IVC or another college, before registering you should take the assessment tests in reading, writing, and math.

Contact the Assessment Center at (760)355-6447 or visit the IVC Web page at www.imperial.edu and select For Students on the top menu bar, then Student Services on the left, and then Assessment Center also on the left.

- 5. Meet with a Counselor for help in selecting classes to reach your goals. To make an appointment call (760)355-6246. If possible, take copies of your high school and other college transcripts with you.
- 6. Register (sign up) for classes see following sections to determine when and how to register.
- 7. Pay Fees see section on Student Fees.

MEET WebSTAR

(Student Teacher Automated Resources)
 Application for admission and registration for classes is done online over the internet.
 Registration is done through WebSTAR which is available seven days a week.
 You may use any computer with an internet connection.
 Computers are available for student use on campus in the Enrollment Services Lab room 1601 or the Library Media Center.
 When possible, computers in labs also will be available.

Employees are available to help students in the Enrollment Services Lab.

REGISTRATION: Signing Up for Classes

Registration is via the internet using WebSTAR except for students who will still be in high school.

Read E-Z Step number 1 above to determine if you need to complete the online application before signing up for classes.

Refer To Important Dates and Deadlines to determine when registration begins and ends. Register as early as possible to have the best chance of getting the classes you want at the times you wish to take them.

CAUTION: Do not wait until deadline dates to register, add or drop classes. If you have any problems, you will need time to resolve them. Some deadline dates may fall on days when the College is closed. Staff members are available only during working hours. If you wait until the last minute to attempt to add or drop, you may not be able to get the help you need and will not be able to successfully complete your transaction.

For instructions on when and how to register read the following sections on:

Plan Your Schedule of Classes; Priority Registration Assignments; Register or Add Classes.

ALWAYS verify you completed the process correctly after doing any registration transactions (initial registration, adding, or dropping by reviewing and printing your schedule. See the section on Review and/or Print Your Schedule. Then review your fees (see section on Review Fees).

PLAN YOUR CLASS SCHEDULE

Pay close attention to when and where the classes meet. When selecting classes using WebSTAR, use the following key for class meeting days:

M = Monday T = Tuesday W = Wednesday R = Thursday F = Friday S = Saturday U = Sunday

Examples: MTWR = class meets on Monday, Tuesday, Wednesday and Thursday MW = class meets on Monday and Wednesday TR = class meets on Tuesday and Thursday

Some classes are offered off campus. The six-digit building and room number follow the name of the instructor in the printed Class Schedule. The first three digits are the building and the last three are the room number. For example, 200-203 is Building #200, room 203. Refer to the page containing location codes before the listing of classes for off-campus designations.

Not all classes are offered for the full semester. In the Class Schedule, start and end dates are indicated below class sections that meet for less than the full term. Each short-term class has an individual set of deadline dates to add, drop, be eligible for a refund, etc. Check with the Admissions and Records Office for deadline dates.

By California State law, you will not be allowed to register for courses that have any overlap of time, or for two classes with the ending time of one being the starting time of the other. Exceptions will not be made. Plan your schedule so you have enough time between classes to get to the next one. If it meets on a different campus, you will need to allow travel time. Leaving class early or arriving late is not acceptable.

PLAN YOUR CLASS SCHEDULE

The maximum number of units for which students may register is 19 in Fall and Spring, and 9 in Summer. Exceptions might be made for students who have a cumulative GPA of 2.50 or higher and special circumstances. See the Counseling Center. A normal class load in the Fall and Spring Semesters is considered to be 12-18 units plus a PE activity class. Students working full time are encouraged to carry a reduced load.

Once students have completed a proficiency in a subject area with a C or higher grade, they may not take a lower proficiency level in that subject area. For example: A student may not enroll in English 099 after having successfully completed English 101. (This does not apply to vocational refresher courses.)

Prerequisites are requirements that must be met before courses may be taken. Corequisites require that two courses be taken in the same semester. Recommended preparation is strongly recommended by the faculty for the student to have a good chance of successfully completing the course. All such requirements are listed under the course title in this Class Schedule and the Catalog. Prerequisite requirements must be completed with a C grade or higher.

Course Reference Numbers (CRN) are required for each course for which you wish to register. If using the printed Class Schedule in this publication, the five-digit number is listed before the time each class section meets.

WHAT IS PRIORITY REGISTRATION?

Priority registration is available to continuing or former IVC students; assignments are based on the number of total units you have earned at IVC and at any other colleges from which we have received official transcripts and calculated total lower division transfer units (individual course evaluations may not be done yet). Re-enrolling students have the same assignment they would have had if they had not interrupted their enrollment. Students who have not attended IVC previously after leaving high school are considered "new" students and are not eligible for priority registration their first semester. For the date new students may begin registering, please refer to the bottom of the following page entitled Priority Registration Times.

