## Sociology Associate Degree for Transfer

### Disclaimer

~ At least one course should include a lab.

^ Recommended Elective – Select from any course not previously used from the major list B, C, or D.

\*Enrollment in college level English and Mathematics courses requires appropriate placement scores on assessment tests and/or completion of the appropriate prerequisite coursework. All students should see a counselor for a customized Student Education Plan (SEP) before enrolling in college courses. The SEP provides students with individually appropriate course recommendations and planning by taking into account each student's assessment results and course completion history.

### Transfer Preparation

The Associate in Arts in Sociology for Transfer [AA-T] is intended for students who plan to complete a Bachelor's Degree in a similar major at a CSU campus. Students completing this degree [AA-T] are guaranteed admission to the CSU system, but not to a particular campus or major. Please refer to the Imperial Valley College general catalog for more information on the "Requirements for the AA-T or AS-T."
