30-Unit Track II Option (Non-Graduate)		
Science Prerequisites 2.5 Minimum GPA	Course Title	Units
BIOL 220	General Microbiology	5
BIOL 206 or 202	Human Anatomy, or Human Anatomy & Physiology, Part 2	4 or 4

Application Deadline: Applications are submitted to Office 2155 in the 2100 Health Sciences Building during the month of March. Consideration will be for the upcoming academic year. All criteria must be met to apply.

Transition Course: Successful completion of NURS 204, Transition to A.S. Degree in Nursing, is required of applicants under the Track I A.S. degree option, and strongly recommended for 30-Unit Option. All eligible applicants will be considered for placement in the generic RN Program following the program's prioritization grid. Applicants will be notified of the NURS 204 schedule.

Advisement: Applicants should meet with the Nursing Program Counselor to make sure of all requirements. Contact Stella Orfanos-Woo at 760-355-6259 or 355-6543 for appointments; or by email at stella.orfanos-woo@imperial.edu
