Mission - Imperial Valley College

The mission of Imperial Valley College is to foster excellence in education that challenges students of every background to develop their intellect, character, and abilities; to assist students in achieving their education and career goals; and to be responsive to the greater community.

MISSION OF THE NURSE ASSISTANT/ HOME HEALTH AIDE TRAINING PROGRAMS

The mission of the Training Programs is to provide optimal quality academic education. The faculty will provide educational opportunities for the student;

1. Maintaining clinical affiliations with appropriate clinical facilities, which provide a clinical environment stressing quality, integrity and a diverse patient population in the delivery of medical care.
2. Participating as effective, competent, responsible, confident and compassionate healthcare providers to the well-being of those under their care within the professional and local community.

CNAs are nursing assistants who have taken required training and have passed a competency exam. They provide patient care and perform various care-giving tasks under the supervision of a nurse or doctor. CNAs are often the principal caregiver in nursing homes, as they have more contact with residents than other staff.

Common *job duties* and *responsibilities* may include any of the following:

- Answer patients' call signals promptly even if it's NOT a patient assigned to your care
- ALWAYS leave patient or resident in a 'Safety' position with call-light available prior to leaving room and use bed side rails ONLY if allowed for the patient or resident as instructed by health care agency nursing staff
- Ask for assistance when in doubt regarding the care of any patient or resident in the health care agency you are assigned for your clinical rotation.
- Assist or provide 'Activities of Daily Living' examples – feeding, bathing, dressing, grooming, peri-care ect...
- Deliver messages (write down the name of the person, date, time, call-back number and message if left
- Provide patient or resident with peri-care, take to bathroom, wash hands or give wash cloth to clean hands, and reposition patient's or resident's prior to serving food trays
- Turn and reposition bedridden patients to prevent bedsores every two hours or as directed by nursing staff
- Observe patients' conditions and report changes in patient's condition or pertinent information to charge nurse or IVC Health Assistant Instructor
- Measure and record food and liquid intake (I&O) document in appropriate forms as instructed by nursing staff
- Listen to and record patients' health concerns and report that information to Charge Nurse or IVC Health Assistant Instructor
- Measure patients' vital signs, such as blood pressure and temperature and report Vital Signs to nursing staff
- Provide patients with help walking, exercising, and moving in and out of bed
- Provide patients with nursing assistant care as allowed per health care agency in clinical rotation
- Prepare patients for surgery, treatment, or examination as instructed by health care setting nursing staff
- Transport patients 'safely' to treatment units, using a wheelchair or stretcher
- Clean rooms and change linens before and after providing patient care or making rounds in patient rooms
- Work as a team member with other nursing and nursing assistant staff members to provide best quality care
- Work with assigned patient's or resident's without complaints
- Follow the Confidentiality and privacy information as instructed in the IVC Health Assistant Program modules and reading assignments - State and Federal regulations.
- Follow the Nursing Care Plan for nursing assistant care provided to the patient's or resident's as instructed by health care agency nursing staff
- 'ACTIVELY LISTEN' to your patient or resident – COMMUNICATION is MOST EFFECTIVE TOOL to use when providing patient/resident care

BACKGROUND CHECK & DRUG SCREEN INFORMATION Health Assistant

Policy:

1. The student must have clear criminal background check and urine drug screening test prior to starting the program.
2. The student must have a **CLEAR (Non-flagged)** criminal background check and drug screen prior to participation in clinical rotation in any clinical facility.
3. The Live Scan is not a requirement for admission to Health Assistant program; however, the process must be completed to obtain State clearance and to begin clinical externships.
4. The student assumes all costs.
5. Background checks and Drug Screening will minimally include:
 - 7 years residence/background history
 - Social Security Number Trace
 - Three counties
 - Two names (current legal & one other)
 - Address verification
 - Search through professional certification or licensing agency for infractions if student currently holds a professional license or certification (e.g., respiratory therapist, C.N.A.)
 - Nationwide Sex Offender Registry
 - OIG/GSA-Medicare/Medicaid Excluded List
 - OFAC Database Search
 - 10-Panel Drug Screen with urine sample
6. Students will be unable to attend the externship site for any appropriate reasons, including but not limited to the following convictions:
 - Murder
 - Sexual offenses/sexual assault
 - Felony possession and furnishing
 - Class B & Class A misdemeanor theft
 - Felony assault and/or Felony theft
 - Felony drugs and alcohol offenses
 - Felonies involving weapons or violent crimes
 - Fraud
7. The initial background & drug screen check satisfies this requirement during continuous matriculation through the program; that is, that no break in the program has occurred. Should the educational process be interrupted for more than one semester, or a student is out of the program for more than one semester, a new background check will be required. This includes courses offered during a summer or winter sessions.
8. Receipt of a “flagged or positive” background check, will require student to meet with the Dean of Nursing or designated staff for a face to face interview and for further evaluation of the flagged status. Your instructor, program Dean, and the externship site will make a final determination whether the student will be accepted into the facility for required rotations.
9. A “flagged” report means student must submit a handwritten letter explaining and proving specifics of the flagged order. Student is responsible to include documentation for dispositions of the case, regardless of when the case happened, was filed, or tried in court. The letter must include your name and signature, school ID number, and current phone number and email address. If this is not possible the student will be unable to attend the site.
10. There should be at least one (1) year of time passed since the completion of any imposed probation or modification of a condition.
11. Applicants with a record of substance abuse or conviction of violations of federal, state or local laws related to controlled substances, alcohol or other drugs or any offense (misdemeanor or felony) should know that they may not be eligible for certification as a CNA. Failure to complete required concurrent studies in the clinical area will subsequently cause course failure.
12. The IVC Nursing Program has the right to request documentation of completed probation in the case of imposed probation or modification of a condition.
13. Students may be denied access to sites based on offenses appearing on the criminal record, which may have occurred more than 7 years ago. Failure to complete required concurrent studies in the clinical area will subsequently cause course failure due to an inability to fulfill required objectives.