How to determine your priority registration time:

 You probably already know if you are an official participant in the Disabled Student Programs and Services (DSP&S), Asso ciated Student Government (ASG), Athletic Program, ASPIRE, or Extended Opportunity Programs and Services (EOPS). If you are uncertain, contact:

DSP&S	2100 Building	(760)355-6312 TDD (760)355-4174
ASG, Student Affairs Office	1000 Building	(760)355-6455
Athletic Office	Gym	(760)355-6235
ASPIRE	Transfer Center, 100 Building Student Services Specialist in Admissions and Records, Administration Building	(760)355-6274 or (760)355-6206

EOPS

100 Building

(760)355-6407

- 2. Armed Forces: Current or former members of the Air Force, Army, Coast Guard, Marine Corps, National Guard, or Navy are eligible for the first priority group. A request form must be completed one time only and documentation provided (military ID card for current members, DD214 for former members). Contact the Admissions and Records office on the main campus in the Administration Building #10.
- 3. Foster Youth: Current or former Foster Youth are eligible for the first priority group. A request form must be completed one time only and documentation provided verifying former or current Foster Youth status. Contact the Admissions & Records Of fice in the Administration Building #10.
- 4. If you are not a member of one of these special programs and are currently attending IVC or have previously attended after leaving high school, you are a "Current or Former" student.
- 5. Determine how many total units you have earned at IVC and other colleges/universities from which official transcripts have been received and evaluated. Transfer units will include lower division course work only that transfers to IVC. Upper division credit units earned at four-year colleges/universities may transfer to IVC. Check with your counselor.

Former and continuing students may determine their total by going to the Student Portal and after signing in, clicking on the following selections: WebSTAR, Student Services & Financial Aid, Student Records, Academic Transcript. Transcript Level should be All Levels; Transcript Type should be Web Transcript. Click on "Submit." Your transcript will be displayed semester by semester. Scroll to the end and under "Earned Hours" review the overall total.

6. Find your registration day and time on the following Priority Registration Times chart

PRIORITY REGISTRATION TIMES SPRING 2013

PLEASE NOTE: You may begin the registration process at the time of your priority assignment or later. Students may register for up to 16 units during priority registration. Additional units may be added up to 19 units during Open Registration which begins Monday, December 3.

K -12 Students (Cor	ncurrent Enrollment)	Thursday	November 29	12:00 noon

Online registration is not available to concurrent students because admission is granted for specific courses. The Special Student Application for K-12 Concurrent Enrollment must be submitted and approved each semester. The deadline for submission to guarantee consideration for Spring 2013 is December 1. Registration must be completed in person after admission is granted.

OPEN REGISTRATION – All Students Monday

December 3 9:00 a.m.

*ARMED FORCES: Current or former members of the Air Force, Army, Coast Guard, Marine Corps, National Guard, or Navy are eligible for this priority registration group. A request form must be completed and documentation provided (military ID card for current members, DD214 for former members). Contact the Admissions and Records Office in the Administration Building #10. **FOSTER YOUTH: Current or former Foster Youth are eligible for this priority registration group. A request form must be completed one time only and documentation provided verifying former or current Foster Youth status. Contact the Admissions and Records office in the Administration Building #10.

USING WebSTAR: STEPS TO SUCCESSFUL ENROLLMENT

SIGNING ON TO WebSTAR

- 1. Go to http://www.imperial.edu
- 2. Click on the For Students tab at the top of the page and then select Student Portal.
- For User ID, input your social security number or student ID (9 digits, begins with G00).
- 4. Enter your PIN.
- 5. Click on LOGIN.
- 6. If you have not used WebSTAR before, you must use your birthdate as your first PIN. You will then be required to change it to another number. Re-enter your current PIN, which is your six-digit birthdate. Then, input a new PIN, which must be six digits, numbers only. Do not tell any one else what your PIN is.
- 7. Enter a security question. If you forget your PIN in the fu ture, you will be asked this question and if you know the answer, your PIN can be released to you. Keep it short and a question that not just anyone will know the answer to. Some examples: Dog's name? Nephew's name? Mother's maiden name? Favorite car?
- 8. Input the answer.
- 9. Click on Submit.
- 10. If you agree to the terms of usage, click on Continue.
- 11. Click on WebSTAR from the Student Portal.

REGISTER OR ADD CLASSES

Registration for full-term classes must be completed NO LAT-ER THAN Saturday, January 26. Do not wait until deadline dates to register, add or drop classes. If you have any problems, you will need time to resolve them. Staff members are available only during working hours. If you wait until the last minute to attempt

to add or drop, you may not be able to get the help you need. If you need assistance, visit the Admissions and Records Office in the Administration Building, Building 10 or call (760) 355-6101.

After following the instructions in the earlier section entitled Signing On To WebSTAR:

- 1. Click on Student Services menu.
- 2. Click on Registration.
- 3. Click on Add/Drop Classes.
- 4. If registration activities are on-going for more than one term, you will need to Select a Term. If only one term is possible, that term will be displayed automatically.
- 5. Click on Submit.

7.

If you have not been enrolled past the first two weeks of classes for two or more semesters, you will receive an error message to inform you that you must apply for readmission before you may register. In that case, you must exit the program and return to the IVC homepage. Then, click on Apply Now. You will not be able to register immediately. After your online application is received and processed, you will receive an e-mail in forming you if you have been readmitted or additional information is needed. Applications are uploaded every hour so check your email for messages. Contact the Ad missions and Records Office if you have questions or concerns.

- 6. Scroll to the bottom of the screen.
 - Add Classes Worksheet: This is a handy form to use so you may register for more than one course at a time. If you have already reviewed the printed Class Schedule and know the Course Reference Number (CRN) of

USING WebSTAR (continued)

the course(s) for which you want to register, input each of them on the worksheet. Then click on Submit Changes.

