2018-2019 Dream Act Verification Worksheet Dependent Student

Your 2018-2019 California Dream Act Application was selected for review in a process called "Verification". The law says that before awarding Cal Grants, we may ask you to confirm the information you and your parents reported on your application. To verify that you provided correct information, we will compare your application with the information on this worksheet and with any other required documents. If there are differences, your application information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
