## Basic skills students may never achieve their goals

- Only 37% **basic skills English 9** students pass transfer-level English after two years

- Only 3% of **ESL** students (levels IV/V) pass transfer-level English after two years

- Only 19% of **Math 91** students pass transfer-level math after two years

- **Students of color** and **older students** tend to be placed lower in basic skills sequences

## Students take way too long to graduate, if they ever do

### In 2017-18:

- **Only 10%** finished degree in **two years**
- **More than 34%** take **longer than four years** to complete degree

## Four Pillars of Guided Pathways

### Clarify the Path

- It's hard to enroll and register
- It's hard to get into needed classes
- Basic skills students may never achieve their goals
- Students need clear roadmaps for course sequences and support services

### Enter the Path

- Students attempt and earn too many units
- Students take way too long to graduate, if they ever do
- Students need all college employees to be welcoming and caring
- Students need class schedules to be designed with them in mind

### Stay on the Path

- Students drop out before completing their goals
- Textbooks are very expensive
- Work responsibilities limit the amount of time students can spend learning
- Students must take care of family members during class or study time
- Students are homeless and have food insecurities
- Students need flexible academic and classroom policies that are student centered

### Ensure Learning

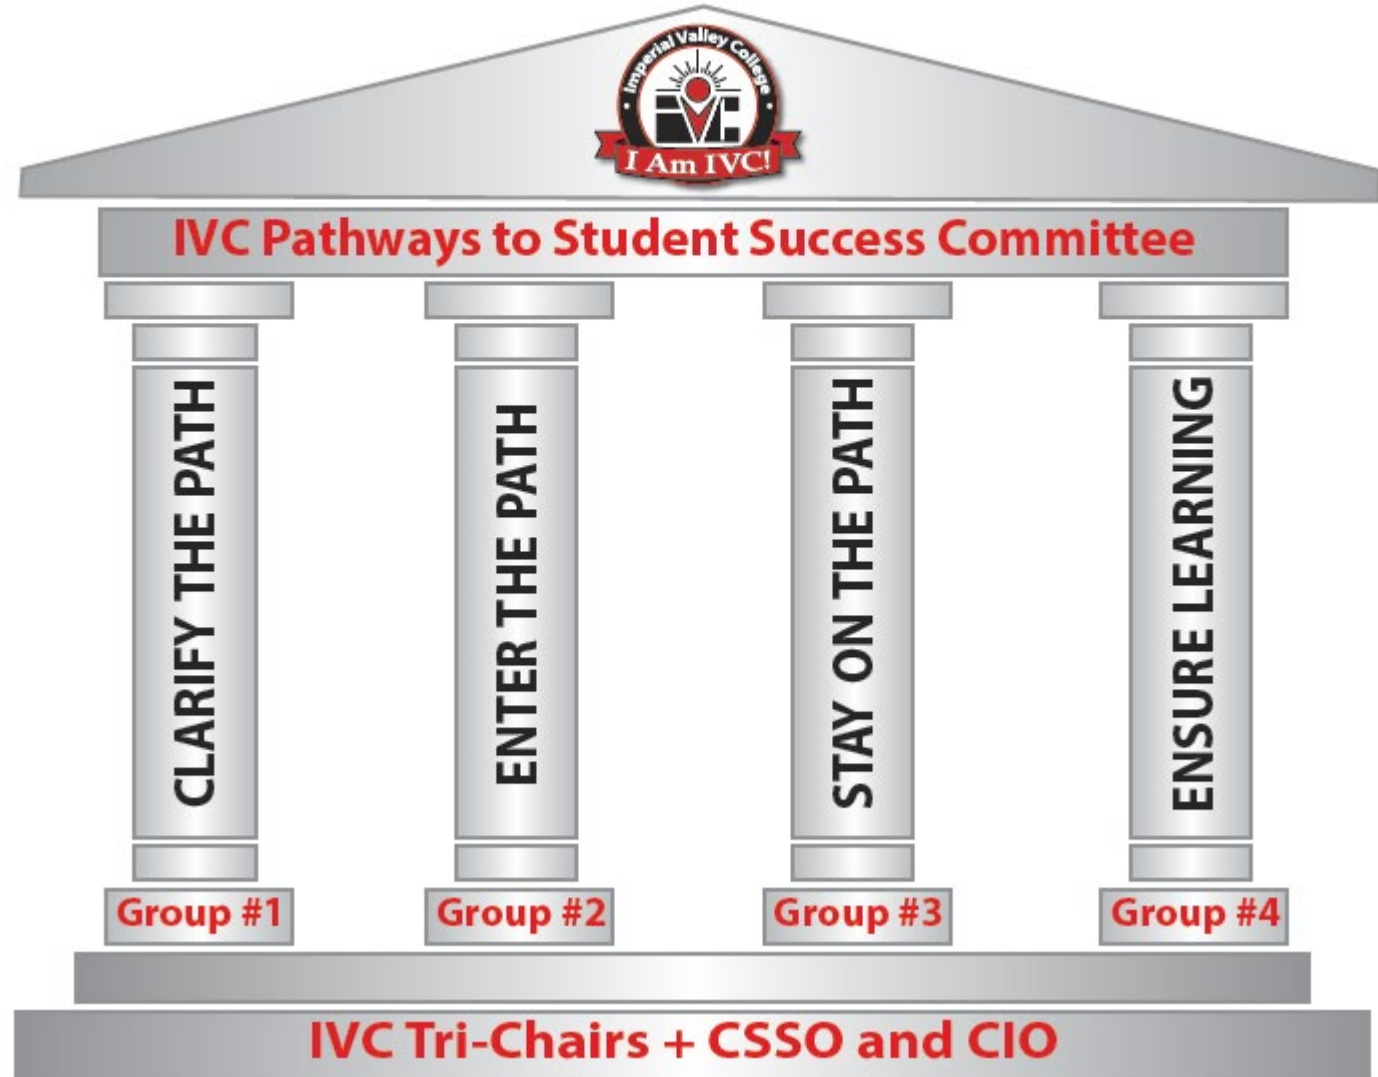

- Online instruction struggles to be successful
- Students need high-quality, consistent instruction across the institution
- Students need all of our programs to lead intentionally to jobs or transfer
- All students need the type of care that is given in our high impact programs and practices

# Community College System and Campus Goals Alignment

## Vision for Success

Most students who enter a community college never complete a degree or certificate or transfer to a 4-year university. Researchers project that California's public higher education system is not producing nearly enough educated graduates to meet future workforce needs.

CCC students who do reach a defined educational goal such as a degree or transfer take a long time to do so, often accumulating many excess course credits along the way.

Older and working CCC students are often left behind in the system, lacking services and financial aid that suit their needs.

CCCs are more expensive than they appear—both to students and taxpayers—because of slow time-to-completion and a lack of financial aid to cover students' living expenses.

Serious and stubborn achievement gaps persist across the CCCs and high-need regions of the state are not served equitably.

## A Vision for Change

- 1** Focus relentlessly on students' end goals.
- 2** Always design and decide with the student in mind.
- 3** Pair high expectations with high support.
- 4** Foster the use of data, inquiry, and evidence.
- 5** Take ownership of goals and performance.
- 6** Enable action and thoughtful innovation.
- 7** Lead the work of partnering across systems.