14. American Data Bank (ADB) shall include in any document used to obtain information from student instructors for the purpose of conducting a background check, a waiver and release of liability wherein the student specifically agrees to allow school/ADB to share the results of the background check with clinical sites to which student may apply or be assigned. The student shall further agree that such information may be used to deny the student from participating in externship.
15. Schools shall indemnify and hold externship sites harmless from any and all actions or claims that may be asserted by students arising out of externship sites' rejection of any student based on the results of a criminal background check or any claim that such a background check was conducted improperly. ADB shall be solely responsible for conducting background checks in accordance with applicable laws and regulations, including but not limited to California Civil Code Section 1786, et seq.
16. Re-entry students out of the program 1 semester or 6 months for any reason must repeat the background and drug check.

Procedure

Alcohol and Drug Abuse Policy

I) Explanatory Statements

- A) Many drugs, legal and illegal, including alcohol, have the potential to become multi-system toxins and central nervous system or mind-altering with the ability to affect mood, behavior judgment, concentration, fine motor skills and consciousness. Use and abuse of alcohol and other drugs can lead to accidents, injury and other medical emergencies
- B) Being under the influence of alcohol and/or drugs or abusing the use of alcohol or drugs is not acceptable

II) Suspicion of Abusing or Being Under the Influence

An “impaired” student shows objective signs they have abused substances such as, but not limited to, odor of alcohol on breath or about person, behavior such as slurred speech, poor coordination, impaired judgment, decreased level of consciousness or unusual behavior that may be boisterous, combative, argumentative or inappropriate.

Abuse of substances includes prescription and over-the-counter drugs, CNS depressants, narcotics, illicit drugs, alcohol and other chemicals. Student will need to present documentation from MD if taking prescribed substances.

The concern of the Nursing Faculty is two-fold

1. The safety of the patients in the clinical setting
2. Assisting in the recovery of the impaired student

The instructor will approach the student suspected of being under the influence.

On Campus, the student will be dismissed from class; security will escort the student to the Dean of Student Affairs and Enrollment Services.

In the Clinical setting, if the student is suspected of being under the influence they will be dismissed from clinical setting and authorities may be called.

Consequences

1. Student will meet with Dean of Student Affairs and Enrollment Services to discuss any violation to the Student Code of Conduct (IVC Catalogue)
2. The Director of Nursing will be notified. Parents of students under age 21 will also be notified.
3. When student is able, the student must meet with the faculty team to discuss the situation and a plan of action or dismissal as appropriate.
4. The student may be dismissed from the Health Assistant and Home Health Aide course.
5. The student can apply for readmission only after completing the recommended formal plan of action.

I) **CPR (Cardio-Pulmonary Resuscitation) Requirements**

- A) Students are **required to have and maintain** a current American Heart Association Basic Life Support (BLS) Health Care Providers card to practice in any externship site
 - 1) It is the student’s responsibility to maintain certification and submit copies of CPR renewals to the Divisional Office
- B) CPR classes are offered at local American Heart Association (AHA) training centers in the Valley; fees are required. Only AHA classes are accepted
 - Nick Guzman, CPR/BLS Instructor 760-455-3832
 - David Barham, CPR/BLS Instructor 760-960-1046

Malpractice Insurance

- A) Malpractice insurance coverage is provided by the College to students who are currently enrolled in the Program.
- B) A copy of the current Certificate of Liability is provided to externship agencies and available in the Nursing and Allied Health Education office.

II) Physical Exam

The Student Health Center is located south of the library, Office #1536, and hours of operation are posted. (760) 355-6310 for appointment / Immunizations QUESTIONS only 355-6128

The student must be in adequate health to perform the duties of a health assistant or home health aide and meet the minimum physical, mental and emotional abilities. A physical exam is acceptable if completed within six (6) months prior to the first day of class. Some clinical facilities may require an annual physical exam. The **IVC Student Health Center (SHC)** is available to conduct basic physical exams, and service is covered under the 'Health Services Fee' paid by the student. Students can visit their personal health care practitioner but all paperwork is verified through the SHC. When the physical exam is deemed 'Complete' by the SHC, a copy is submitted to the Nursing Office.