- If you do not know the CRNs, click on Class Search. Class Search: You may search for classes in the Schedule by using any of the criteria offered. If you know the subject and class number such as BUS 126, under Subject, scroll to Business Administration. By Course Number, input 126. At the bottom of the page, click on Class Search.
- 9. All sections of BUS 126 will be displayed. Select the section you want by clicking in the box before the class.
- 10. Click on Add to Worksheet. This will return you to the screen showing your Add Classes Worksheet. Scroll to the bottom of the screen to see the CRN in your work sheet.
- 11. Repeat this process to select all classes for which you wish to register.
- 12. When done, click on Submit Changes.
- 13. This takes you back to the Add/Drop Classes screen. Scroll to the bottom. If you have received any registration errors, they will be displayed below the courses for which you were successful in registering. See Most Common Error Messages below.
- 14. ALWAYS verify you completed the process correctly after finishing your transactions by reviewing and printing your schedule. See the later section on Review and/or Print Your Schedule.
- Review your fees. See later section on Review Fees. Most Common Error Messages: DUPL EQUIV WITH SEC-....: You are attempting to register for more than one section of the same course, or for two cross-listed courses such as AG 110 and ENVS 110.

MAXIMUM HOURS EXCEEDED: You are attempting to register for more than the number of maximum units allowed: 19 for Fall or Spring Semester, 9 for Summer term.

PREQ and TEST SCORE ERROR: You are attempting to register for a course for which you have not met the prerequisite through course work completed at IVC, or accepted in transfer from another college or university (to be evaluated, transcripts must be on file in the Admis sions and Records Office). Prerequisite requirements are listed under each course in the Class Schedule and catalog. You may not register for a course for which you do not meet the requirement. Grades of C or higher are required for meeting prerequisites unless oth erwise noted.

REPEAT COUNT EXCEEDS...: See later section in this Class Schedule on Repeating Courses.

TIME CONFLICT WITH...: You are attempting to register for two classes that have an overlap of time or when one ends at the same time as another begins. Registration for the option via their IVC email to add the class in which they are wait-listed.

INSTRUCTIONS:

- 1. See the earlier sections on Signing On To WebSTAR and Register.
- To determine if there are Wait List slots available for a class go to Look Up Classes to Add. Select the term and click Submit, Select the Subject and enter the course num ber (example: select English and 101 for course nuber). Look at the Wait List numbers under the WL columns. Scroll down and click register.
- 3. Input the CRN of the class you wish to Wait List.
- 4. Click on Submit Changes.
- 5. Click on the Action Box and select Wait Listed. (Note un der Status it will list how many students are on the Wait List.)
- 6. Click on Submit Changes.
- 7. You will receive an email through your IVC email address if you clear a Wait List and are able to register for the class. Check your emails daily as you will only have 24 hours to register for the class once you clear the Wait List.
- 8. To drop a Wait Listed class go to the Add/Drop Classes section. Click on the Action Box and select Drop No "W" with a refund.
- 9. Click on Submit Changes.

Students will not be added to a class IF:

- (1) the class will cause a time conflict with another class on the student schedule; or
- (2) the class will cause the student to go over the maxi mum number of units allowed: or
- (3) another section of the same course is already on the student schedule; or
- (4) the student has a HOLD which prohibits registration.

The student will be billed immediately once the student has been successfully moved from the wait list into the class and an email notice will be sent to the IVC student email address. Students are responsible for all fees generated from added classes. The Wait List is only active up to the first day of the semester, after this point an Add Authorization Code from the instructor is required.

ADD AUTHORIZATION CODES

An Add Authorization code is required to register beginning on the first day a class meets whether it is filled or open. Codes may not be input (used) until the first day the class meets. Add authorization codes are four-digit numerical codes available only from the instructor of the individual class section. Each code may be used by one student only to register for that specific class. Students should attend the first class meeting to request a code. If one is granted, the student to whom it is assigned must input it in WebSTAR to register. Use of Add Authorization code by any other student will be grounds for disciplinary action. Use the code as soon as you obtain it; do not wait until the last day to register. If you encounter a problem, you may not be able to resolve it before the deadline. ABSOLUTE DEADLINE FOR FULL-TERM CLASSES: Saturday, January 26.

both classes is not possible. No exceptions will be made.

FILLED CLASSES

When classes are filled, a "C" will appear in place of the selection box in front of the class under the Class Search function of WebSTAR. If you attempt to register for a course and the maximum number of seats are already taken, you will receive a message telling you the class is filled. We suggest the following:

 Go for the sure thing and try to find another class section of the course that still has seats available. Under the "Class Search" function, input the "Subject" and "Course Number" (for example, Art 160). Click on "Class Search at the bottom of the page and all class sec tions of the course offered will be displayed. Note the fol lowing headings:

Cap – the total capacity of the class; number of total seats possible.

Act – number of students actively registered at this time Rem – number of seats remaining

Select a class section with seats remaining. If no section with seats remaining is available and classes have not yet started, continue to check online to see if seats have opened up because students have dropped.

- 2. Students who attempt to register in a class that is closed may now select the option to have his/her name placed on a Wait List. (Instructions below.)
- 3. As a last resort, attend the first class meeting to attempt to receive the instructor's permission to enroll. If success ful, you will be issued an add authorization code by the instructor. Go online immediately and use that code to register.

WAIT LIST PROCEDURES

Students who attempt to register in a class that is closed may select the option to have his/her name placed on a Wait List. Students cannot be added to a wait list IF:

- (1) it is prior to a student's registration appointment; or
- (2) the student is already enrolled, or on a wait list for another section of the same class; or
- (3) the wait list is full; or
- (4) the class has started.