The success of California's broader system of higher education and workforce development stands or falls with the CCCs. To meet California's needs, the CCC system should strive to achieve the following goals by 2022:

- Increase by at least 20 percent the number of CCC students annually who acquire associates degrees, credentials, certificates, or specific skill sets that prepare them for an in-demand job.
- Increase by 35 percent the number of CCC students transferring annually to a UC or CSU.
- Decrease the average number of units accumulated by CCC students earning associate's degrees, from approximately 87 total units (the most recent system-wide average) to 79 total units—the average among the quintile of colleges showing the strongest performance on this measure.
- Increase the percent of exiting CTE students who report being employed in their field of study, from the most recent statewide average of 60 percent to an improved rate of 69 percent—the average among the quintile of colleges showing the strongest performance on this measure.
- Reduce equity gaps across all of the above measures through faster improvements among traditionally underrepresented student groups, with the goal of cutting achievement gaps by 40 percent within 5 years and fully closing those achievement gaps within 10 years.
- Reduce regional achievement gaps across all of the above measures through faster improvements among colleges located in regions with the lowest educational attainment of adults, with the ultimate goal of fully closing regional achievement gaps within 10 years.

## Student-Centered Funding Formula Objectives

- Align with state's priorities for education and training.
- Encourages progress toward the *Vision for Success* adopted by the Board of Governors.
- Provide additional resources to groups of students that have faced barriers to success.

| Submitted by    | Objectives  | Matched with...                                  |
|-----------------|---|--|
| Academic Senate | Admissions and Counseling will work together to improve student contacts during the students' first semester so that at least 70% of first-semester students complete a Comprehensive Student Educational Plan (CSEP) by the end of the first semester.   | Vision for Success - Completion                  |
| Academic Senate | The Academic and Student Services deans will work together to improve communication among and between teaching and counseling faculty to better monitor student progress during the students' first year so that interventions from faculty can improve student persistence and success.  | Vision for Success - Completion                  |
| Academic Senate | The Vice President for Student Services will oversee a review and modification of the online application process for incoming students which replaces the extensive list of available majors to a more user-friendly process beginning with broad categories which lead to exploratory, meta-majors or to a specific major selected by the student. | Vision of Success - Completion & Guided Pathway  |
| Academic Senate | The Academic Senate, through the Curriculum Committee, will develop 1-3 exploratory, meta-majors for incoming students: Public Health, Public Safety, and Education. These new majors will include a common, first-semester experience that includes Math and English Composition.  | Vision for Success - Completion & Guided Pathway |
| Academic Senate | The District will increase the number of sections offered in transfer-level Math, English, and Science to reduce backlog of students waiting for class openings.  | Vision for Success - Completion                  |

## Associated Student Government

| Submitted by | Objectives   | Matched with...                        |
|--------------|--|--|
| ASG          | Increase the number of classes exclusively utilizing OER by 25% in 3 years; from a baseline of 23 OER-courses in Fall 2018.  | Vision for Success – Equity            |
| ASG          | Increase the number of available sections in English, Math, and Science to provide more opportunities for students to complete their program of study.   | Vision for Success - Completion        |
| ASG          | The goal is to Increase the number of students transferring in 3 years from IVC by 35% from a Baseline of 6.9% in 2010 cohort to 9.3% in three years.  | Vision for Success - Transfer          |
| ASG          | Decrease average number of units accumulated by Imperial Valley College students earning Associate Degrees from 112.6 in 2017-2108 to 107 units in 2018-2019; 102 units in 2019-2020; and 97 units in 2020-2021. | Vision For Success - Unit Accumulation |

# Local Goal Setting Template

California  
Community  
Colleges

## Local Goal Setting

In the 2017 **Vision for Success**, the California Community College Chancellor's Office and Board of Governors established ambitious systemwide goals for improved student outcomes. Now local colleges have an opportunity to articulate how they will contribute to reaching the systemwide goals for improvement.

### GOAL 1 Completion

**Systemwide goal:** Increase by at least 20 percent the number of CCC students annually who acquire associate degrees, credentials, certificates, or specific job-oriented skill sets.

**Aligned college-level goal:**  
(Please fill in at least one of the following)

- [NAME OF COLLEGE] will increase the total number of completed associate degrees from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, an increase of [NUMBER] percent.
- [NAME OF COLLEGE] will increase the number of completed CCCCO-approved certificates from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, an increase of [NUMBER] percent.

