December 5, 2018 - M&VSC

- Military and Veterans Services Center Staff organized a Holiday Luncheon for our active, veteran, and dependent students.

M&VSC staff put together a small Holiday Luncheon for our Active, Veteran and Dependent students. We had food and fun games. It provided a time of bonding between students and a reprieve from finals. Thank you Joann Green for coordinating the event, to Carol Cortez for stopping by and bringing dessert, to Normal Scott for the drinks and decorations, our student worker Meagan for assisting with the event and donating decorations, and thank you Maintenance for setting up the tables. Most importantly, thanks to our students for bringing in the fun! It brings joy to see you all have fun after working so hard all semester. Happy Holiday's everyone!

STUDENT SERVICES

December 6, 2018 - Caring Campus Training

The Institute for Evidence-Based Change (IEBC) has partnered with the California Community College Chancellor's Office (CCCCO) to implement the Caring Campus Initiative.

IEBC's Caring Campus utilizes a coaching model to ensure deep involvement of classified staff in student success.

IEBC held its first training at Imperial Valley College on December 6th.

Caring Campus helps to boost the Vision for Success by:

- Instructing classified staff about the fundamentals of what can be done to increase student connectedness to the college;
- Developing strategies, grounded in commitments that can easily be implemented campus-wide;
- Integrating classified staff with faculty's student success legislation and initiatives.

STUDENT UPDATE: LAO FISCAL OUTLOOK

December 6, 2018

- LAO's estimates of revenues and spending indicate the state's constitutional reserve would reach $14.5 billion by the end of 2019-20.
- Only IF the Legislature and Governor don't commit to any new spending.
- With more commitments, reserves might not fully cover the budget problem.

STUDENT UPDATE

Governor-Elect Gavin Newsom's Emphasis on Cradle to Career

He will push state systems of education to work more closely with each other.

Specific policy proposals:

- Universal preschool for 4-year-olds - $2 Billion
- 500,000 New Apprenticeships - $500 Million
- Free Second Year of Community Colleges - $50 Million
- Higher Education Coordinating Council - $2 Million
- Longitudinal Data System - $ 2 Million

No funding source has been identified.