Students are added to the wait list for a class on a first-come, first-served basis. As seats become available, students are given

INSTRUCTIONS:

- See the earlier sections on Signing On To WebSTAR and Register or Add Classes for step-by-step instructions for using WebSTAR. (Continued on next page.)
- Input the CRN of the class for which you wish to register or add to your schedule. If this is a class you have Wait Listed click on the Action Box and select Registered via Web.
- 3. Click on Submit Changes.
- 4. You will then receive a message that the course status is INCOMPLETE with a box in which you must input the Add Auth Code. Type it in the box provided.
- Click on Validate. The code will be checked to make sure it is assigned to the class CRN. If okay, APPROVED or VALIDATED will appear in the space under "Status." YOUR REGISTRATION IS NOT COMPLETE.
- 6. Click on Submit Changes. If no other errors appear, "Registered via Web" will appear under "Status."
- 7. Verify you completed the process correctly by reviewing your schedule. See the later section on Review and/or Print Your Schedule.
- 8. Review your fees. See later section on Review Fees.

DROPPING CLASSES

Maintain control of your own records. As soon as you know you will not be attending a class, DROP IT by using WebSTAR. You will receive grades of F for courses you are no longer attending and have not dropped and those grades will remain on your transcript forever.

Give your fellow students a break. Others may be trying to register for a class you know you will not be attending; drop it so they may be able to take it.

DO NOT RELY ON ANYONE ELSE; PROTECT YOUR RE-CORDS. Instructors MAY drop for nonattendance, but many do not. You are responsible for all classes for which you register. Do not assume you will be dropped for nonattendance. The

10

USING WebSTAR (continued)

failing grades you receive will not be changed because you quit attending. The following deadlines are for full-term classes. Short-term classes have unique deadlines – contact the Admissions and Records Office.

Deadline to drop without owing fees and/or be eligible for a refund : Saturday, January 26

Deadline to drop course without it appearing on your transcript (without W): Monday, January 27

Deadline to drop full-term course: Saturday, April 13

CAUTION: Do Not Wait until these deadlines to drop. Some fall on days when the College is closed. If you have problems, no one will be available to assist and exceptions will not be made because you did not drop on time.

WebSTAR Instructions:

- 1. Follow the instructions for "Register or Add Classes" until you reach the Add/Drop Classes screen.
- 2. Click on the arrow in the Action box of the class you wish to drop. The drop status possible for the course at the time you are attempting to drop will be displayed. Click on that status.
- 3. Click on Submit Changes.
- 4. Verify you completed the process correctly by reviewing your schedule. See the later section on Review and/or Print Your Schedule.
- 5. Review your fees. See later section on Review Fees.

CHANGE GRADING OPTIONS

If you have registered for a course which allows you to select either the standard letter grading option or P/NP, on your current schedule in WebSTAR on the Add/Drop Classes screen "Standard Letter" will be underlined in the Grade Mode column. If you wish to change to P/NP grading, click on the underlined word. You will be taken to the Change Class Options screen. A drop-down box will appear in the Grade Mode box under the course. Click on the arrow in the drop-down box and select Pass/No Pass. You may also get to this screen by selecting Student Services & Financial Aid, Registration, Change Class Options.

All changes in grading options for full-term courses must be done no later than Saturday, January 26. The deadline for shortterm courses is the same deadline as to register for the class. Contact the Admissions and Records Office for a specific course deadline.

VIEW AND UPDATE ADDRESSES AND/OR TELE-PHONE NUMBERS

After signing into WebSTAR, click on Personal Information Menu. Then click on the option you wish to view or update, follow the instructions and provide the information requested.

REVIEW AND/OR PRINT YOUR SCHEDULE

- 1. Return to the Student Services menu.
- 2. Click on Registration.
- 3. You have two options from the Registration menu: Student Schedule by Day and Time: This selection dis plays your classes in the time slot they meet week by week. If you have registered for any classes that start after the first week, you will need to click on Next Week until you reach the week(s) they begin to have them dis played.

If you have registered for classes that start later in the se mester, in the box labeled Go To, input the first day of the month they begin and your weekly schedule will be displayed for that month, including the late-starting class. Student Schedule: Each class will be listed one below the other.

4. To print your schedule. Select your preferred schedule display option above and click on the print icon on the tool bar at the top of the screen, or click on File in the top left corner and select Print.

REVIEW FEES

- 1. From the Student Services menu, click on Registration.
- 2. Click on Registration Fee Assessment. Fees owed for the term of registration will be displayed.
- 3. To review all fees owed for all terms, click on Account Summary by Term at the bottom of the screen.

PAY BY CREDIT CARD

Refer to the section on Student Fees and Fee Payment for detailed information on fees and other methods of payment. NOTE: If the payment amount you enter is less than the total amount owed for all semesters (including tuition, fees, and fines), your payment will be applied to the oldest charges on your account first. If you are attempting to pay only for a specific fee, such as a parking violation or parking permit, and owe more than that charge, visit the Cashier in the Administration Building on main campus.

- 1. Click on Credit Card Payment at the bottom of the Regis tration Fee Assessment screen.
- 2. Input all requested information.
- 3. Click on Submit Payment.
- 4. Verify that payment has been successful by exiting the sys tem, signing back on and following the directions above to the Registration Fee Assessment screen.

GRADES AND TRANSCRIPTS

You may view and print an unofficial transcript of grades earned at IVC using WebSTAR. Grade reports are not mailed. Official transcripts must be requested through Docufide at www. imperial/edu/docufide. Allow up to five working days for your request to be processed. A link to an informational flyer (which includes steps to creating an account and to request transcripts) is found at www.imperial.edu, click on the home tab and then select Transcripts.

CHANGE PIN

If you wish to change your PIN at any time after signing into WebSTAR, click on Personal Information Menu. Click on Change PIN and follow the instructions and provide the information requested.