The SHC recognizes that wellness is essential to academic success. Services and programs include: wellness screening, health fairs, referral for health services, basic first aid during hours of operation, selected immunizations, physicals for nursing students, weight control, lactation room and breastfeeding resources.

Immunizations

The required immunizations while in the Program are: Influenza (flu), MMR (Measles, Mumps, Rubella), Tuberculin Skin Test (TB), Tdap (Diphtheria, Tetanus, Pertussis), Hepatitis B (3 series), and Varicella.

- Influenza – Required during flu season (October and March). The vaccination expires after March and required the next flu season
- MMR – two (2) step injection required
- Tuberculin (TB) Skin Test – two (2) step test required every 12 months – If positive, a chest x-ray will be required
 - PPD Skin test or Negative chest x-ray or TB Questionnaire, **OR**
 - QuantiFERON ®- TB Gold Test (QFT)
 - More information on the PPD skin test is available online <http://www.cdc.gov/tb/publications/factsheets/testing/skintesting.htm>
 - Per Centers for Disease Control guidelines, the PPD is considered safe and valid throughout pregnancy
- Tdap – One dose required
- Hepatitis B – All 3 shots required
 - Hepatitis B shots will incur a cost. It is a series of 3 doses taken within a specific timeframe as directed by the healthcare practitioner. Students may start the program if not all shots received but must follow completing the series.
- Varicella (Chickenpox) – 2 doses required, or had disease
 - The Varicella vaccine will incur a cost. Students who have had the disease will need to verify in writing and only by a healthcare practitioner or doctor, the month and year of occurrence. If no record is available, the vaccine will be required.

Refusal of Immunizations, Vaccinations, Titers and/or TB requirements

1. Waiver/Refusal Form for the **Influenza or other vaccinations** must be completed noting rationale for refusal. **Refusal must be approved by the Department.** If refusing, the student understands the following:

- The student must indicate that they understand the Program will make a reasonable effort to secure alternative clinical experiences, but these experiences may not be available

Lack of available concurrent clinical experiences may result in dismissal from the Program as the student must scan Physical Exam and Immunizations' paperwork to their program secretary for completion prior to clinical rotation or optional 'Complio' account

IVC Student Health Center (SHC) Clinical Mental Health Counselor is located south of the library, Office #1536, and hours of operation are posted, for appointment (760) 355-6310

Counseling services at the IVC Student Health Center is a free resource for currently enrolled students. Short-term individual, couples, family and group counseling services are provided by licensed clinicians and interns. Support and information is provided regarding anxiety/stress, continued sadness/depression, relationship/family issues, parenting issues, anger management, plus links to community resources and services are available.

Pregnancy and Surgery

1. Students who have surgery or become pregnant during the academic year will inform the instructor and bring a written release from the attending physician stating that the student may continue or not in the academic setting. After delivery of the baby, the student will bring a written release from the physician stating that the student is capable of meeting the course objectives of class and clinical.

Eligible Requirements for Clinical Placement

- 1) Cleared Physical & Immunizations
- 2) Cleared Background check & Drug Screen
- 3) Valid CPR card
- 4) Copy of Student ID Card (some agencies require)
- 5) Acknowledgement/Agreement Sheet
- 6) COMPLIO compliance

Clinical Placement – Clinical placement is a temporary and short practical learning experience as part of the course of study. Site is assigned by instructor during the semester. This may vary depending on the availability of Health Care Agencies participating current semester. Changes with Health Care Agencies can occur anytime which might affect changes in the assignments of student's clinical rotation.

Class Daily Calendar & Syllabus (read by student)

- Student is responsible for reviewing Daily Calendar and make changes given by instructor
- Student is responsible for the information in the class syllabus

Attendance

- I) Student Attendance is critical for the Health Assistant program course due to volume of material and the necessity to ensure patient safety
 - A) Students are responsible for complying with attendance and tardiness rules:
 - 1) As outlined in the Imperial Valley College Catalog **AND**

Convictions:

Have you been **CONVICTED** at any time of a felony, misdemeanor, or cited for a traffic violation? Yes or No

- ✓ You will need to alert your class Instructor.
- ✓ Electronic **live scan** fingerprinting is **required**. The California Department of Justice (DOJ) does not accept fingerprint cards. Fingerprints are transmitted to DOJ electronically within 48 to 72 hours after completion. If cleared, DOJ electronically forwards this information to California Department of Public Health (CDPH) within a few days. **All convictions are reviewed by CA DOJ. If the conviction prevents certification, the applicant will be notified. Applicants will not receive a certificate until they have been cleared through a background investigation.**
- ✓ A background check and drug screen will be required prior to attending the Sites. A background check and drug screen that **does not pass**, the student will need to be cleared for approval and may cause delay in attending externship sites, or dismissal from the program. The IVC Nursing & Allied Health Program therefore, advises students to include a **one-page written statement** identifying occurrence(s) and attach to this application.

✓ Please **provide a personal email for a short (follow-up survey) where we may contact you after completion of the program**