### GOAL 2 Transfer

**Systemwide goal:** Increase by 35 percent the number of CCC students systemwide transferring annually to a UC or CSU.

**Aligned college-level goal:**  
(Please fill in at least one of the following)

- [NAME OF COLLEGE] will increase the number of completed ADT degrees from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, an increase of [NUMBER] percent.
- [NAME OF COLLEGE] will increase the number of transfers to UC/CSU from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, an increase of [NUMBER] percent.

### GOAL 3 Unit Accumulation

**Systemwide goal:** Decrease the average number of units accumulated by CCC students earning associate degrees, from approximately 87 total units to 79 total units—a decrease of 10 percent.

**Aligned college-level goal:**  
(Please fill in the following)

- [NAME OF COLLEGE] will decrease the average units earned per completed associate degree from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, a decrease of [NUMBER] percent.

### GOAL 4 Workforce

**Systemwide goal:** Increase the percent of exiting students who report being employed in their field of study, from the most recent statewide average of 69 percent to 76 percent, an increase of 10 percent.

**Aligned college-level goal:**  
(Please fill in at least one of the following)

- [NAME OF COLLEGE] will increase median annual earnings of exiting students from [NUMBER] dollars per year in 2016-17 to [NUMBER] dollars per year in 2021-22, an increase of [NUMBER] percent.
- [NAME OF COLLEGE] will increase the number of exiting students earning a living wage from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, an increase of [NUMBER] percent.
- [NAME OF COLLEGE] will increase the percent of exiting CTE students who report being employed in their field of study from [NUMBER] percent in 2016-17 to [NUMBER] percent in 2021-22, an increase of [NUMBER] percent.

### GOAL 5 Equity

**Systemwide goal:** Reduce equity gaps across all of the above measures through faster improvements among traditionally underrepresented student groups, with the goal of cutting achievement gaps by 40 percent within 5 years and fully closing those achievement gaps for good within 10 years.

**Aligned college-level goal:**  
(Please complete the following)

Which groups of students at your college have been identified as disproportionately impacted according to the point gap methodology? (Check all that apply.)

- [PROVIDE CHECKLIST]

Identify which of your disproportionately impacted groups have data available in the Student Success Metrics. For each of these groups, please identify a completion goal that envisions a faster rate of improvement than for your college as a whole.

**Goal for all students:** [NAME OF COLLEGE] will increase the number of completed associate degrees from [NUMBER: SAME AS ABOVE] in 2016-17 to [NUMBER: SAME AS ABOVE] in 2021-22, an increase of [NUMBER: SAME AS ABOVE] percent.

In addition, among [DROPDOWN: LIST OF DI STUDENT GROUPS] students, the number of completed associate degrees will increase from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, an increase of [NUMBER] percent.

# Local Goal Setting Template

**Goal for all students:** [NAME OF COLLEGE] will increase the number of completed CCCC approved certificates from [NUMBER: SAME AS ABOVE] in 2016-17 to [NUMBER: SAME AS ABOVE] in 2021-22, an increase of [NUMBER: SAME AS ABOVE] percent.

In addition, among [DROPDOWN: LIST OF DI STUDENT GROUPS] students, the number of completed CCCC approved certificates will increase from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, an increase of [NUMBER] percent.

Additionally, for each of your college's disproportionately impacted groups, please identify a transfer goal that envisions a faster rate of improvement than for your college as a whole.

**Goal for all students:** [NAME OF COLLEGE] will increase the number of completed ADT degrees from [NUMBER: SAME AS ABOVE] in 2016-17 to [NUMBER: SAME AS ABOVE] in 2021-22, an increase of [NUMBER: SAME AS ABOVE] percent.

In addition, among [DROPDOWN: LIST OF DI STUDENT GROUPS] students, the number of completed ADT degrees will increase from [NUMBER] in 2016-17 to [NUMBER] in 2021-22, an increase of [NUMBER] percent.