VISIT OUR INTERACTIVE COURSE SCHEDULE AT: WWW.imperial.edu

FINANCIAL AID

VISIT OUR WEBSITE AT:

www.imperial.edu

FINANCIAL AID AT IMPERIAL VALLEY COLLEGE

Financial Aid exists to help students who might otherwise be unable to complete their education because of financial problems. This aid comes in the form of grants, scholarships and work study.

Financial aid funds are administered in accordance with a nationally established policy of financial assistance for education. The basis of the policy is that students and their parents have the primary responsibility for meeting educational costs. The amount of the expected contribution from students and their family is determined by careful analysis of family financial strength, taking into consideration the data elements collected on the Free Application for Federal Student Aid (FAFSA) The US Congress has established procedures which are used in making an evaluation of how much families can be expected to contribute.

The Free Application for Federal Student Aid (FAFSA) is available online at www.fafsa.ed.gov. The filing period for the next academic year begins January 1 of each year. Students who wish to receive aid should have their applications complete and their verification documents submitted by at least 2 months prior to enrollment.

Grants form the basis of the financial aid available at Imperial Valley College. Grants, unlike loans, do not have to be paid back. Through the single FAFSA application, students will be considered for eligibility for Pell, FSEOG Grants (federal funds), Cal Grants B and C (state funds), Work Study and Board of Governors Fee Waivers (state waiver of enrollment fees). • Cal Grant: A state-funded grant program for California resi dents. All Cal Grant award offers are subject to the approval of the final state budget. www.csac.ca.gov

FEDERAL PROGRAMS

- Federal Pell Grant: A grant program for students who have not earned a bachelor's or professional degree. Students must file a FAFSA and demonstrate financial need.
- Federal Supplemental Educational Opportunity Grant (FSEOG): A program that funds grants based on demon strated exceptional financial need. Priority is given to Pell Grant recipients. Funding at IVC is limited.
- Federal Work Study (FWS): A program that funds part-time job opportunities to students with financial need. Funding is very limited and is awarded on a first-come, first-served basis.

Imperial Valley College does not currently participate in any of the federal student loan programs; however, general information regarding private education loans is available upon request.

SCHOLARSHIPS

Imperial Valley College offers scholarships through the college's foundation and generous donors. Students may be awarded scholarships on the basis of academic achievement, financial need, and campus or community service. Recipients are determined by the Scholarship Selection Committee, which reviews student scholarship applications and, for some scholarships, conducts an oral interview. Scholarship applications are available at IVC Foundation website. Scholarships are also available from sources beyond Imperial Valley College. The following sites may be helpful:

Scholarship applications are available in the IVC Foundation Office.

WHO QUALIFIES FOR FINANCIAL AID?

To receive aid, you must:

- 1. Prove financial need based on federal and state guidelines.
- 2. Have a high school diploma or GED. Note: Students who do not have high school equivalency may be eligible under cer tain circumstances
- 3. Be enrolled as a regular student working toward a degree or certificate.
- 4. Be a U.S. citizen or eligible non-citizen.
- 5. Be making satisfactory academic progress.
- 6. Not be in default on any educational loan or owe a refund on an educational grant.
- 7. Have a social security number.
- 8. Register with the Selective Service System (applies to male students only).

Free Application for Federal Student Aid (FAFSA) To apply for financial aid, students must complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa. ed.gov. The FAFSA is used to determine eligibility for all state and federal financial aid.

FINANCIAL AID PROGRAMS AVAILABLE AT IVC

STATE PROGRAMS

• Board of Governors Fee Waiver: A program for California residents attending a community college. The fee waiver pays for enrollment fees for eligible students. It does not cover parking, lab, material, health fees, or the student represent ation fee.

Satisfactory Academic Progress

Continued eligibility for financial aid at Imperial Valley College is dependent upon academic success. Students must maintain a 2.0 GPA or better and complete at least 67% of all coursework attempted, and complete their program within maximum timeframe standards. Failure to meet these standards will result in the loss of all federal and state aid. The BOG Fee Waiver is currently not subject to this academic progress standard.

Financial Aid Repayment

Federal law requires that all students who receive federal Title IV aid and leave school before completing 60% of the term may be required to pay back some or all of the aid received. Detailed information regarding the return of federal aid is available in the IVC Financial Aid Office or on the college website.

Imperial Valley University Partnership Launches with 100 Students

The Imperial Valley University Partnership (IVUP), an innovative educational initiative undertaken by Imperial Valley College (IVC), the Imperial County Office of Education (ICOE) and San Diego State University's Imperial Valley Campus (SDSU-IV) became a reality with the opening of school this fall.

IVUP offers Imperial Valley students an accessible, and affordable, high quality education with a clear path to a Bachelor's degree in four years.

The first class of 102 students entered with an average high school GPA of 3.32 and 22 IVUP Scholars averaged 3.88.

Fall 2013 IVUP admission applications are now being accepted. The admission

application filing period is from October 1 to November 30, 2012. Another 100 freshmen will be accepted for Fall 2013. Applications must be submitted by appropriate deadlines to both IVC and San Diego State University Imperial Valley Campus. Once students are admitted to SDSU, they will be directed to apply to IVC.

The initiative involves joint admission of students to both IVC and SDSU-IV. This is not a traditional "2 + 2" relationship between a community college and a university, but rather a program where students are initially admitted to both institutions, allowing for an absolutely seamless transition between the first two years of their undergraduate education and the final

hip Wo years.

