

SLO Pre-Session

July 12, 2012

DEADLINE TO REGISTER: June 13, 2012

Hyatt Regency San Francisco Airport

Join us for a pre-session full of important information for both new and experienced SLO Coordinators. This will be held the morning of the Curriculum Institute.

Lately, there is an intensified focus on assessment of student learning outcomes at the course, program, and institutional level. A critical part of the conversation is "closing the loop". It is imperative that faculty are well-versed in the assessment process, clear on what is stipulated by accreditation, prepared to close the assessment loop on all levels, and work collaboratively with others on their campuses. Faculty have the primary role defining appropriate assessment, interpreting results, and using results to guide teaching. Join us for an Outcomes Assessment institute, share your perspective, and bring home tools and ideas.