# Student Centered Funding Formula

The new formula consists of three allocations:

*Part 1 Base* – Enrollments (FTES). 70% Systemwide

*Part 2 Supplemental* – Counts of low-income students. 20% Systemwide

*Part 3 Student Success* – Counts of success outcomes, with “premiums” for outcomes of low-income students. 10% Systemwide

\*\*Year 2 - 19/20 = 65%/20%/15%

Year 3 - 20/21 = 60%/20%/20%

# Part 1 - Base Allocation 2018-2019

|  |   |
|--|---|
| Basic Allocation                         | No Change                                   |
| Credit                                   | + \$3,727 per FTES of 3 Year Average*       |
| Non-Credit                               | + \$3,347 per Non-Credit FTES               |
| Career Development & College Preparation | + \$5,457 per CDCP FTES                     |
| Special Admit - Credit                   | + \$5,457 per Special Admit Credit FTES     |
| Special Admit - CDCP                     | + \$5,457 per Special Admit CDCP FTES       |
| Special Admit – Non-Credit               | + \$3,347 per Special Admit Non-Credit FTES |
| Incarcerated - Credit                    | + \$5,457 per Incarcerated Credit FTES      |
| Incarcerated - CDCP                      | + \$5,457 per Incarcerated CDCP FTES        |
| Incarcerated – Non-Credit                | + \$3,347 per Incarcerated Non-Credit FTES  |

- 3 Year Average is Credit FTES (less Incarcerated and Special Admit) of the current year projection + prior year actuals + prior-prior year actuals divided by 3.
- Note.. 16/17 & 17/18 Credit FTES include incarcerated and special admit student which inflates your 3-year average for first 3 years.

## Part 2 - Supplemental Allocation

|               |         |
|---------------|---------|
| Pell Grant    | + \$919 |
| Promise (BOG) | + \$919 |
| AB540         | + \$919 |
|               |         |

Funding is based on the unduplicated head counts from the prior year. Individual students may count in multiple areas.

\*Multiple awards count. College granting award gets the count (Data Mart).

\*\*MIS special run. Unduplicated headcount. 9 Units in District to count.

\*\*\*MIS special run (CSU, UC & Clearinghouse) 12 units at a single district to count.

\*\*\*\*MIS special run. Completion of both Math and English in the same academic year  
(fall, winter, spring, summer).

\*\*\*\*\*MIS special run. Count of students enrolled in prior year that attained a living wage in following year.

# 2019-20 Governor's Proposed Budget

## - *Economic Outlook*

- *The Governor's Budget revenue forecast is \$5.2 billion higher from 2017-18 through 2019-20.*
  - Personal Income Tax is up \$7.5 billion
  - Sales Tax is down \$1.4 billion
  - Corporation tax is up \$1.3 billion
  
- *Governor continues to set aside in the Rainy Day Fund (currently \$13.5 billion). An additional \$1.8 billion transfer is proposed and an additional \$4.1 billion over time to bring the total to \$19.4 billion by 2022-23.*
  
- *Entering a new period of slower recurring revenue growth, influenced by job growth, increasing wages, and contained inflation. (FCMAT)*
  
- *Moving closer every day to recessionary conditions. A mild recession is estimated to have a \$10B impact on state revenue in the first year. (FCMAT)*