Students are guaranteed access to classes in a cohort structure. Majors being offered are Criminal Justice, Liberal Studies (focus in Literacy, Math or Science), Psychology and Spanish.

The Spanish major is only open for students who have taken AP Spanish Language and have obtained a score of 3 or higher.

Do You Have What it Takes to be an IVC Honors Student?

IVC HONORS PROGRAM

The Imperial Valley College Honors Program is designed for a diverse community of motivated students who have a passion for learning and the desire to expand their personal and academic horizons. The Honors Program stimulates and nurtures the curiosity of its students and makes it possible for students to examine concepts and topics beyond customary coursework and programs. Honors students have the opportunity to work closely with faculty in designated Honors courses through various independent study programs designed to enhance regular classroom objectives. The Honors Program provides an enthusiastic learning community of faculty and students.

Qualifications

To qualify for the IVC Honors program an applicant must have:

- a. Completed twelve (12) units of University of California (UC) transferable courses. Only courses completed with a grade of C or higher will count towards this total.
- b. Earned an overall GPA of 3.5 or higher on all UC transferable courses.
- c. Completed IVC English 101, or UC transfer equivalent, with a grade of "B" or better or Advance Placement (AP) Examinations in English Language and Compositions or English Literature and Composition with a score of 3 or higher.

CISCO CCNA DISCOVERY New Major & Classes for 2012-2013

The Cisco CCNA Discovery program provides general networking theory, practical experience, soft-skills development, and opportunities for career exploration. It teaches networking based on application, covering networking concepts within the context of network environments students may encounter in their daily lives -- from small office and home office (SOHO) networking to more complex enterprise and theoretical networking models later in the curriculum. The program prepares students for two different Cisco certification exams. After completing the program, students will be prepared to take the industry-standard Cisco CCNA certification exam.

STUDENT LIFE

IVC CLUBS

American Sign Language Club

Purpose: To promote American Sign Language and Deaf Culture. To encourage social and recreational activities. To assist and cooperate with other valley and campus organizations.

Business Club

Purpose: To promote student interaction between school, government, and business sectors by attending professional events, conferences, community activities and offering the association's services to different organizations (private and non-private). Catholic Young Adult Group of Imperial Valley Club The purpose of the club is to bring fellow Catholics together to create a sense of love and community where they can grow in the Catholic faith together, serve God and others, and have fun doing activities that gloria God!

Christian Club

Purpose: The purpose of the club shall be to communicate the Gospel in any way, shape, or form to the community in order to save the lost, and impact community decisions. All members will be encouraged to take a stand for the truth and be a good witness to their peers and community.

Cross Country Club

Purpose: To promote health and fitness through running. Prepare for competitions, locally and regionally, raise money to fund entry fees and travel cost, develop interest in the women's crosscountry team and develop friendships with other students with a similar interest.

French Club

The purpose for which this organization is formed are; to promote the French language and francophone culture, to encourage social and recreational activities, and to assist and cooperate with other valley and campus organizations.

Agriculture Club

Purpose: To help young men and women get established in farming and related occupations. To cooperate with Future Farmers of America and 4-H Clubs in their activities. To increase the knowledge of members of agricultural subjects through systemic education. To encourage social, recreational and educational activities. To assist and cooperate with other agricultural and campus organizations.

LGBTQ Club

Purpose: The purpose of this club is to provide a safe place for students to meet, support each otehr, talk about issues related to sexuality, and work to end homophobia. In addition to support, the students fo this club will work on educating themselves and the broader school community about sexuality and gender identity issues. The group will also provide a social outlet for LGBTQ and straight students.

Students for Political Awareness (SPA) Club

Purpose: It shall be the purpose of Students for Political Awareness to keep informed of political issues affecting our society and government, and provide information regarding these issues to the students of Imperial Valley College and the community. This will be accomplished by working with the other IVC student clubs and various organizations in the community.

Student Support Services (SSS) Club

Purpose: To encourage social, recreational and educational activities among Student Support Services students. To instill in each individual the self-esteem to carry themselves with a sense of pride and honesty, so that they may be better understood, and in turn, they may better understand. To instill in the minds of all students the need and desire for an education, so that these students may take a firm initiative in all fields of education; and so that we, as students can occupy a worthwhile and significant place in the community.

Friends of the Earth

Purpose: The purpose of this organization shall be to develop leadership skills in IVC students. We will plan, develop and administer activities to unite our community.

Future Leaders Club

Purpose: To encourage social, recreational and educational activities among Future Leaders Club members. To instill in each individual the self-esteem to carry themselves with a sense of pride and honesty, so that they may be better understood, and in turn, they may better understand. To instill in the minds of all students the need and desire for an education, so that these students may take a firm initiative in all fields of education; and so that we, as students can occupy a worthwhile and significant place in the community.

College Association of Abuse Prevention (CAAP) Club

Purpose: The CAAP will work on: (1) Provide non confrontational education and information to the college and the community regarding the consequences of addiction and alcohol/substance abuse. (2) Provide community outreach to personas at risk or dealing with substance abuse issues. (3) Provide referral information for prevention, abuse and services. (4) Promote healthy substance free activities. (5) Provide students activities to raise funds for studnets to supplement their educational opportunities at workshops and substance abuse conferences.

FEES AND REFUNDS

FEE PAYMENT DUE UPON REGISTRATION

Tuition and fees are due when you register. Fees will be charged for all classes not dropped by the deadline to be dropped and be eligible for a refund or fee credit (for full-term classes see Important Dates and Deadlines at beginning of this Class Schedule). You should pay as soon as you have registered and have your class schedule set.

