**Imperial Valley College
Best Practices to Serve
Resilient Students**

*Thank you IVC Team for serving our students with **excellence!***

STATE UPDATE

- **SB 1406 (Hill) Baccalaureate Degree:** Would extend the current baccalaureate degree pilot program at California's community colleges by permitting students to enroll in the existing 15 programs through 2022.
- **AB 1936 (Low) Higher Education Accountability:** Would create a higher education coordinating agency with an advisory body made up of appointees by the Governor and State Legislature. The advisory body would not be required to have segmental representation.
- **AB 1037 (Limon) Cal Grant B: Service Incentive Grant Program:** Would provide access to financial aid grants to undocumented students in return for community service or volunteer work.
- **AB 1858 (Calderon) Financial Aid Shopping Sheet:** Would require colleges to utilize a standardized form showing how much financial aid is available to students. It is targeted towards for-profit institutions that often provide confusing and misleading financial aid package awards for students.
- **AB 2248 (McCarty): Cal Grant Program:** Would increase the amount of units needed to qualify as full time from 12 to 15 units in order to receive a Cal Grant.
- **AB 2306 (Santiago) Student Financial Aid:** Would extend allowable use of Cal Grants by community college students from the equivalent of four years of full time enrollment to six.
- **SB 940 (Beall): Foster Youth:** Would increase allowable use of Cal Grants for foster youth from the equivalent four years of full time enrollment to eight.
- **SB 1471 (Hernandez): Cal Grant Program Competitive Cal Grant A and B Awards:** Would increase the current total number of competitive Cal Grant awards from 25,750 to 30,000.
- **AB 1935 (Irwin) and SB 1009 (Wilk):** Would permit colleges to collect apportionment for supervised tutoring. AB 1935 authorizes the BOG to create regulations while SB 1009 makes changes to statute.
- **AB 2575 (Santiago) and AB 2891 (Holden): Dual Enrollment:** Would permit community college districts to enter into dual enrollment partnerships with charter schools. AB 2575 would also allow dual enrollment with private schools.
- **SB 1348 (Pan): Clinical Programs:** Would require that each community college, California State University and private postsecondary institution report the number of clinical placements it receives in allied health programs. Goal is to determine if private for-profit institutions are receiving a disproportionate share of allied health clinical placements.
- **Free Speech Polices:** Numerous pieces of legislation impacting free speech policies have been introduced by Republican legislators in response to protests and counter protests at UC Berkeley.