# Why Prefund With An OPEB Trust

- 1 Potential Greater Return**

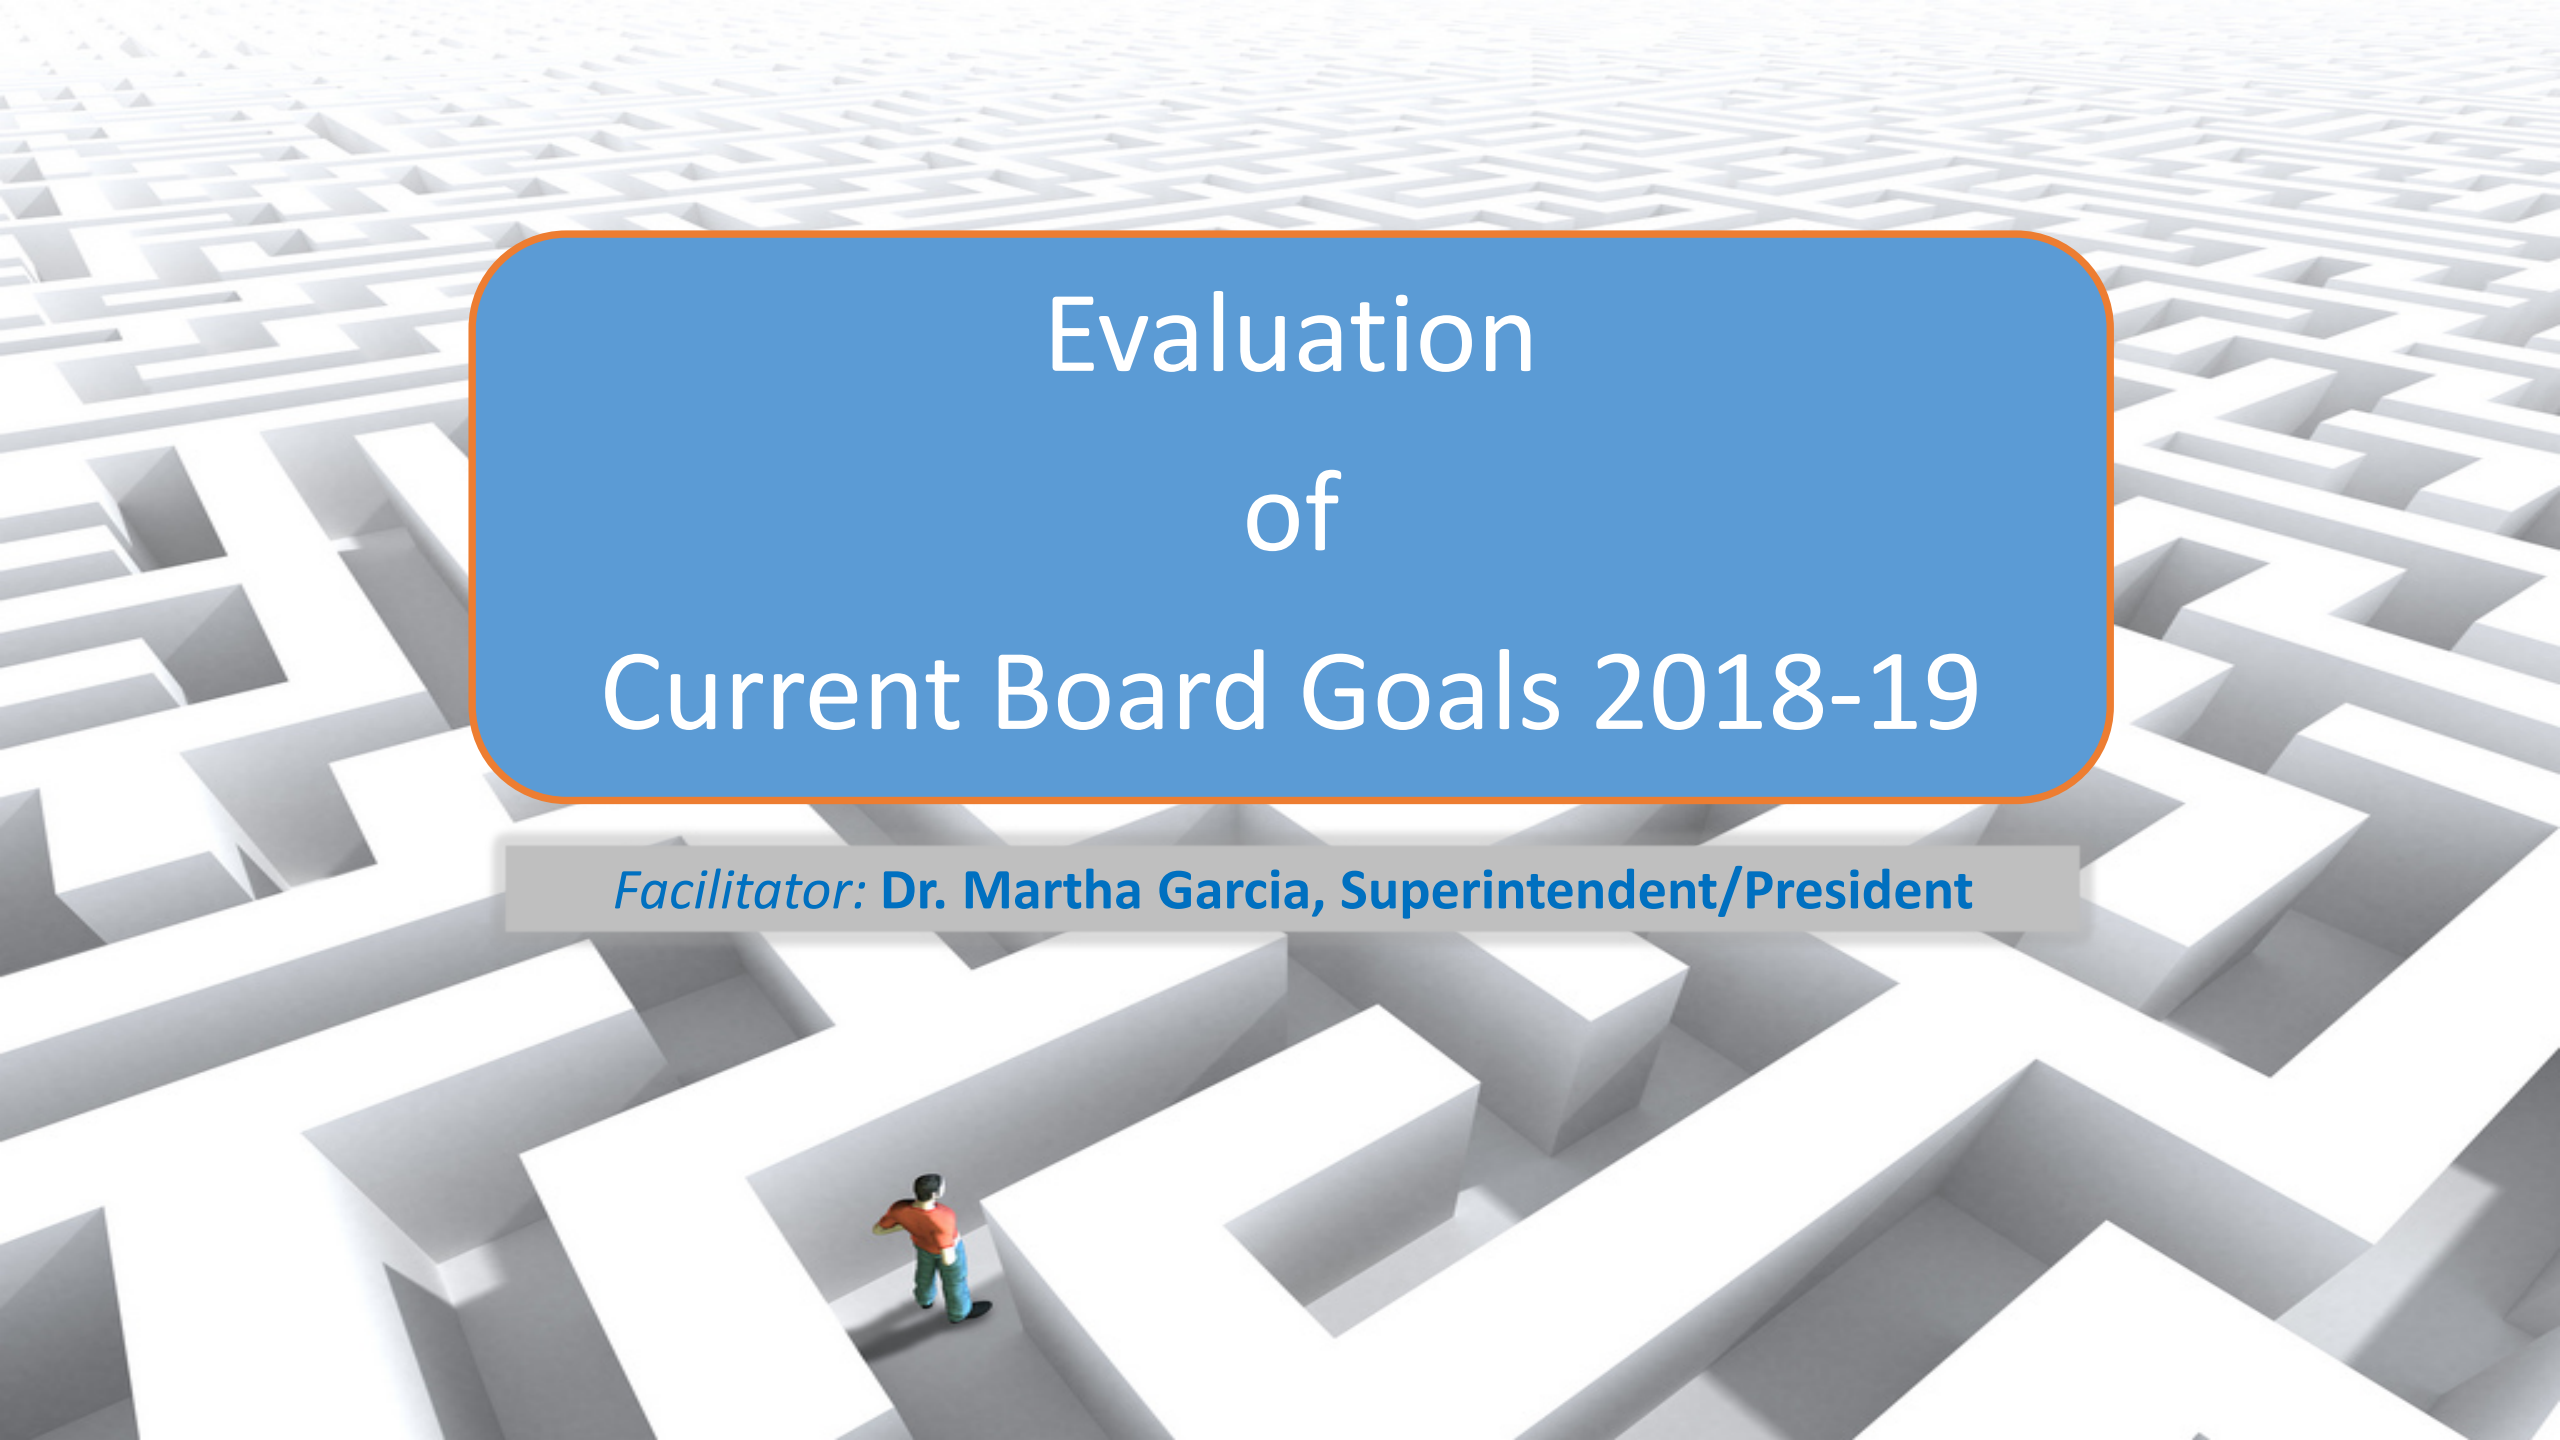

Diversification of trust assets can result in a greater rate of return, which can address your District's liability
- 2 Rule of Thumb**

For every 1% increase in return, your District's liability will be lowered about 10-12%
- 3 GASB 75**

Effective 2017, GASB 75 will require OPEB liabilities to be placed directly on your balance sheet similar to pension liabilities under GASB 68
- 4 Assets which Address Liabilities**

Contributions into the trust are considered "assets" which address liabilities on your District's financial statements
- 5 Strengthens Credit Rating**

Credit rating agencies may look more favorably on districts that prefund into an OPEB trust