Payment may be made by cash, credit card, check, or money order. Students may pay by credit card online through Web-STAR. Payment also may be made by mail or in person at the Cashier's window in the Administration Building. If paying by check or money order, include your Student ID (User) number (begins with G00) on your check. DO NOT MAIL CASH.

IVC has a partnership with a company called Nelnet Business Solutions (FACTS e-Cashier) that provides monthly payment plans (handling fees apply). For more information on this option, please visit: FACTS (e-Cashier) at http://www.imperial.edu, log into the Student Portal and click on WebSTAR then make the following selections: Student Services Menu, Student Records, Account Summary and click on e-Cashier. Enrolling in this payment plan will not allow you to have access to you transcripts, enrollment verifications, grades, etc., but it will facilitate paying off your fees.

Agency payment: Paperwork for fees paid by outside agencies must be submitted to the Business Office.

REFUNDS AND FEES OWED

By California state law, refunds/fee credits can only be given for full-term classes dropped on or before January 26, 2013 for the Spring Semester. Tuition and fees will be owed for all fullterm classes not dropped by that date, regardless of attendance. Short-term classes must be dropped by the ten percent point of the class. See the Admissions and Records Office for specific deadline dates.

Students eligible for Financial Aid or who are due a refund will automatically receive an IVC Debit Card. A card will be mailed to the address the student has on file with the College. Students should make sure that their mailing address and e-mail address are correct in WebStar. Students will receive an e-mail from HigherOne telling them the card has been sent. As soon as you receive your card from HigherOne (the issuing bank), follow the instructions to activate it and select the method of payment preferred. Refunds and/or financial aid funds will not

be issued until you have completed the activation process. If a student made a payment using a personal credit card and would like the refund made back into that same credit card, you must notify the cashier at 760-355-6478 or 760-355-6368 immediately. Unless you notify the cashier before refunds are processed, your refund will be paid through the IVC Debit Card.

Imperial Valley College students receiving federal financial aid (Title IV funds) who do not attend any classes will be reguired to repay all of the funds they received. Students who withdraw from all classes prior to completing more than 60% of the semester will have their financial aid eligibility recalculated based on the percentage of the semester complete, and will be required to repay any unearned financial aid they received.

For additional information, contact the Financial Aid Office in the Counseling Center.

STUDENT FEES

Enrollment Fee (subject to change without notice)* Nonresident & Foreign Tuition** (Required for nonresident and foreign students in addition to enrollment fee) \$ 1.00 per term Student Representation Fee Health Fee \$ 18.00 per term Parking – required for all vehicles parked on the main campus \$ 20.00 per vehicle IVC Debit Card Replacement Fee \$ 20.00 per card **Returned Check Fee** \$ 25.00 per check W-2 Wage and Tax Statement Copy \$ 2.00 per copy *Enrollment fees are set by the California State Legislature and are subject to change without notice.

**To meet residency requirements for tuition and fee purposes, students must be U.S. citizens or have an immigration status which allows them to establish residency. In addition, they must physically reside in California for at least one year and a day before the first day of classes and establish intent to make California their permanent home at the beginning of that year. Any change in residency status must be dealt with during the first two weeks of the term. See catalog for additional information. A \$ 46.00 per unit \$ 200.00 per unit

Students receiving a BOG, will need to pay the fee. Exemptions from the fee may be granted for the following:

Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.

Students who are attending IVC under an approved apprenticeship training program.

The Parking Services/Transportation Fee is required for each vehicle parked on main campus including motorcycles and motor bikes. Vehicle Registration forms may be obtained from the Parking Control Office. The license plate number, make, model, year, and color are required. See section on Parking on Main Campus for more information.

waiver of nonresident tuition may be granted to eligible California high school graduates. Please contact the Admissions and Records Office for more information.

The Student Representation Fee was approved and implemented by student vote. It is used to support student government representatives in stating their positions and viewpoints on behalf of the IVC student body before city, county, and district government, and before offices and agencies of the state and federal government.

The Health Fee is not related to health insurance and is required whether or not students choose to use the services. The Board of Governors (BOG) fee waiver will not cover this fee.

Malpractice liability insurance is required for enrollment in classes with a clinical component such as Nursing, EMT, Paramedic, Nursing Assistant, Medical Assistant. The cost is subject to change without notice by the insurance company.

Students may purchase medical insurance for accidents or illness sustained while they are enrolled. Contact the Student Affairs Office for brochures and costs.

REPEATING COURSES: RULES HAVE CHANGED

Students who receive a grade of D, F, NC or NP in a course may repeat that course one time to earn a better grade. To repeat a course a second time a student will need to petition to repeat. After the second and/or third grade is earned, the previous grades and credits will no longer be included in the calculation of the GPA. All grades will continue to be shown on the student's transcript. Also students now will only be allowed to repeat a class two times for a total of three enrollments to include the following evaluative and/or non-evaluative symbols: D, F, NC, NP or W.

Some courses, such as PE activity courses, are designated as repeatable in the Class Schedule up to a maximum number of times. Unless designated as repeatable, students are not eligible to repeat courses in which they have earned grades of A, B, C, CR or P except where special circumstances exist. Justifiable

circumstances may include a significant lapse of time since the course was taken (and the renewed knowledge is needed before the student is prepared to progress to a higher level), or the course is needed for professional certification.

To petition for an exception based on special circumstances, obtain the necessary form from the Admissions and Records Office or Counseling Center.

The forms are also found online at http://www.imperial.edu. Click on Admission, Registration, Student Records and then Repeat Petitions or Requests. Petitions submitted after the late registration period will not be considered for the current term. If permission to repeat a course in which a grade of C or higher has been earned is granted, the new grade will appear on the transcript but will not be computed in the GPA, nor will additional credit be granted.

VISIT OUR WEBSITE AT: www.imperial.edu

PARKING REGULATIONS

IMPERIAL VALLEY COLLEGE PARKING REGULATIONS

Imperial Valley College Parking Regulations

Imperial Valley College Parking and Traffic Regulations are in accordance with Section 21113A, California State Vehicle Code.

GENERAL SAFETY REGULATIONS

No vehicle shall be driven in excess of 10 miles per hour on any roadway or parking area of Imperial Valley College.

All driving of motor vehicles on campus shall be conducted in a manner which ensures the safety of drivers, passengers, pedestrians, and others, and which prevents damage to college property.

Any vehicle leaving a designated parking lot shall stop as required, and shall yield the right-of-way to other vehicles which are approaching the parking lot exit, until such time as the driver can proceed with reasonable safety.

Campus traffic regulation signs are official, as specified by the California Vehicle Code, and must be complied with as on any other public property.

Pedestrians shall have the right-of-way over vehicular traffic, but shall give due consideration to traffic flow.

Riding of bicycles, skateboards, and roller skates is prohibited on campus sidewalks.

PARKING AREAS

No vehicle shall be parked in any location other than a designated parking area.

No vehicle shall be parked on any interior roadway, driveway, sidewalk, lawn, playing field, or undeveloped area.

Vehicles not parked in designated areas may be towed away and /or impounded at the expense of the registered owner or lessee of the vehicle.

PARKING SPACES

A vehicle shall park only in a designated parking space and shall not be parked in such a manner as to occupy more than one space.

Faculty-staff reserved parking spaces are designated (they are marked with yellow lines and in some cases with a sign).

Head-in parking only shall be permitted in campus parking spaces

Motorcycles, motorbikes, and scooters shall park only in specifically designated areas.

DISABLED PARKING

Only vehicles displaying official disabled parking authorization may park in disabled parking spaces.

People with disablities should contact the Parking Control Office for information regarding disabled parking.

Vehicles displaying a disabled parking permit may park in any designated parking space on campus.

Vehicles illegally parked in disabled parking areas may be towed and/or impounded at the expense of the registered owner or lessee of the vehicle.

PARKING PERMITS

Vehicles parked in Imperial Valley College parking areas shall display a valid Imperial Valley College parking permit sticker in the lower right corner on the outside of the rear window.

Motorcycles, motorbikes, and scooters shall display the permit sticker on the fender or fuel tank

Permit stickers must be affixed to the vehicle using only the adhesive provided by the sticker itself.

Only those vehicles displaying a valid Imperial Valley College faculty-staff hang tag may be parked in spaces designated as reserved for faculty-staff.

Student parking permits shall be issued each semester upon payment of the required fee. Permits are issued for a specific vehicle and are not trafsferable or assignable.

Faculty/staff hang tags shall be issued annually prior to the first day of classes in the Fall semester.

Parking permits are required beginning the first day of each semester or term.

Possession of valid permit does not guarantee a parking space.

Day pass machines are located in the parking lots.

VEHICLE CODE ENFORCEMENT

Campus student security personnel will patrol the campus and issue citations to violators. The Imperial County Sheriff's Department has jurisdiction of the Imperial Valley College campus.

Fines shall be payable to the college by means of a mail-in system. Any fine remaining unpaid after 21 days may be reported to the California Department of Motor Vehicles. A "hold" will be placed upon the academic records of students who have outstanding traffic fines.

Vehicles with numerous outstanding violations may be subject to the vehicle being immobilized.

AUTHORITY AND FEES

Parking is controlled by the College Governing Board in accordance with Sections 2545.1, California Education Code.

Falsification of information or misuse of privileges, may result in disciplinary action or revocation of parking privileges, or both.

Student parking permits may be obtained at the time of registration upon payment of the parking services/transportation fee. Student parking permits are \$20.00 per vehicle during the Fall and Spring semesters and \$10.00 per vehicle during the Summer and Winter Sessions. A student may register additional vehicles at a fee of \$15.00 for each permit purchased during the Fall and Spring Semester and \$7.00 during the Summer and Winter sessions.

If a registered vehicle is sold, a replacement student parkng permit sticker will be issued upon payment of a \$1.00 processing fee and return of fragments of the sticker removed from the vehicle which was sold.

Faculty/Staff hang tags will be replaced upon return of the fragments from the previously assigned tag.

PARKING ON CAMPUS

Parking permits are required for each vehicle parked on campus including motorcycles and motor bikes when classes are in session. Between semesters when classes are not being held, parking permits are not required for student spaces.

Tickets are issued for reserved (faculty/staff), disabled, metered, 15-minute, and no-parking spaces year around.

Ticketing for parking violations in student spaces begins Monday, January 28, 2013.

Vehicle Registration forms are required for parking permits; the forms may be obtained from the Parking Control Office. The

license plate number, make, model, year, and color are reguired. Refer to the section on Student Fees for costs of permits. All vehicles utilizing disabled parking must have a state issued identification placard, i.e., Department of Motor Vehicles issued placard or DV plates.

Rules regarding parking in Disabled Zones are governed by the California Vehicle code beginning in Section 22507.8 and 21458. Students who have a current California disabled placard are not required to pay for a semester parking permit (must park in disabled or student parking only).
